LARGE ENTRY & GOOD PERFORMANCES AT COSFORD

THIS month's meeting brought the largest entry yet, over 300, and it could be the last time the concrete track will be used, as the new 220 yards track is due to be assembled in time for the Midland Indoor Championships on February 27th.

As the entry grows, so the overall performances seem to improve. We had our first 6.4 60 yards of the season with Barrie Kelly, of Bury, just pipping Dave England (Small Heath) who recorded a personal best of 6.5. England went on to take the 300 yards in 32.9, and Kelly gained a double by winning the 100 in 10.2, England again running second.

The sensation of the meeting, however, was the fright Scotland's Mary Campbell (Birmingham Univ.) gave Mary Hodson (Bury) in the 600 yards. Running her first ever 600 yards, she took the lead soon after the start and only in the final straight could Hodson overhaul her. Hodson's time was 1:27.4 to Campbell's 1:27.8, putting the pair high on the all-time ratings. Mary Campbell went on to take the 300 yards in 38.3, beating the Midland 440 yards champion, Gloria Dourass, into the bargain. Maureen Tranter, who has only recently returned to training, showed how easy it is to run 11.2 for 100 yards, and equal Daphne Arden's U.K. best.

The only thing of note in the men's distance events was the running of Neil Duggan in the two miles, with a clocking of 8:59.8. The men's mile was so poor that the time of 4:29 was bettered by young Peter Stewart, one of Birchfield's up and coming middle distance runners, who recorded 4:27.8 in the Junior mile.

National L-B Relay Wanted

THERE is no doubt at all from the many letters we have received that the vast majority of clubs and their members want the National London to Brighton Relay to continue, even if it means doing away with the Southern race and substituting another qualifying event.

As I suggested last week, the only dissenting voice was from a club which looks at the prestige factor of "making" the Southern event, rather than the wider issue of whether or not we shall continue with the famous London to Brighton as it has been since its inception, a National race. It is possible to find a substitute for the Southern event, but to the vast majority there can be only one National event—the London to Brighton. To many, to put on any other event as the Blue Riband of road racing in this country is unthinkable. Let us hope that the "News of the World" can find some way of keeping this great race going.

Today's events include the South of Thames Championship at Bracknell with 34 teams, and a great race likely between Surrey A.C., Blackheath, Belgrave, Cambridge Hrs., Hercules, Reading and Windsor & Eton, and John Baldwin a likely individual winner; North of Thames Championship at Grange Farm; North Eastern C.C. Championships at Bedlington; Aldershot Open C.C. Races; Epsom and Ewell Open C.C. Races; University College (London) "5"; Cambridge University "B" v. Cambridgeshire; and Gwent C.C. League at A.A.S. Beachley.

Odds and Ends. Would John Parry please advise us of his present address, which has been mislaid. We received some postal orders sent from Halifax with post mark of January 7th, but there was no indication inside the letter as to the sender—would he or she please let us know who sent them and what they were for.

Nearly all write 'Keep the National Race'

Dear Sir,

It is with deep regret that I read of the "death" of the London-Brighton Relay. This is indeed tragic for road relay teams, as we looked on it almost as much as our National Cross-Country Championship.

Whilst I can see that increased costs from printing, etc., may have influenced the "News of the World" in this decision, I honestly think that expenses for this race could easily have been cut by 50%, i.e., hotel accommodation, meals, and certainly rail fares, etc. I am sure that many, if not all competing clubs would probably pay 50% travel expenses, if not all!

I am sending a copy of this letter to our great friend Ron Bacchus, in the hope that something may yet be done; we certainly should not lose this race without a fight. This is a "National" Championship as known throughout Britain, so let us try and keep it, even if it means moving to another area!

The only solution I see, if this race is definitely off, is for the "News of the World" to invite Northern and Midland Clubs to run in the "Southern," or vice versa, then at least Coventry, Derby, North Staffs, M/r & Dist., etc., will have the chance for a "go" at Portsmouth, Belgrave, etc.

Yours faithfully,

Terry Keily

Asst. Secretary, Derby & Cty. A.C.

