Two-Man Ten Mile Relay

Leverhulme Park, Bolton, Dec. 1st.

A STAR studded race took place at Leverhulme Park on Dec. 1st when many of the North's leading clubs tried to set up new figures for the Two-Man, Ten Mile Relay. Derek Ibbotson and Tony Booth eventually came out on top as they did at Blackburn in August, but they were unable to get really near their earlier figures. This time, their final time of 42min. 51 sec. was fourth best this season, the first three for 1963 being:— Derek Ibbotson and Tony Booth 42:37.2 at Blackburn on August 28th; F. J. Maillardet and B. E. Boulton (Cambridge H.) 42:46.0 at Ladywell Park on October 27th; C. Robinson and R. Carter (Rochdale H.) 42:50.0 at Pilkington Sports Ground on September 14th. 1, Longwood H. (D. Ibbotson/A. Booth) 42.51; 2, Bolton U.H. (R. Hill/D. Vickers) 43.30; 3, Manchester & Dist. L. C. H. (B. Hall/D. Veals) 43.44; 4, Rochdale H. (R. Carter/R. Williams) 43.50; 5, Wallasey A.C. (R. Barlow/K. Mather) 44.11; 6, Manchester A.C. (S. Taylor/J. Vear) 44.33; 7, Longwood "B" (J. McGrow/M. Nunn) 44.38; 8, Wallasey "B" (B. Woolford/B. Charlton) 45.19; 9, Hallamshire H. (P. Keeling/J. Britland) 46.04; 10, Wigan (R. Wood/B. Lloyd) 47.33. The mile times of the winning pair were: 4.12, 4.17, 4.15, 4.16, 4.20, 4.20, 4.20, 4.21, 4.20, 4.16.

The 1963 contest closed on December, though performances may be submitted up to January 10th, 1964. The pair achieving the best

performance will be awarded the A.W. Trophy for 12 months and the first three pairs will receive prizes presented by "Athletics Weekly."

GOODWILL !

WITH another Christmas just upon us and a New Year ahead, may I, in wishing all our readers the best of seasonal greetings, also appeal to all to make the coming year of 1964 a great year for British Athletics.

I do not mean only athletically, but administratively as well. Let us remember, every one of us, that our sport, domestically at least, is run for the benefit of the athletes. There should be no time for the high horse, bickering or petty jealousies. Let us pull together, even if we have to admit that any alteration for the betterment of the athlete and athletics may not necessarily improve one's own lot or position. And a word to the athletes too—don't just turn your back on your old colleagues when you feel your day is done, but stay on in the sport, give the benefit of your experience and put back something for the many hours of pleasure and benefit you have derived from it in years past.

Remember Sam Ferris. From the great response we are having to our Appeal Fund it is obvious that such selfless work is appreciated and remembered. So let us all pull together and make 1964 a great year.

Having said this, let me wish you all a Merry Christmas and a really great festive season.

Today's main event is the Hog's Back Road Race with an entry of 412—yes, four hundred and twelve! Runners include Mel Batty, John and Dave Cooke, Buddy Edelen, Martin Hyman, Gerry North, Bob Roath, Mike Turner, Dave Ellis (Toronto) and many more. There are 44 teams including Belgrave, Birchfield, Mitcham, Poly, Portsmouth, Walton and the 1st Parachute Regt.

Guildford & Godalming A.C. Secretary, Dennis Jordan tells me that a collection will be taken at the race for the Sam Ferris Appeal Fund.

EDINBURGH HIGHLAND GAMES

Dear Sir,

Crump has done it again! Always adept at rushing to the defence of the Powers-that-be of British athletics when they are obviously in the wrong, he has once more stuck his neck out as a target for the choppers.

I am not of the opinion that "a stupid decision has been made", as Mr. Crump puts it; what I do say is that a static decision was made. Mr. Crump and his colleagues would need to have been pretty dull-witted to forget about the Edinburgh meeting when arranging the International fixture for the weekend of Aug. 14/15, since the same problem was only averted last year through very fortunate circumstances.

