ITALY'S GREAT NIGHT

Rome, August 5th

A crowd of over 60,000 watched the first of the major post-Olympic international meetings: the 'Golden Gala' in Rome's Olympic Stadium. It proved a great night for the fans, sweltering in a temperature of 35°C, as they watched Pietro Mennea defeat Don Quarrie by 4m in a 20.01 200 (just 1/100th outside Valeriy Borzov's world best at or near sea level), Sara Simeoni win the high jump with 1.98m (only just failing at a world record 2.02), Gabriella Dorio duck under 4 min for 1500 for the first time to become the first non-East European to break the barrier, Mariano Scartezzini chase Kip Rono home in the steeplechase with a great national record of 8:12.5, and Maurizio Damilano win the 3000 walk. In addition there were near world records in the pole vault where Thierry Vigneron defeated Olympic champion Wladyslaw Kozakiewicz and came close to breaking the Pole's new world record when attempting 5.80m, the hammer in which Karl-Hans Riehm (80.78m) upset Olympic gold medallist Yuriy Sedykh, and the women's hurdles in which surprise Moscow champion Vera Komisova took another big chunk off her personal best with 12.39. Another Olympic revelation, Viktor Markin, wound up a distant 3rd in the 400 won by Harald Schmid.

MOSES NEAR RECORD

West Berlin, August 8th

Harald Schmid ran 400 hurdles in his season's best of 48.56 (Volker Beck took the Olympic title in 48.70) ... but still found himself a dozen metres adrift of the incomparable Ed Moses, whose time of 47.17 was the second fastest ever behind his own 47.13. Thomas Wessinghage thrilled the 32,000 spectators with his dominance in the mile in which — same as in the Coca-Cola meeting the same night — 13 runners finished inside 4 min. There was a success for Britain at this ISTAF meeting: Meg Ritchie won the discus. Cherry Hanson set a personal best of 2:01.5 (2:01.42) in the 800.

WHAT A TEAM!

Jena, August 9th

A GDR foursome of Marlies Gohr, Romy Muller, Barbel Wockel and Marita Koch averaged a cool 22.05 per leg to obliterate the world 4x200m relay world record with an extraordinary 1:28.15. The previous mark was 1:30.8 by a team from the Ukraine last year, and it was only three years ago that a British squad posted world figures of 1:31.6. Conditions were hardly ideal, for in the 100 a 1.6m/sec headwind slowed Gohr to a winning time of 11.26. Rolf Beilschmidt continued his comeback after a leg operation, improving his season's best from 2.10m to 2.20.

WELLS BEATS FLOYD

Cologne, August 10th

Allan Wells scored a narrow 100m victory in 10.19 over USA champion Stanley Floyd, who would undoubtedly have been one of his strongest rivals had he been in Moscow. Another fine performance, watched by a crowd of 35,000, was Renaldo Nehemiah's 13.23 hurdles, equalling his best for the year set two days earlier in London.

100: (+0.5m) ALLAN WELLS 10.19 (10.31 ht), Floyd (US) 10.21 (10.20 ht), Lattany (US) 10.25 (10.22 ht), Haas 10.26, Lewis (US) 10.30, Glance (US) 10.31, Williams (US) 10.40 (10.38 ht), Quarrie (Jam) 10.41; 200: (+0.5m) Quarrie 20.32, Williams 20.36, Muster (Swi) 20.72, Taylor (US) 20.73; 400: Schmid 45.06, McCoy

FEET FIRST.

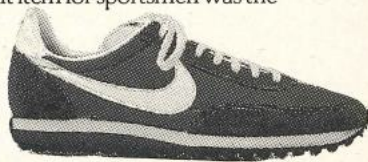

Most sportsmen would agree that without good, healthy feet they'd be nowhere. And healthy feet means wearing the right footwear.

A recent medical survey showed that the most important item for sportsmen was the right shoe. For comfort, confidence and protection from injury. Which is why at Cobra Sports Shoes we put feet first.