Dear Sir,

One of the success stories of athletics in the last decade has been the rise of Bristol Athletic Club from obscurity to take a place among Britain's top cross-country and road running clubs.

Several factors have contributed—not least the lure of the London to Brighton. This was a famous race that we in the backwoods of Gloucestershire and Somerset read about when the weekly stage-coach from Chipping Sodbury to Farrington Gurney delivered the "A.W." But we knew that if we wanted to call ourselves a real running club this was the race we had to run in and one day win. Bristol did it the hard way by travelling all over the country for competition and finally to Blackpool to qualify. But the effort and expense was worth it! We were "In the National," and now we are established, the one race I can ensure a 100 per cent turn out of every runner on the books is the final club trial for the Brighton team.

There must be many other clubs that are similarly inspired and would want the "News of the World" to know that this race is a tremendous incentive to teams and individuals alike.

Yours sincerely,

Ron Rowles,

Team Manager, Bristol A.C.

Dear Sir,

The announcement that the "News of the World" is to discontinue the National Road Relay is a shock to all clubs and Athletics in general, and it is hoped that the "News of the World" will have a change of mind.

My club, Surrey A.C., under E. F. Vowles, first started the London to Brighton Relay in 1924. The following year it was taken over and sponsored by the "News of the World" and the top 20 clubs were invited to take part. After the War the race was changed to Regional and National Races.

One way out of it could be for each area Association to put on a Road Relay Championship, the leading teams according to area strength to compete in the National Road Relay sponsored by the "News of the World."

Yours sincerely,

Stan Belton,

Surrey A.C.

Dear Sir,

I must disagree with your opinion that the National London to Brighton is more important to clubs than the Southern event. Perhaps to the first six clubs in the Southern event—but what about the other fourteen?

It took me about six years to "indoctrinate" our club members that "making the Southern" was a "matter of prestige"—and another three years before we actually made it, in spite of placing higher in relays and cross-country races than many of the actual competing clubs in the race. It was some time before we managed to "make" the Leyton-Southend relay—and second, sixth, and first placings in consecutive years got us back into the Southern "Brighton."

Presumably our eleventh placing in this event would not qualify us for the National—yet we won both the Chelmsford and Bexhill road relays by substantial margins.

Surely the most democratic system would be one which allowed the largest number of club to take part—i.e. the retention of the

regional races—therefore if any race has to go, and let us hope and pray not, it should be the National. A while ago, correspondents were complaining of “monopolies” by the larger clubs—to me, rejection of the regional races implies that very word.

Yours sincerely,

Ron Holman,
Cambridge Harriers.

Dear Sir

The abandonment of the National London to Brighton Relay is quite unthinkable. It is quite understandable that the “News of the World,” who have done such wonderful work for amateur athletics over so many years, should now find it imperative to reduce their commitments in this direction.

Nevertheless, this is the very last race that should be abolished (other than the E.C.C.U. Championship of course). The first race to go should be the Southern “London to Brighton” together, if necessary, with a radical reduction in the expenses of the National race. The lavish banquet could possibly be abolished, for example.

The Southern race should then be replaced by a self-supporting road relay, organised by perhaps the Southern Counties C.C.A., with teams of 12 or 14 running legs of 2, 4 and 6 miles, all starting and finishing at the same point to give the effect of a pseudo static London to Brighton. At least thirty clubs should be allowed to enter one team each in this race, to be held on, say, the second Saturday every October, and the “News of the World” should then invite the first 8 to 12 teams to finish, according to the number of vacancies available, to compete in the “National” the following April. Richmond Park springs to mind as a possible venue, although it should be emphasized that this is a road run and the grass verges would be forbidden. Other places for suggested examination are Alperton, Ruislip, Wimbledon or Brighton itself.

The Brighton Road is becoming increasingly busy and no doubt abolition of one of the relays would assist the long suffering but ever helpful police. I think, therefore, that my suggestion has merit in several directions, not least if it saves us the embarrassment of abolishing the WRONG relay!

Yours sincerely,

Ronald A. Jewkes,
A.A.A. Hon Senior Coach,
Ealing Harriers.