He says that for many years an athletics meeting has been organised two weeks after the August Bank Holiday; by the same token, Edinburgh H.G. have taken place on the third Saturday of August yearly since at least 1960. While it may not have the prior claim to the particular date in question, surely the fact that (a) it was Scotland's last remaining International meeting and (b) London sees International meetings and all the main home International Matches, could have been taken into consideration?

But no! The attitude is apparently, whether it be admitted or not, that a meeting "way up in the wilds" does not matter and if things are bad athletics-wise it's just hard cheese. As long as London and the south have the lion's share of good athletics, things are grand.

We up in Scotland are to be wildly joyful about seeing the English athletes not good enough to be at the White City, while London sees the international cracks. Small wonder the hordes in Scotland have turned to soccer!

Mr. Crump bemoans the fact that the Board and the Sponsors lost money by postponing the International meeting into the football season and then goes on to suggest that Edinburgh H.G. do the same thing in an area where the football season begins a week earlier than in England.

Also, the Edinburgh H.G. are supposed to be a curtain-raiser to the Festival, not an event in direct competition to it, which it ostensibly would be if held on the Monday.

As regards the vaunted letter of thanks from the Edinburgh H.G. promoter, surely this is only good manners on the part of any body or group who have had a service of any sort rendered? As such, it certainly should not be waved about as some sort of trump card.

This last point rather illustrates that Mr. Crump is clutching at straws to ward off what, I think, is justifiable criticism levelled at the Board and the Sponsors lost money by postponing.

It is one thing to make excuses; it is another for people to believe them.

Once again, I feel, Mr. Crump fails to impress.

Thanking you for your time and trouble, I remain,

Yours faithfully
Gordon L. Brown.

Dear Sir,

I was probably unwise to write to you on the subject of the clash of dates involving the Edinburgh Highland Games and I am possibly unwise to do so again.

However, I want to assure Mr. G. J. Smith that I certainly did not wish to convey the impression that letters criticising the British Amateur Athletic Board should not be published in "Athletics Weekly."

Indeed that was the implication drawn in your editorial note on my letter, and not my own contention. What I felt was lacking in responsibility on the part of both the original letter and you in printing it, was the use of the word "stupid" which surely is approaching the offensive.

I do not and did not object to the writer's name of the original letter being withheld, but this can lead to wrong impressions, for Mr. Smith should now be told that the writer was neither an active athlete nor an official. (This is an assumption on Mr. Crump's part, though he may well be right. Ed.)

However, it really does seem that officials avoid misunderstanding and misrepresentation if they do not reply to criticism in your columns, and that is the practice I shall adopt for the remainder of my short tenure of office. I do not comment upon Mr. Brookman's letter for I have not yet discovered its relevance.

Yours faithfully,
Jack C. G. Crump.

LAST WORDS ON BRISTOL—WESTON DISQUALIFICATIONS

Dear Sir,

I feel I must reply on behalf of my club to the letter of Mr. Rowles which positively distorts the facts of the "Norton Case" and his team's entry in the Bristol-Weston Relay. The true facts are laid out below and as confirmed by a copy of a letter sent to Bristol A.C. and

Westbury Harriers from the Midland Counties Hon. Secretary:—

1. The eligibility of R. Norton to run in the Bristol team was queried by Mr. Parks upon their team entry being received, the race being run under A.A.A. rules.

2. The Midland A.A.A. decided to discuss the case at their meeting on November 4th.

3. On the day of the actual race the Referee ruled that as there was some doubt he would allow Bristol to run R. Norton in their team on the understanding that should the subsequent meeting of the Midland Counties decide that Norton was ineligible, he would disqualify their team.

4. The decision of the Midland Counties, after consultation with Somerset and the Southern Counties secretaries, was received after the race by both clubs, clearly stating that R. Norton must wait the necessary 14 months before representing Bristol A.C. as a first claim member.

5. The result was that Bristol A.C. were duly disqualified.

May I say here that surely it is the duty of the club team manager or secretary to check that all members of their team are eligible under A.A.A. rules *before* submitting a team entry and not, as in this case, causing a lot of unpleasantness and giving the race secretary extra work with investigation.