Both our shops carry a massive choice of shoes, including top names like Brooks, Nike, Adidas, Karhu, Tiger, New Balance and Reebok.

NEW BALANCE 620

NIKE ELITE

So there's a pretty good chance we've got the right shoes for you, whatever your sport.

Come and have a look around. And please try them on.

As many as you like. No single make is suitable for all sportsmen. And even with one type of shoe, sizes can vary from one batch to the next.

So it's vital to get them on your feet and get the feel of them before you decide.

Don't worry about taking up our time. Our staff are helpful, enthusiastic and knowledgeable. They'll do all they can to make sure you get the shoes that are right for you.

If what you want isn't in the shop, we'll be only too happy to order it for you.

And if by some chance we can't help, there's no hard feelings. Even if you've tried everything in the shop!

We'd rather you walked out with no shoe, than the wrong shoe.

If you put your feet first, put them in our door.

OBENG'S GREAT RUN

Budapest, August 11th

Another big crowd, nearly 30,000, witnessed a meeting which featured two British victories. Steve Ovett ran his second 5000 in three days and this time made no mistake in a close finish with Wilson Waigwa, with Filbert Bayi (who had run a 3:38.6 1500 only 1½ hours earlier) third; and Brian Hooper maintained his formidable competitive record by vaulting 5.40m and defeating such big names as Billy Olson and Antti Kalliomaki. Daley Thompson was first in the 100 'B' race, but in the 'A' section Allan Wells met with his first defeat as Olympic champion — being edged out by 2/100ths of second by none other than Ernest Obeng whose time of 10.21 was the fastest legal mark of his career. John Walker won the 1500 ahead of Dave Moorcroft in 3:36.8 and the women's race was fast too as Mary Decker reduced her US record to a tantalising 4:00.04 after passing 800 in 2:06.3.

COE SO NEAR

Zurich, August 13th

Tatyana Kazankina's fabulous 1500m world record of 3:52.5 was described in some detail last week, lack of space precluding a report of the many other glittering performances at the celebrated Weltklasse meeting. We very nearly had two 1500m records, for Seb Coe (who, oddly enough, had run no faster than 3:38.4 — his Olympic winning time — this season) came within a stride's length of breaking the 3:32.1 mark he shares with Steve Ovett. On a newly laid track at Zurich's renowned Letzigrund Stadium and urged on by a full house of 26,000, Coe registered 3:32.19, which rounds off to 3:32.2. It was in fact the fifth fastest time ever, taking account of hundredths, behind Coe's 3:32.03 at the same meeting last August, 3:32.09 by Ovett in Oslo this summer, 3:32.11 by Ovett in Brussels last season and 3:32.16 by Filbert Bayi in Christchurch 6½ years ago. Obviously Coe would have liked to make the record his sole property again, but he was happy enough to win over a richly talented field.

Ray Flynn of Ireland, himself a 3:55 miler, was

the hare and for two laps kept the pace bubbling at world record tempo, passing 400 in 54.3 and 800 in 1:52.6 with Coe following easily a metre or two behind. But hopes of a world record were compromised on the third lap which took 59.0 as compared with the 56.3 he ran during his 3:32.1. Flynn stepped onto the infield at 1000m, leaving Coe ahead of a pack of famed runners. He could have stepped up the pace in pursuit of the record, with the attendant risk of proving vulnerable in the closing stages. Instead he concentrated on winning the race. "It was too classy a race to take

liberties", he explained. "Every time I turned my head I saw Bayi's face, or Walker's, or Scott's!" So he decided to hold back a little while continuing out in front, switching smoothly into over-drive at the start of the finishing straight to draw away by nearly 10m. Steve Scott just missed Jim Ryun's elusive US record of 3:33.1 in 2nd place, with Coe's predecessor as Olympic champion, John Walker, 3rd in 3:33.5 for one of his best runs in recent seasons. Switzerland's own Pierre Deleze (21) was a revelation as he placed a fighting 4th in 3:33.8 — an improvement of almost 3 sec on his national record — and in 5th position 19-year-old Steve Cram produced a marvellous personal best of 3:34.8 to go above Dave Moorcroft in 4th place on the UK all-time list. "It was a great race", said Coe — and who would argue?