Dear Sir,

I was shocked to read that the National Road Relay is to come to an end. I am sure that the runners would rather pay for their travelling, etc., than lose this very fine race and I hope that the “News of the World” can

be persuaded to change their decision.

I think costs could be cut if the race was perhaps held in the Midlands which would mean that the teams could travel to and from the race on the same day.

Yours sincerely,

D. Shelley
N. Staffs & Stone H.

Dear Editor,

Like everyone else I was shocked and disappointed to hear that the National London to Brighton Relay was to be discontinued.

I was also surprised to read that Ken Findling and Ron Bachus did not fully appreciate how much this race means to the clubs and in particular the athletes themselves.

Having been Athletics Secretary of Godiva Harriers since before the inception of this National race, I can assure them and the “News of the World,” that this event is regarded as the highlight of the season (and dare I say it) challenges the National Cross Country Championship in popularity.

It is not just the race itself, however, for I would say that it has provided the greatest shot in the arm to club athletics that I can remember.

Competition to get in a club team has to be seen to be believed and as soon as a youngster reaches the age of 18 he enquires if he has a chance of making the “Brighton” team. A word of encouragement and you have another dedicated athlete, intent on making your team of twelve.

I also say without fear of contradiction, that this race alone has played a tremendous part in the success of my own club and also in the careers of our top runners such as Basil Heatley and Brian Kilby.

On the question of cost, I would like to say how much our runners have always appreciated the generous help given by the “News of the World” towards expenses, for like themselves, the ever increasing costs (our coach fares have just risen 12%) is a challenge to theirs, and the club's pocket, and is becoming a big problem, particularly where a club is involved in a heavy racing programme.

In conclusion, I don't think it fair for a Midland Club to pass an opinion as to whether the Southern Race should be deleted, but sincerely hope that the “News of the World” will rescind their decision and continue to stage the “National” in its present form. I can assure them that they will be doing club athletes in this country a tremendous service.

Yours sincerely,

H. Lapworth,
Athletics Honorary Secretary,
Coventry Godiva Harriers.

Dear Sir,

Like all other Athletes, I have been most disturbed at the suggestion that the National

"Brighton" should be discontinued. It is sobering to realise that there is a limit even to the generosity of the "News of the World."

I am interested in your suggestion that the "Southern" Race be discontinued, not the National, and that an alternative event be devised. May I offer a few comments on this?

Firstly, any substitute race must be a "point to point" race, not a closed circuit relay with each competitor running the same lap. Secondly, there must be differences in the nature and length of the stages, and thirdly, it should have more than eight stages. Ten is a suitable, and indeed the logical number. A further point is that the race should not be held on a major trunk road, and should not cause traffic congestion.

The number of existing races filling this bill is very limited. The opportunities for any new race operating with limited sponsorship are almost nil. There are few suitable courses within each reach of London, starting from the Metropolis. Therefore, I would like to put forward as a candidate to replace the Southern Brighton, the ONLY existing race which fits every requirement. This is the JOHNSTON RELAY.

This race has ten stages and is 42 miles long. Though it starts and finishes at the same place,

it covers two laps of about 20 miles each, with stages varying between $3\frac{1}{4}$ and $6\frac{1}{4}$ miles, each of which has been chosen as far as possible to resemble stages on the Brighton course. Most of the roads are minor or unclassified and there is only one stage where any traffic congestion is possible. It is my belief that the sponsoring Club would be prepared to accept the honour of promoting this race, without subsidy, as a Southern Clubs' selection race for the National "Brighton" providing the entry was not restricted to 20 clubs.

I think that, if it is necessary for the "News of the World" to discontinue either the Southern or the National "Brighton," the Johnston Relay would be a fine substitute, bearing in mind that it was conceived as a race where Clubs who were just unable to gain Southern selection could race against their luckier fellows.

Yours sincerely,

M. S. Barber,
Benfleet.

DECATHLON

Dear Sir,

As Melvyn Watman so rightly points out (Trackwise, January 23rd), the fundamental fault in the present method of scoring for the

THE GREATEST ENGLISHMAN OF HIS TIME

A flashback to June, 1954 . . . Sir Winston Churchill, then aged 79, acts as starter for the Churches Trust Fund relay. The runners are — Gordon Pirie, Chris Brasher, Chris Chataway (later to become a Parliamentary colleague of Sir Winston) and Roger Bannister. Ernest Clynes, hon. secretary of the AAA, looks on.