With regard to the letter of Mr. Palmer, I would like to say that he is not as he states, "the team manager" of Westbury, but merely the junior team manager in charge of youth and boys' teams.

I would also like to mention that the majority of our members are quite happy with the present A.A.A. Laws and appreciate that the 20 miles residential radius is a safeguard against "poaching". It also safeguards the smaller clubs, which, after all, are the backbone of our organisation.

Yours sincerely,

J. E. Gamlin.

Hon. Secretary, Westbury H.

Correspondence on this subject must now be considered closed.—Ed.

TRIBUTE

Dear Sir,

Please find enclosed my contribution to the Sam Ferris fund.

I was first attracted to long distance running by Sam's reports in "A.W.", he made it sound so enjoyable!! Then, when I met Sam and received encouragement from him I realised what a great guy he was, and what a marvellous advertisement he was for the sport of road running.

This year I achieved a life-long ambition, to run for my country, and I think it is fair to say that without Sam's articles and reports

I may not even have started long distance running, let alone reached this ambition.

Good luck to Sam and his family in the future, and may he brighten the pages of "A.W." for years to come.

Yours sincerely,

Don Shelley

ELLIOTT v. SNELL

Dear Sir,

I can't understand all this argument. There have been lots of Olympic champions, lots of world mile record holders, but never an athlete who could not be beaten over 1 mile or 1,500 metres. Of course Elliott is greater than Snell, or anyone else.

Yours sincerely,

Peter Hildreth

BATTY WINS IN SPAIN

Mel Batty broke John Anderson's course record by three seconds in clocking 26:36.4 to win the Jean Bouin road race (over what is claimed to be 9,600m) in Barcelona on December 15th. Anderson, the 1961 winner, was 4th on this occasion in 27:03, with Jim Alder 9th. Second and third places went to Fernando Aguilar (Spain), last year's victor, in 26:56.2 and Eugene Allonsius (Belgium) in 27:02.3. Batty broke away near the halfway mark and went on to win in the icy conditions by over 100 yards.

CAMBRIDGE BEAT OXFORD 38-41

IN the closest contest for some years, Cambridge won the cross-country match against Oxford by the narrow margin of two points at Roehampton on December 7th.

In the early stages Oxford's packing seemed as though it might win the day but Statham fell soon after 2 miles had been covered and fell back. Cambridge had four in the first six and though all the Oxford scorers were in the first ten, this was not quite good enough.

Tim Johnston and Alistair Heron went into the lead soon after the start and just before half the distance Johnston opened up a gap which increased to 180 yards before the finish. 1, T. F. K. CHRISTIE C.C. RACE

At Weetwood, Leeds, Dec. 1st.

THE winning performance of Jackson (Liverpool) over a heavy course at Leeds was not unexpected but his team-mate Lea caused something of a surprise in taking second place. Jackson led throughout, but Quinlan of Leeds started slowly and after being at the rear of the field, came steadily through and only just failed to get up to second. With 6 in 13 Manchester pulled off a well merited team victory.

BOROUGH ROAD WIN OSTERLEY PARK RELAY

December 4th.

THE promoting college, Borough Road, won the Osterley Park 4 x 3 miles Road Relay for first time since its inception. This year there was a record entry of 20 teams from 14 colleges; owing to the building of a new motorway across the Park, the course had to be changed.

At the end of lap 1 St. Mary's were leading from Borough Road "B" and "A", and there was little change during the next two laps but the real excitement came on the final leg when D. M. Turner ran the fastest lap of 14.31 and Tim Johnston with 14.42 helped Trinity to finish second, 11 secs. behind the winners.

1963—A SUPERLATIVE SEASON

Part 2—The Girls

Track runner of the year (world): Sin Kim Dan (North Korea), whose 23.5 200m, 1:59.1 800m (world record) and 51.4 400m (world record) on three successive days constitutes one of the highwater marks in athletics history.

Track runner of the year (U.K.): Dorothy Hyman, unbeaten and ultra-consistent in all the sprint events. The wind finally blew in her favour on the late season tour and she returned home with European records of 11.3 for 100m and 23.2 for 200m.