Allan Wells sustained his second 100m defeat since the Games, this time to 19-year-old Stanley Floyd, winner of the US 'grand slam' of titles (collegiate, national, Olympic trials), who scored by a good metre in 10.19 thanks to a power-packed second 50. Another American, Steve Williams, made a smashing return to vintage form as he swept past Don Quarrie in the closing stages of the 200. It was a good night all round for the Americans, as Renaldo Nehemiah — running into the wind — set a 1980 world best of 13.21. Ed Moses dipped under 48 sec yet again despite a slow start (with Olympic silver medallist Vasily Arkhipenko 6th 20m down!), Larry Myricks jumped 8.31m (his best outdoors this year) and Don Paige defeated a very good field in the 800 — a race marred, though, by Mike Boit falling while in the lead on the last turn, causing havoc to several runners near him at the time. Other highlights included a late winning run in

the 400 by 18-year-old Billy Konchellah of Kenya; a masterful final lap in the 5000 by Thomas Wessinghage (who, remember, outkicked even Yifter in this event at last year's meeting); an attempt at a world record 2.37m by Jacek Wszola; another victory by Karl-Hans Riehm over one of the great Soviet throwers; and some fine sprinting behind Marlies Gohr and Marita Koch by fast improving Commonwealth speedsters Angella Taylor of Canada and Merlene Ottey of Jamaica.

Kazankina ran during a downpour; she covered the first lap inside world record pace at 56.33 but the second occupied almost 62 sec. Good International Experience For British Girls

UK v NORWAY v SWEDEN WOMEN'S TRACK WALKING MATCH At Cwmbran, June 28th

5km: This race was held in windy conditions but it did not prevent a fast pace being set from the start by the four Swedes (Ann Jansson was walking as a guest) and Norway's Thoril Gylder. Elaine Cox went with leaders but Irene Bateman was finding the pace too hot and had to drop back. At 2km Gylder, Jansson, Elisabet Olsson and Britt Mari Carlsson were together with Cox close behind, and Bateman 18 sec down. In the fourth kilometre, Jansson and Gylder moved away and over the last couple of laps the Swedish guest went away to win in 23:46.1. Olsson was an untroubled second in the race proper but Carlsson faded badly in the last couple of laps and was nearly caught by Bateman, who had passed Cox with only 200m remaining. However, the latter walked a fine race and reduced her best by 20 sec. Elaine Worth, in her first international, found herself a little out of her depth but with her good technique showed considerable promise for the future.

1, T. Gylder (N) 23:51.5; 2, E. Olsson (S) 24:08.1; 3, B. Carlsson (S) 24:19.5; 4, I. Bateman 24:21.0; 5, E. Cox 24:23.8; 6, M. Karlsson (S) 25:06.0; 7, F. Hilsen (N) 25:22.5; 8, M. Kjolberg (N) 25:37.3; 9, E. Worth 26:01.9. Gst: A. Jansson (S) 23:46.1. **Teams:** 1, Sweden 15; 2, Norway 13; 3, UK 11. Kilometre splits: 4:41.0; 9:26.3; 14:13.7; 19:04.0.

3km: The Swedes again fielded a guest walker (Eva Gustavsson) and they led round the first lap. Carol Tyson, holder of the world record for this event at 13:25, clearly felt the pace was not fast enough and moved ahead. Her second lap of 1:47 split up the field and only Britt Holmquist could go with her. These two had a great battle and the lead changed a number of times. They were together entering the home straight, but Holmquist pulled out a fine sprint to win by nearly four seconds in 13:42.6. The Swede, now the mother of three, is clearly walking as well as ever. Tyson, naturally disappointed to lose, was nevertheless satisfied with her time in view of her restricted training of late. Eva Gustavsson walked a fine race to finish well in front of her sister Siv, a former world number one, who is currently overweight following a lay-off because of illness. Karen Eden wound up in 8th position but only 3.4 sec separated her from 5th place. With a strong finish she nearly got the better of Line Viken, which could have tied the UK and Norway match score. Jill Barrett (15), in her international debut, was only 9 sec outside her personal best despite the unhelpful conditions. Like Elaine Worth, she shows great potential for the future.