H. W. Neale

decathlon lies in the inability of anyone, no matter how knowledgeable, to compare adequately a 1,500 metres performance with a discus throw or a long jump. However, this must surely be accepted as one of the occupational hazards of the event. I certainly do not feel that Gaston Meyer's suggestion of reducing the decathlon to a quadrathlon is any sort of solution. One might just as well substitute a 10-mile road run for a marathon. As for suggesting that no true-blue amateur can now spare the time for training properly in all 10 events, some would say this is equally true of any individual event in the track and field programme.

An alternative suggestion by Mr. J. Kersey that decathlon performances be scored in relation to the current world record is also, I feel, an impracticable one. It would only need an unexpected improvement such as, for instance, Terje Pedersen's javelin throw of last year, to throw competitors into a complete state of confusion regarding the value of this event in relation to the other nine. What happens if by any chance a field-events record is broken in the course of a decathlon? Admittedly this is unlikely to happen, but if it did, one would have the intolerable situation of performances set in the minutes preceding the record being judged by one criterion and performances set afterwards by another.

One system of scoring which I have considered for a long time as feasible is to award 100 (or 1,000) points for the best individual performance in each of the 10 events in a decathlon competition and percentages of that figure to all inferior marks. Thus a man who runs 100 metres in 10.0 seconds would receive 100 (or 1,000) points and the man who achieves 11.0 seconds 90 (or 900) points.

The drawback here, of course, is that no one decathlon event can then be fairly compared with another, but already we have the situation where wind-assistance in three events, or even pacing in the 1,500 metres, can unduly favour one record-breaking performance to the detriment of another.

Yours sincerely,
Bob Phillips.

Dear Sir,

Your comment on Mr. Berry's letter (A.W. Jan. 23rd) raises a point which I feel should be emphasised for a number of reasons.

The money available to—and international success in—a sport is partly in direct proportion to its popularity with the 'general public.' This popularity is due not *only* to any inherent quality in the sport itself, but also to its public relations and ability to promote itself from within its ranks.

Cross Country Runners and Athletes tend to be too introverted, and to accept too willingly the general lack of popularity of their sport

(excepting the Olympic Games, of course). The coverage devoted in the National Press, Radio and T.V. to our sport is pitifully small compared with, say, football, in which even fourth division games are on occasion fully covered. Of course gambling (pools, etc.) stimulate a lot of interest, but if Athletes were to form a Pressure Group, and write *en masse* to both their daily press and the broadcasting organisations before important events (Cross Country Internationals are frequently ignored) and again afterwards, thanking or complaining as the case may be, perhaps we can gain better coverage for Athletics and thus a greater status for the sport with the concomitant benefits.

"Athletics Weekly" and the A.A.A. Club could act as a stimulus in this by keeping readers and members reminded of major events and encouraging them to write.

Yours faithfully

Rolf Clayton.

Irish Notes

IRISH JUNIOR C.C. CHAMPIONSHIP

The Championships were held under wretched conditions at Phoenix Park, Dublin on January 16th. The individual title was won in convincing style by Junior International Paul Lavelle (Crusaders) who was some 40 yards down on P. Boylan of the Civil Service with 2 of the 6 miles remaining. With 300 yards to go Lavelle drew up to Boylan and then spurred ahead to win by four seconds. Crusaders won the team title from Clonliffe after a two year lapse.

1. P. Lavelle (Crusaders)	33.10				
2. P. Boylan (Civil Service)	33.14				
3. T. Hopkins (Donore)	33.50				
4. E. Phillips (Crus)	34.18; 5. G. Nolan (Crus)	34.24; 6. O. Rafferty (Clonliffe)	34.31; 7. P. Byrne (CS)	35.04; 8. J. McCormack (Avondale)	35.20.