Jumper of the year (world): Iolanda Balas (Rumania). Despite injury she remained unbeaten for the seventh year running (!) and her best mark of 6'2"/1.88 was easily the world's highest.

Jumper of the year (U.K.): Mary Rand, twice conqueror of long jump world record holder Tatyana Shchelkanova (USSR). Her best was a U.K. record of 21'13"/6.45.

Thrower of the year (world): Tamara Press (USSR), who raised the world discus record to 194'6 1/2"/59.29 and headed the shot list with 57'8 1/2"/17.59.

Thrower of the year (U.K.): Susan Platt, who threw the javelin 172'6"/52.58—over 14 feet ahead of the next best British performer.

All-rounder of the year (world): Mary Rand (GB). She twice increased her U.K. pentathlon record, was the world's leading long jump competitor, ran 80m hurdles in 10.8, equalled the world's best of 13.3 for 100m hurdles (but wind-assisted), sprinted 220y in 24.2, contributed to a world record in the 4x110y relay, and scored four victories in the match against West Germany.

THE athlete of the year (world): Sin Kim Dan.

THE athlete of the year (U.K.): Mary Rand.

Team of the year (world): Britain's sprint relay quartette of Mary Rand, Mary Rand, Daphne Arden and Dorothy Hyman. They set a world record of 45.2 for 4x110y and won against USA, West Germany, Netherlands and Russia.

Match of the year: The Russia v. Britain encounter in Volgograd, with the Russian girls scraping home by 6 points. It is salutary to note that Britain led 47-38 without taking into account the three throwing events.

Most improved athlete (world): The ubiquitous Sin Kim Dan, who slashed 0.9 second from her best pre-1963 time when clocking 23.5 for 200m.

Most improved athlete (U.K.): Susan Denner. From a best high jump last year of 5'2"/1.575 she rose to 5'5 1/2"/1.67 and was runner-up both in the WAAA Championships and the World University Games.

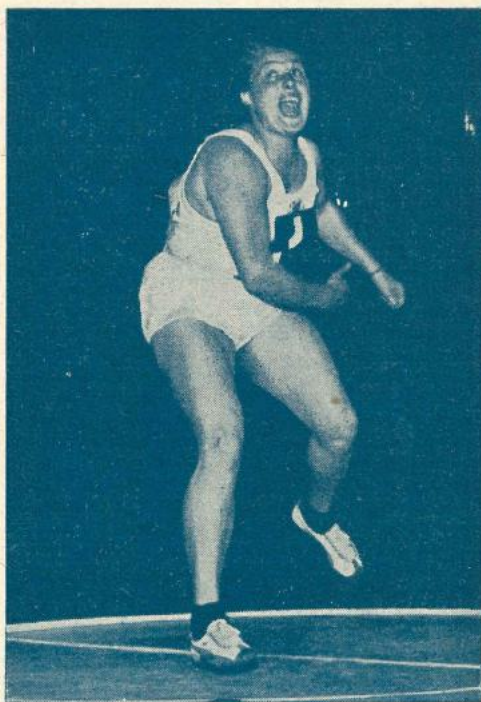

Most surprising athlete (world): Ann Packer (GB), who within three months of making her quarter-miling debut had piled up three 400m marks in the 53.3/53.4 category and had achieved victories over Europe's top two performers, Joy Grieveson (GB) and Maria Itkina (USSR).

Most precocious athlete (world): Abigail Hoffman (Canada) won the Pan-American 800m title, ran 2:09.9 for 880y and 55.6 for 440y at the age of 16.

Most precocious athlete (U.K.): Linda Knowles, who while still 16 high jumped 5'8 1/2"/1.73 indoors in Germany.

Most durable veteran (world): Dana Zatopkova (CSR), the 1952 Olympic champion, who threw the javelin 167'2 1/2"/50.96 at the age of 41.

Most durable veteran (U.K.): Dorothy Tyler, with a high jump best of 5'1"/1.55 and still winning Mitcham club titles at the age of 43.