1, B. Holmquist (S) 13:42.6; 2, C. Tyson 13:46.3; 3, S. Gustavsson (S) 14:20.2; 4, G. Gylder (N) 14:36.5; 5, L. Aalvik (N) 14:49.6; 6, M. Olsson (S) 14:50.7; 7, L. Viken (N) 14:52.8; 8, K. Eden 14:53.0; 9, J. Barrett 15:07.2. Gst: E. Gustavsson (S) 14:04.8. **Teams:** 1, Sweden 17; 2, Norway 10; 3, UK 10. Kilometre splits: 4:33.6; 9:08.5.

Sweden (32) emerged clear victors in the match, ahead of Norway (23), who, in turn, edged out the home team (21). Marion Fawkes, Judy Farr and Virginia Birch were missed from the home line-up, but the event provided much-needed international experience for several newcomers. It seemed a pity that the distances contested were so close together. Would not 3km and 10km have been a better combination?

GRE Jubilee Cup Semi-Finals

August 10th

Venissa Becomes Third Briton To Put 17m

TWO GRE Jubilee Cup records were broken during the semi-finals on August 10th. Moira Maguire (ESH) high jumped 1.85m at Kirkby and Venissa Head (Bristol) put the shot 17.05m at Cwmbran. Venissa's put was also a Welsh record and it makes her only the third British girl — after Angela Littlewood and Judy Oakes — to surpass 17 metres. Her previous best was 16.78.

Stretford, Cup winners for the past four years, qualified in second place to Birchfield at Birmingham. The others finalists are Bristol, Aldershot, Hounslow, Haringey, Edinburgh Southern and Glasgow. Haringey and Glasgow scraped through by the narrowest of margins, for Essex Ladies and Derby scored the same number of points. Haringey (5 wins to Essex Ladies' 2) and Glasgow (3 wins to Derby's 2) proceeded on the 'countback'.

Another Hammer Record By Tony Kenneally

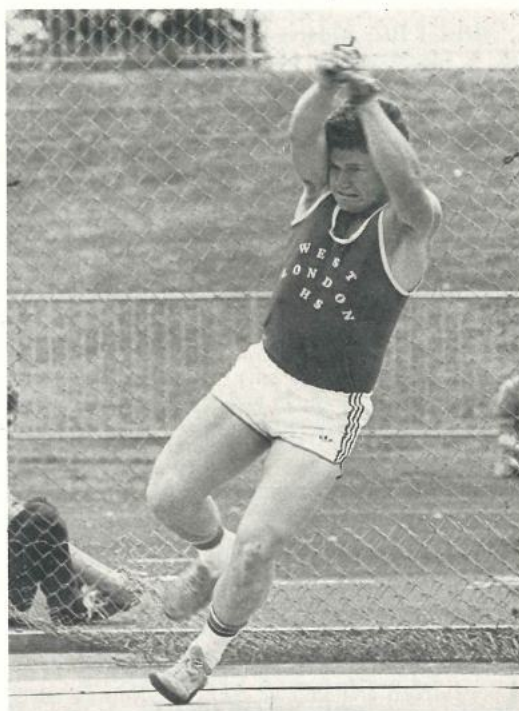

THE 21st British Schools International match, held at Lincoln on July 19th and sponsored by the National Dairy Council, opened with a devastating display of hammer throwing by Tony Kenneally of England. With the first throw of the competition Tony broke the UK age-16 best with a massive 69.28m — some three metres beyond his previous best, and continued with three other throws over 66m.