Teams:	Pts.
1. Crusaders	(1, 4, 5, 9, 26, 32) 77
2. Clonliffe	(6, 10, 12, 13, 17, 24) 82
3. Donore	(3, 11, 14, 16, 21, 25) 90
4. Avondale	102; 5. Civil Service 137.

Welsh Notes

OWING to some confusion with teams and individuals in the presenting of NOS GALAN vests, one or two individuals received two vests and some none. If the individuals concerned would return or write for their vests to NOS GALAN ORGANISER, MOUNTAIN ASH, he will sort the matter out forthwith.

Today, 30th, the Gwent Cross Country League hold events for Boys, Youths, Juniors and Seniors, at the Army Apprentices School, Beachley, Chepstow, Mon.

Thanks to some generous help by the Welsh A.A.A., the Welsh C.C.A. have been able to go ahead with plans for their annual Prize Draw, and other activities. This may well prove the association's saving grace for 1965, but a lot remains to be done before the Welsh team sets out for Ostend in March.

Swansea Harriers have cancelled their road relay this year, and hope to replace the event next year with a revival of the Mumbles 5 miles road race.

Mr. Arthur E. Williams, President of the A.A.A. is being supported by Lynn Davies in sending appeal letters for funds for the Merthyr Mawr Training Centre. The centre needs £1,000 in addition to the Government grant Aid promised and the financial help being given by the Welsh A.A.A. The appeal will need the co-operation of all Welsh athletes, and officials if it is to succeed.

WELSH AAA BEAT RAF 79-63

Indoors at St. Athan, January 3rd

THE outstanding performance of the day was a 7.0 60 yards mark by Elizabeth Gill, of Barry Harriers. This time has only been

bettered by Daphne Arden among British sprinters, with her 6.9 mark in 1962. The three watches on Gill all gave 7.0.

All track events of 300 yards and up were held on the new 190 yard concrete track in the Stone Gymnasium, while the 60y races and jumps were on boards (no spikes) in the wooden gymnasium. The shot was off a concrete circle with leather-covered shots.

English Successes Abroad

PORTSMOUTH Athletic Club did England proud at Arlon (Belgium) last Sunday by romping away with the European club cross-country championship. The club's packing could hardly have been better: John Cooke won the race, Bruce Tulloh was 2nd, Dave Cooke was 4th, Martin Hyman was 5th and non-scorer John Lindsell was 11th. Portsmouth's score of 12 points was the lowest in the championship's history.

Team result: 1, Portsmouth (England) 12 pts.; 2, Union St. Gilloise (Belgium) 26; 3, K.S.V.H. (W. Germany) 55.

Individual result: 1, J. Cooke 27.59; 2, B. Tulloh 28.54; 3, L. Moreels (USG) 28.30; 4, D. Cooke 28.31; 5, M. Hyman 28.51; 6, A. Vandendriessche (USG).

A Portsmouth "B" team won an open race the same afternoon—John Reynolds finishing 6th, Frank Salvat 10th and Ron Shergold 13th. Individual winner Gaston Roelants covered the course in 26.26—over 1½ minutes faster than John Cooke's time in the other race!

Mel Batty resumed his winning ways, following the inter-county reverse, by smashing all opposition at Elgoibar (Spain) last Sunday. He allowed Ron Hill to set the pace and stormed away in the closing stages to win by nearly half a minute.

Result: 1, M. Batty 27:24.2; 2, R. Hill 27:52.2; 3, I. Corcueira (Spain) 27:58.3.

Another ECCU team competed at Mezidon (France) last Sunday. **Result:** 1, Y. Martinage (Fra) 26.40; 2, Ernie Pomfret 26.46; 3, G. Caillet (Fra) 26.55; . . . 9, Brian Kilby 27.14; . . . 15, Mike Barratt 27.42; . . . 20, John McGrow 27.42.

The previous week-end, Gerry North was the first British runner to finish in the "La Voix du Nord" race at Lille. **Result:** 1, E. Allonsius (Bel) 29:51.5; 2, M. Dalkilic (Turk) 30.04; 3, Rault (Fra) 30.09; 4, North 30.16; 5, M. Bernard (Fra) 30.20; 6, Gauthier (Fra) 30.31; 7, Tom O'Riordan (Ire) 30.34; 8, Derek Graham (Ire) 30.38 . . . 29, Derek Ibbotson . . . 54, Geoff North.