Performance that gave most pleasure was winning two events in the 1959 USSR v. GB match in Moscow (80mH in 11.0, LJ at 20'2½"/6.15). Greatest disappointment was the Rome Olympic LJ. 1955—AAA junior 120yH champion. 1956—AAA junior 120yH champion. 1962—eliminated heat of European 400mH (1st international). Competed in 3 international match races for GB, scoring 6 out of possible 15 points.

Biggest disappointment was "athletics in the Army (1959-61)". Uncertain how long he will compete. Ambition for 1964 is to make the Olympic team; all-time goal: "to win each race". Likes the travel in athletics. View of administration: "Need of a younger administrative body".

Most likes "the challenge and the comradeship" of athletics; dislikes "small-mindedness". View of administration: "It is a shame that such a great sport which has so much to offer to both athlete and official should be bogged down by squabbles and inadequacy amongst many top officials".

Don Taylor

Full name: Donald Geoffrey Taylor. Born Grimsby (Lincs), 1.6.36; 5'10"/1.78, 132lb/60kg; 36" chest; 44-48 pulse at rest; youth leader; Herne Hill Harriers (2nd claim Grimsby H. and Highgate H.); coached by Alan Patchett (Grimsby) as youth and junior; to be married on December 21st; lives in London.

MARTIN HYMAN

Ed Lacey

1957—4:20.3, 14:20.0; 1958—4:14.7, 14:24.5; 1959—4:09.9, 14:11.8; 1960—4:12.1, 13:54.8; 1961—4:09.4, 13:44.2; 1962 (injured)—4:17.4, 14:05.0, 31:15.4; 1963—4:03.8, 13:27.4, 28:00.0.

Holder of U.K. 10,000m record. First international in 1963. Has raced in 3 matches for GB, winning 1, scoring 9 out of 15 points.

Performances that gave most pleasure were beating Bruce Tulloh in the Southern 3M and the U.K. 10,000m record this year. Greatest disappointment: "Vaccination fever in Russia and Hungary". Plans to compete "at least three years if leg injuries allow". 1964 target: "To beat 4 minutes for the mile, 13:15. 3 miles, Olympic gold medal 10,000m or 5,000m. This may sound conceited but I believe you must aim high or at least you will go further than with lower targets." All-time aim: "To go on improving."

Most likes "satisfaction and enjoyment of beating previous best times—and the sound of the bell." No dislikes. View of administration: "I have not been at international level long enough to comment on administration of international teams. I would add that an athletics team is the hardest sport team to handle because of different temperaments associated with the various events."

Mike Wiggs

Full name: Michael Edwin Wiggs. Born Rickmansworth (Herts), 25.4.38; 6'1"/1.85, 154lb/70kg; 38" chest; 38 (or under) pulse at rest when in best form; "occupation: athletics; pastime trainee sales representative"; Thames Valley Harriers and St. Albans City A.C.; advised by Woldemar Gerschler and Gordon Pirie; unmarried lives at Rickmansworth.

1960—2nd (1st U.K. finisher) AAA 1M; eliminated heat Olympic 1,500m (1st international). Competed in one international match race for GB, scoring 3 out of 5 points. Has achieved rare distinction of beating both Snell and Jazy over the mile.

Performance that gave most pleasure was "beating a fit Gordon Pirie in a sprint training run". Greatest disappointment was placing 5th in his Olympic 1,500m heat. Undecided as to how long he will compete. His 1964 target is to run one or two of the following distances at Tokyo: 1,500m, 5,000m, 10,000m. All-time goal is to set a world record.

What he likes best about athletics are "winning, races, travel, friends". Dislikes "being beaten, and chaperon on travel abroad". View of administration: "Well! Need I say more than what's been said before by others?"

REPORTS BERNIE CECINS

LITTLE Albert Thomas (28) approached to within a second of his former world record 2 miles time of 8:32.0 when he clocked 8:33.0 for the distance on a 404y track in Sydney on December 4th. He passed the mile mark in 4:15.5. Dave Power, who led for the next two laps, finished 2nd in a personal best of 8:37.2—not bad for a man of 35!