Other boys to find the conditions to their liking were the England sprinters, Lincoln Asquith (10.7 100m) and Mark Grzesiak (21.8 200m), who, with Andy Booton and Roger Hunte (all from the West Midlands squad) shattered the 4x100m relay meeting best with a time of 42.1. John Weston ran a fine solo 400m race for a new pb of 48.7 and while the England middle-distance boys demonstrated their strength in depth, the hurdles provided excellent performances and competition. Kieran Moore high hurdled with great style in 13.3, while a fine battle developed between Paul Beattie of Ireland and Max Robertson of England in the 400m race. Beattie showed greater strength over the last flight to break the meeting record with a time of 53.2.

Ireland's M. Nutty took the shot title with 16.48m, but the other outstanding field result of the day went to Steven Anderson of England who, with the encouragement of a knowledgeable crowd, put together a fine triple jump sequence, culminating in a new meeting best of 15.17m.

Despite the absence of Jane Parry (injured) and Linsey Macdonald (Olympics) the girls' competition was graced by a fine display of sprinting from the Scottish squad, and in particular Angela Bridgeman, who equalled the time (54.6), if not the position in the 400m, of Linda Keough, and then broke the 200m record

GRE Gold Cup Semi-Finals

August 10th

RICHARD SLANEY THROWS OVER 60m

WOLVERHAMPTON and Bilston, the holders, had an easy passage to the final of the GRE Gold Cup. The club supplied 15 of the 20 winners in their semi-final at Kirkby on August 10th. There was a great battle between Edinburgh AC and Liverpool for the second qualifying place; the teams were level going into the final event, the 4x400, and after a thrilling race the Scottish club's anchorman Ken Glass just managed to hold off Liverpool's Dave Galvin for that all-important extra point.

The other finalists are Essex Beagles, Sale, Shaftesbury, Cardiff, Haringey and TVH. Top individual performances in the semi-final round included a 46.93 400 by Phil Brown (18) of Birchfield, a 60.08m discus throw by Essex Beagles' Richard Slaney (making him Britain's 5th 60m thrower), and a high class hammer contest at Enfield where Matt Mileham (Haringey) threw 69.24m to defeat Martin Girvan (Woodford Gn) 67.42 and the host club's Paul Dickenson (64.78). The Haringey 4x100 team of Mickey Morris, Claude Moseley, Mike McFarlane and Vernon Bramble sped to a 40.4 clocking, with TVH in hot pursuit at 40.7.

Australian's Fine Victory In RWA 50km Walk

IT NEEDED A MAN of all seasons to win this year's national 50km, as competitors faced high humidity, some watery sunshine and a torrential shower at Basildon on July 19th. The shower was one of the heaviest I have ever raced in and it left roads awash, shoes soaked and heavy, and everyone feeling battered as conditions got even worse in the last couple of hours, with a strong wind sapping strength.

Australia's Tim Erickson, in probably his best race to date at the distance, kept his pace going magnificently throughout and was never challenged after the early stages. Two exciting prospects emerged in Dennis Jackson, in his second race at the distance, and Murray Lambden, the young Manx hopeful. The diminutive Yorkshire postman looks set to challenge the best in the country at 50km and should soon receive an international vest. In second place for the major part of the race, Dennis was never seriously challenged once Adrian James, feeling below par due to illness, had retired when lying third. Brian Adams made a welcome return to the medals with a well judged effort, showing he has lost none of his ability to shine at all distances from three to 50km.

Both Tony Geal and Paul Blagg had satisfactory races and have now established

themselves as very solid performers at this distance. Stalwarts John Eddershaw, John Paddock and John Warhurst battled through as one would expect, all being very involved in the close team championships. On a day that was right for the 'come through' experts, Chris Berwick and Graham Young picked up plenty of scalps, and the Belgrave duo of Mike Scamell and John Hall also had good results with sound pace judgement.

Just when it looked like Sheffield were going to edge Leicester for the team race, Peter Ryan — having a fine race — suddenly cracked at 47km when lying fifth and lost an incredible 18 minutes and 11 places before the end, enabling Leicester to snatch victory literally in the last kilometre. It was very disappointing for the popular Essex-based policeman, but he will no doubt learn from the experience and be back to challenge the country's leaders. With many of the big names absent this was very much a championship of the clubman battling away on a testing, undulating course in difficult weather conditions.