At the end of one lap in the Inter-County Championship, Mel Batty sets the pace with No. 84 Dom Keily, the eventual winner Tim Johnston, and No. 158 John Cooke in close attendance, and Dave Gibson leading the next bunch.

WELL JUDGED WIN IN HULL "10"

BY TERRY ROOKE

January 16th

THIS Hull Harriers' promotion attracted a record entry of 115 runners and 79 of the 95 starters finished a course which varied slightly from that of previous years to avoid traffic complications.

The stiff westerly wind hitting the competitors on the outward 5 miles meant hard going up the long steady climb to Swanlands Village but the downhill return with a following wind gave the runners all the assistance they needed. T. Rooke (Middlesboro), M. Hague (Rotherham), M. Childe (Leeds AC) and S. Dobson (Harehills) gradually opened up a gap from the rest of the field and 14 seconds covered all four at the close with Rooke, a former Northern Counties Marathon Champion, running on to win a well judged race. Another former Marathon Champion, E. L. Smith of the Harehills, made an excellent return to top company with a good performance which won him the sealed handicap.

Rotherham, packing strongly, carried off the team race with Leeds Harehills second and Hull Harriers third.

1. T. Rooke (Middlesboro)	51.50
2. M. Hague (Rotherham)	52.00

DISCUS

JAVELIN

PENTATHLON

Three of Britain's most illustrious sprinters can be seen in this photo of the 100y at the GB v. Commonwealth match in 1958. Heather Young (left) wins in 10.8 from June Paul (10.8) . . . with Dorothy Hyman (centre) fifth in 11.0. Betty Cuthbert was third, hidden by June.

Ed Lacey

ONE of the most popular features ever published in "Athletics Weekly" has been the "Who's Who in British Athletics" series which, between November 1963 and August 1964, provided facts and figures about 128 prominent athletes. The series is being revived next week — but before then let's see how those 128 athletes fared last season in relation to their stated targets . . .

Fred Alsop: Targets were 25'6"/7.77 LJ and 54'0"/16.46 TJ—in fact he accomplished 25'4 1/2"/7.74 and 54'0"/16.46(!); **John Anderson:** Olympic gold medal—injuries ruined his season and he did not make the team; **Hugh Barrow:** To get fit again after leg injuries—this he did late in the season with a 4:06.8 mile in September; **Mel Batty:** 13:15 for 3M, 13:45 for 5000m, 27:30 for 6M and sub-2:20 marathon—clocked 13:41.6, 14:11.0, 28:26.0 and 2:21:30, but did set 10M world record in April; **Geoff Beales:** 25'0"/7.62 plus in LJ—jumped 23'0 1/4"/7.03; **Mike Berisford:** To beat 3:59.2 for mile—no recorded marks; **Bob Birrell:** To recapture 1961 (14.0) form—clocked 14.3 for 4th place on UK 120yH list; **John Boulter:** Medal at Tokyo—narrowly failed to reach 800m final; **Tim Briault:** Olympic team—unsuccessful; **Robbie Brightwell:** Olympic medal—won a silver in the 4 x 400m.

Tom Bryan: Olympic team—unsuccessful; **Mike Bullivant:** Olympic team—successful; **Trevor Burton:** To go a lot higher than previously (14'4"/4.37)—vaulted 15'0"/4.57; **Men-zies Campbell:** All-time goals of 9.6 100y, 21.0 220y and 47.0 440y—clocked 9.7, 20.9 200m and 48.0 400m; **Alan Carter:** 61'0"/18.59 SP—best of 58'4 1/4"/17.78; **Chris Carter:** Olympic team—successful; **Len Carter:** Olympic team—unsuccessful; **Dave Chapman:** Olympic team—unsuccessful; **Dave Cooke:** 13:24 3M—clocked 13:38.4; **John Cooke:** Continue improving—

WHO DI

improved over 3M and 6M from 13:31.6 and 29:36.0 to 13:29.6 (& 13:52.4 5000m) and 28:47.0.