Ron Clarke continues to progress and he was responsible for two Australian records recently. Passing the mile mark in 4:11.8, he won a 2,000m race in Melbourne on November 28th in 5:09.2 from Tony Cook (5:13.0) and Trevor Vincent (5:20.2). Six days later in Melbourne he ran 3,000m in 8 minutes flat far ahead of Cook (8:17.0).

Trevor Vincent, fully recovered from an ankle injury, clocked his second best steeplechase time of 8:46.8 at the latter meet. The sensation here was Ian Blackwood (20), who sliced 14 seconds off his previous best to record 8:50.1.

November 23rd, Perth. Using a metal pole in place of his broken fibre-glass implement, Empire champion Trevor Bickle tied with AAA decathlon champion Jack Sumich . . . at 11'3"/3.43. Bickle, who is confident of clearing at least 15'6"/4.72 shortly, vaulted 13'7"/4.14 with a metal pole in March 1962 but obviously by now has lost this

individual match races for GB, winning 1, scoring 6 out of 10 points.

Performance that gave most pleasure was "beating John (Dad) Wrighton in 1960 inter-counties 440y final". Biggest disappointment was being injured in his semi-final at Perth. Target is "to run as fast as I can". Most likes "the good fun" in athletics; dislikes "not a thing". View of administration: "A good idea would be for a brewery to run it—free beer!"

Indoor "World Record" List

THE American indoor season bursts into action early in January, so now is an appropriate time to list the world indoor bests (there are no official records) for the most frequently contested events, together with the best on record by European and U.K. athletes.

Performances marked with an asterisk were made on a cinder surface.

The first day's programme was held in the Royal College of Science and Technology and consisted of a lecture and demonstration films. Outdoor sessions were held at Nethercraigs on the other two days when a full programme of exercises and demonstrations was held. A good response was most encouraging for the future.

It is expected that another Clinic will be held during January, when A.A.A. National Coach Tom McNab, a former Scottish triple jump champion, will be in charge.

EASY FOR HILLEN IN 'ROUND THE SHIRE' ROAD RACE

IN the absence of John Anderson, Ernie Pomfret and Jimmy Alder, John Hillen (Saltwell H.) had things all his own way in the inaugural 7½ Miles Road Race promoted by Bedlington Harriers and Bomarsund Welfare A.C.

Nevertheless, he set a warm pace from the outset and at 6 miles was 300 yards clear of his nearest opponent. He finished 50 secs. ahead of the next man to cross the line, R. Balding of Heaton.

No team could match the packing of the invaders from Leeds; after a moderate start their first three, K. Brierley, T. Carr and B. Lunn, progressed steadily through the field to finish 6th, 7th and 8th.

In the Youths' 2½ miles John Caine had another tussle with E. Box (Middlesbrough) but as at North Shields, the final stages showed the former's supremacy. The team race for Gateshead was a foregone conclusion but it was interesting to see South Shields turn the tables on Elswick, pipping them by one point.

John Trainor (Gateshead H.) had another easy win over team-mate B. Forster in the Boys' event and as in a previous race this season Gateshead took first team place. Houghton were second and must feel pleased at displacing Middlesbrough, who beat them at North Shields a fortnight previously.

SOUTH LONDON SCHOOLS' GIRLS' C.C. CHAMPIONSHIPS

At Priest Hill, December 6th

FOR the first time South London divided their annual championships into two age groups. In the race for Girls under 14 years Silverthorne proved far too strong for their opponents, packing 6 runners in the first 8 and winning by a margin of 48pts. In the race for Girls 14-16 years Silverthorne were again victorious but by a smaller margin of 6 points.

Many were disappointed that Diane McNamara of Brixton Day College was unfit to run, for this was the only race of the year when she and her close rival Rita Haines (the girl who beat her in the final race of last season) could have met, as, unlike the County and National organisations, South London determines its age grouping as on September 1st and not on the actual day of the race. Rita, a year Diane's junior, coasted home an easy winner in 11m. 10s. For the records all starters finished in both races.