CHAIRMAN OF THE BOARD

The new chairman of the BAAB, in succession to Arthur McAllister who has retired after five years in office, is Dr Bill Evans, secretary of the Welsh AAA. No vote was required at the Board's AGM in London last Sunday when it was announced that the other candidate, Arthur Gold, had withdrawn for reasons of "international protocol". Dr Evans (56), a biologist at the University of Cardiff, has been a Welsh AAA representative on the Board for the last six years. A full report of the AGM will appear in next week's issue.

The Frodsham Hill Races, mentioned in 'The Week Ahead' last week, are actually **tomorrow** (31st), commencing at 2.00 pm.

WAAA Inter & Junior Champs**At Crystal Palace, August 15th/16th****LINSEY AND JANE SO CLOSELY MATCHED**

ALTHOUGH THE SENIORS were on show as well, it was the sprint battles between Linsey Macdonald and Jane Parry that stole the attention in the Sunsilk WAAA Championships. The 100m saw Jane (15) away first and it was only Linsey's will to succeed that pushed her through to the narrowest of victories. We waited for the 200m, and were not disappointed. Again, Jane got the better start but Linsey fights hard — another victory, by another one-hundredth of a second.

During the next Olympiad it will be interesting to see how these two develop. The contrast in their appearance is reminiscent of that between Renate Stecher and Annegret Richter. Both of those became Olympic 100m champions. If Jane and Linsey stay in the same events, and Jane has already run over 400m for her club, one will have to be second best. I doubt if either of them will settle for that. But they're not alone.

They were in the short race, by some two to three metres, but not so in the 200m. Another Scot, Angela Bridgeman, is also set to shake up the Senior ranks. For most of the season Angela has been running 200m/400m doubles for her club, Glasgow AC, and this was again her policy

at Crystal Palace. With Linda Keough opting, somewhat disastrously, for the 800m and Linsey in the sprints, Angela was left quietly heading the 400m rankings. Her fluent, flowing style is a joy to watch. She went off very fast and maintained form perfectly, lowering her pb from 54.59 to 54.01 with a ten metre-plus victory, but it was her intrusion into the 200m final that caught the eye. She never really showed up until you realised that it wasn't two battling for the line, but three. I'm sure we'll hear a lot more about Angela Bridgeman.

Barry Trowbridge reporting

With Karen Hughes injured (although she had entered only the 1500m anyway), Lorraine Baker had no trouble in retaining her 800m title. She won by an impressive 3.7 seconds and added this to her already vast list of achievements. She too is set to make an impact with the 'big girls' next term. Indeed, this proved the only flat Intermediate title to stay in England, as Lynne MacDougall played with the 1500m field, eventually running away from Schools'

Linsey Macdonald (left) wins the WAAA Intermediate 100m title by 1/100th of a second (11.75 to 11.76) from Jane Parry. There was only 1/100th between them in the 200 too.

champion Katie Fairbrass to win in 4:28.8.

The three hurdles titles up for grabs each went separate ways, though not without some good scraps. Sarah Dean just got the better of Mandy Lewis over 80m with Tracy Such and Lorraine

Brown both in at the death, but Mandy reversed this in the 200m, although if Julie Lindsey hadn't faltered at the last flight she may have split them. 100m winner, Lynne Roper, failed to make the final of the 80m, but her stride is obviously better suited to the longer gaps. Again Lorraine Brown was around at the finish.

Denise Wilkinson (1.76m) improved her best high jump by 1 cm, getting the verdict from defending champion Brigid Corrigan on count back, whilst Kirkby winner, Elaine Hickey, was well down on her best (1.82m) in third place. Karen Glen and Beverly Kinch went into the long jump competition ranked first and second this season and came out of it still in that order, with Karen's winning 6.09m a new Championship best.