John Cooper: Olympic gold medal—"unsuccessful" although he did gain two silvers; **Lynn Davies:** 26'4"/8.02 "which should place me in the final six in Tokyo" (all-time goal to win an Olympic medal in 1968)—achieved latter target four years ahead of time by winning with 26'5 1/4"/8.07; **Neill Duggan:** Olympic team—unsuccessful; **John Dutton:** Exceed 200' 0"/60.96—threw hammer 185'2 1/4"/56.45; **Buddy Edelen:** Make USA Olympic team—successful; **Crawford Fairbrother:** Jump higher than ever—cleared 6'9 1/2"/2.07, 1/4" higher than ever before; **Mike Fleet:** Olympic 800m final and first Surrey title—failed to make team and 2nd in Surrey 880y; **Roy Fowler:** Olympic team—injured all season; **Bob Frith:** Make full British team—successful; **Norman Futter:** Olympic team—unsuccessful.

Ron Gomez: Olympic team and UK 6M record—unsuccessful on both counts; **Derek Graham:** Big improvement in mile and 3M times (all-time goal to reach world class)—improved from 13:52.8 to 13:18.4 in 3M and thereby reached world class; **Tim Graham:** Sub-47 440y and sub-1:50 880y—clocked 46.0 for 400m and 1:50.2 for 880y; **John Greasley:** 280'0"/85.34 JT—threw 239'5 1/4"/72.99; **Brian Hall:** Selection for International cross-country championship — unsuccessful; **Tony Harris:** Break 4 minutes for mile and reach Olympic 800m final—clocked 4:01.0 mile and failed to make Olympic team; **Maurice Herriott:** Olym-

In the finishing straight with less than 200 yards to go Tim Johnston has started his final effort and Mel Batty cannot respond. Johnston goes on to repeat his success of 1963 in the Inter-County Championship.

Briefly . . .

★ The first All-African Games are scheduled for Brazzaville from July 18th to 25th. About 30 countries are expected to take part.

★ Commonwealth champion Seraphino Antao has retired from sprinting but will continue as a quarter-miler and high hurdler (he clocked 14.3 in 1960) with the 1966 Games in mind.

★ Times in the Cuba 20km road run—Popov 1:06:08, Haslam 1:07:35.

★ Billy Mills is to race at 10,000m on June 4th in Los Angeles . . . and invitations have gone out to Mohamed Gammoudi, Ron Clarke and Gerry Lindgren.

★ *Track & Field News* reports that Bruce Kidd recently underwent a successful operation for the removal of a spur-like mass of scar tissue from his left heel. He is expected to undergo further surgery soon to correct pulled tendons in both ankles. The foot and ankle trouble has caused the Canadian star pain in competition during the last two years and forced him to run on the sides of his feet.

U.S.A. INDOOR NEWS

"I WAS lucky to finish the mile, the shape I'm in," gasped Billy Mills after his thrilling mile victory over Alan Simpson in San Francisco on January 9th. "Boy, am I out of shape," he added. "I've lost a lot since the Olympics." The 10,000m champion, who led from the gun, was 10 yards ahead at the start of the gun-lap (160y to go) and held on to score by a couple of feet from Britain's top miler in 4:08.1. Said Simpson: "I was trying to keep pace with Weisiger, because I knew he was in good shape. I was waiting for him and I wound up letting Billy get just a little too far ahead."

Gerry Lindgren led for much of the way in the 2 miles but, hindered by a heavy chest cold, he was left standing on the last lap by steeplechaser George Young. Schoolboy Mike Ryan (not to be confused with Jim Ryan) clocked a fine 9:05.1 in 3rd place. Another schoolboy to do well was Paul Wilson, pole vault winner at 15'8"/4.77.

The Australian girls Judy Amooore and Pam Kilborn, each a bronze medallist at Tokyo, accounted for two world's bests. Judy clocked 55.8 for the quarter to slice no less than 1.7 sec. from Abby Hoffman's mark and 0.7 sec. from the 400m standard shared by West Germany's Helga Henning and Margret Buscher. Despite a poor start, Pam was timed in 6.4 for 50y hurdles to tie Tammy Davis' best on record. Neither girl had raced on boards before.