Cynthia Gregory's dominance of Intermediate shot putting continued untroubled, as only she and second placed Susan King bettered 11.20m, whilst Deborah Bushnell had little competition in

Angela Bridgeman winning the 400 title.

a discus contest which she sewed up by some three metres. The javelin was much closer, though, as Joanne Harding leap-frogged the four girls ahead of her this year, and notched a personal best of 42.42m. The title was her's last year, but then only she was over 40m. This time there were five.

Young Noelle Morrissey easily won the 75m Junior hurdle title last year, and she was back to take the honours again this time. As a preview to next season, when 80m becomes the norm for Juniors, this event was also contested. Well — second place was contested — Noelle again, for a very notable double.

Bury's Etta Kessehah got away first in the 100m and held a half-metre margin all the way, but was deprived her own double by a superb 200m run by Simone Jacobs. Carol Candlish was leading off the bend with Simone well out of it, but the former tied up badly, the latter came through with Etta, and it was left to the photograph to sort out the winner. Both girls clocked 25.03.

Tonia McCullough bade her rivals a fond farewell in the last quarter of the 800m, and, as at Kirkby, it was Donna Thomas and Phillipa Weaver-Smith who were left to sort out second. This time Donna got it, just. And Elise Lyon repeated her Schools' win over 1500m — her dominance is complete.

It was hardly suprising that Julia Charlton won the high jump contest with, for her, a very modest 1.70m, whilst Sally Gunnell, who has been doing sterling work for Essex Ladies in league matches this summer, just held off the long jump challenges of Carey Spiers and Clare Edwards.

The throws produced something of a form turn-round as Iona Doyley — leading the discus lists with 39.16m — took the shot title with a personal best 12.75m, yet dipped in her real speciality (with 38.30m) to Karen Pugh's improvement to 38.72m. Alison Hall improved her shot best to 12.68m for second with Gloria Achille (4th, 11.86m) was well down on her standard. Maxine Worsfold was true to form in

the javelin and, like Karen, added to her Schools' title.

PLEA: From Iain Robertson, 49 Killermont Road, Bearsden, Glasgow, G61 2JF.

Iain is Angela Bridgeman's coach and something of a photographer, but his camera failed him at Crystal Palace. He urgently requires photos of the race finish and medal presentation of the Intermediate 400m, and similar shots, but showing first 3 finishers of the 200m.

Can any photographer help him with proofs and prices (7"×5" preferred, though not essential).

Two More Big Mile Wins For Steve Ovett

THE UNQUENCHABLE Steve Ovett scored two more brilliant mile victories in the past week without threatening his own world figures of 3:48.8. The first occurred at the Van Damme Memorial meeting, watched by a 42,000 crowd in Brussels on August 22nd.

Ovett's record attempt, reports **Richard Hymans**, was hindered by an over-swift early pace and lack of close opposition. The Belgian hare led the field through the first quarter in 54.8 (Ovett 55.5). At the halfway point only Omer Khalifa and Rich Harris headed Steve (1:53.1 to 1:53.3). Khalifa soon fell back and Harris couldn't sustain the pace beyond 2½ laps, which left Steve out in front in the role he dislikes so much: of racing the clock by himself. Cruising through ¾M in 2:52.7 he still looked comfortable but without the incentive of close support was unable to produce his usual searing last half lap. Passing 1500m in 3:36.3 he finished in 3:51.6, 8m clear of John Walker and Steve Scott who were inseparable across the line in 3:52.7. Ray Flynn equalled his pb of 3:55.7 in 4th, while Sean Cahill ran his seasonal best of 3:59.5 in 12th place.

Result: 1, S. Ovett (UK) 3:51.6; 2 eq, J. Walker (NZ) & S. Scott (US) 3:52.7; 4, R. Flynn (RoI) 3:55.7; 5, H. Hudak (Ger) 3:56.3; 6, F. Bayi (Tan) 3:57.1; 7, V. Fontanella (Ita) 3:57.3; 8, C.

Masback (US) 3:58.7; 9, J. Gloden (Lux) 3:59.4; 10, S. Lacy (US) 3:59.5; 11, S. Cahill (UK) 3:59.5; 12, J-P. Paumen (Bel) 3:59.6; 13, P. Yakovlyev (USSR) 4:00.9; 14, V. Malozemlin (USSR) 4:05.0; 15, O. Khalifa (Sud) 4:05.9.

Three days later, writes **Mel Watman**, Ovett took his place in a glittering line-up for the third running of the IAAF Golden Mile, this year sponsored by Gillette, at Crystal Palace on Bank Holiday Monday. There were just two notable absentees: Jurgen Straub, whose invitation was turned down by the East German federation on the grounds that their season was at an end, and Seb Coe who revealed last week that the back trouble which has bothered him all season had been diagnosed as a slipped disc.

The distinctive Rich Harris, who has become the most sought after hare on the European circuit, shot in front and covered the first quarter in a nippy 55.7, followed by Craig Masback and Ovett (56.5). The second lap was very much slower but it became apparent that the 'big guns' were not interested in chasing records on this occasion and at 880y, reached by Harris in 1:56.2, the American was 10m clear of Filbert Bayi with Ovett 5th in 1:58.2, having taken a gentle 61.7 for that second quarter. As Harris dropped back, Bayi and Eamonn Coghlan took

up the running halfway through the third lap. The pace was still slow for the $\frac{3}{4}$ M mark was attained in 2:58.5 with Ovett nicely placed in 3rd at 2:58.8 (60.6 third quarter). Bayi and Coghlan fought out the lead along the back straight but they were overwhelmed when, practically simultaneously, Scott and Ovett accelerated with 200 to go. Ovett it was who secured the vital inside berth around the final bend and the American had no answer when Steve began to pull away in the finishing straight. Running no faster than strictly necessary for victory, Ovett covered the last 200 in 26.3, the ultimate 440y in 54.1 to score in 3:52.9 by a margin of 8/100ths of a second over Scott, with John Walker charging through to 3rd place an eyelash ahead of Thomas Wessinghage, with Pierre Deleze picking up another excellent Swiss record in 5th place. Steve Cram ran his usual capable race to register 3:55.8 but the third Briton in the field, Dave Moorcroft, suffered an offday and was never in contention. Interesting to note that Ovett's two fastest quarters added up to 1:50.6 for 880y, the two slowest to 2:02.3.

Result: 1, S. Ovett (UK) 3:52.84; 2, S. Scott (US) 3:52.92; 3, J. Walker (NZ) 3:53.19; 4, T. Wessinghage (Ger) 3:53.20; 5, P. Deleze (Swi) 3:53.55; 6, W. Waigwa (Ken) 3:54.70; 7, F. Bayi (Tan) 3:55.35; 8, S. Cram (UK) 3:55.71; 9, E. Coghlan (RoI) 3:55.74; 10, D. Moorcroft (UK) 4:01.71; 11, C. Masback (US) 4:02.90; 12, R. Harris (US) 4:13.05.

UK RECORDS BROKEN

Kath Binns set a UK 10,000m best of 32:57.2 at Sittard on August 15th; Brian Hooper vaulted 5.50m at Meadowbank on August 16th and 5.51 (equalling the all-comers record) at Crystal Palace four days later; and Mark Naylor matched his UK high jump figures of 2.24m at Crystal Palace on August 25th.

WORLD CHAMPIONS

Birgit Friedmann (Ger) won the 3000 (8:48.1) and Barbel Broschat (GDR) the 400 hurdles (54.55) in the IAAF World Championships at Sittard on August 16th. The events were a disaster for Britain: Wendy Smith dropped out during the 3000 and Chris Warden (57.26 semi) was disqualified in the hurdles final.

Don Macgregor won the World Veterans marathon title in Glasgow last Sunday in 2:19:23, with Lyn Billington first woman home in 3:03:26. The previous day the 10,000m road title went to Roger Robinson (NZ) in 31:09 with 'Taff' Davies 2nd in 31:52.