INDOOR SPRINT MARK

Vitaliy Kunaryev, a 26-year-old Leningrad teacher, covered 100m in 10.3 at Leningrad on January 17th for a new indoor world's best. The previous mark of 10.4 was shared by Anatoliy Mikhailov and Edvin Ozolin. At this meet, Mikhailov won the 110m hurdles in 14.1.

Olympic silver medallist Wolfgang Reinhardt set a German indoor pole vault record of 16'3"/4.95 in West Berlin on January 16th. Other results—50m: Davenport (USA) 5.6 (0.1 sec. outside world's best), Schroter 5.8, Holdorf 5.8; 50mH: Davenport 6.6, Winter 7.0; **HJ:** Spielvogel 6'9 $\frac{1}{4}$ "/2.06 (6'11 $\frac{1}{4}$ "/2.11 on 4th trial).

CLEAN SWEEP BY BRITISH RUNNERS

British runners finished first, second and third in the 1500m at the famous Sugar Bowl outdoor meet at New Orleans on December 29th. Bill Cornell won in 3:53.4, just ahead of Jim Ewing and Jim McLatchie. In the 5000m (one lap short) Eddie Watt placed third behind John Camien and George Scott (Australia).

The outstanding athlete award went to Olympic reserve, Theron Lewis, winner of the 400m in 46.9. Significantly, Lewis is a Negro, and this was the first time the meet has been open

to coloured competitors. Other results included a 10.5 100m by Dick Stebbins and a 14.2 high hurdles by Roger Morgan. Because of the AAU-NCAA dispute, only college athletes took part.

Lewis won again at the Orange Bowl meet (Miami, January 1st), clocking 47.1 for 440y. Other results—100y: George Anderson 9.5; 300y: Grady Smith 30.0, Anderson 30.1; **SP:** Randy Matson 62'10 $\frac{1}{4}$ "/19.17.

DISTRICT CHAMPIONSHIPS

Midland District Champs., at Strathleven Estate, January 16th. As expected Ian McCafferty (Motherwell YM) won the Senior/Junior 6 miles event in fine style covering a very heavy course in 30.32. At the half-distance he led by about 75 yards from A. H. Brown (M'well), A. P. Brown (M'well) and J. L. Stewart (Vale of Leven) who were all close together. Over the second circuit McCafferty forged ahead to win by 40 secs. from Andy Brown. Motherwell won the team race with 67 to Victoria Park's 78.

In the Youths 3 miles Eddie Knox (Springburn) continued on his winning way with a comfortable victory in 15.38, beating R. Anderson of Cambuslang by some 250 yards with Springburn taking the team title. The Boys 1½ miles event went to T. Paterson (Shettleston) who won by about 40 yards in 8.52 with his club taking the team event.

S.A.A.A. NEWS

The S.A.A.A. General Committee have decided not to appoint a National Coach at present as they wish to make a fuller study of the financial aspect.

Pending the approval of the Eastern District Committee the National Championships will again be staged at New Meadowbank on June 25/26.

The Decathlon and Marathon Championships will be held at Westerlands on June 11/12. The combining of these two events is a new venture.

The Senior 4 x 110y and 4 x 440y Relays will be run at Goldenacre in conjunction with the Schoolboys' Championships, while the One Mile Medley Relay will be at Shetts H.G. The Junior Relays will go on at Cowal H.G. on August 28th.

It was decided to leave the Emergency Committee to consider whether or not to revive the 7 mile walk and 10 mile track championships.

Tentative arrangements have been made for matches v. The N.C.A.A.A. at Blackpool on September 4th and with the Army on July 31st in Scotland.

The time of 7.7 for 75 yards, set up at Musselburgh Sports on July 21st last year by J. Gribben (Shettleston) has been passed as equalling the All-Comers' record.

Muirkirk A.A.C. and Perth Railway A.A.C. have been admitted to Membership.

Race Walking

by L. W. Woodcock

UNUSUAL Australian Event: The Northern

Territory is often regarded as an undeveloped remote area. It has a white population of 30,000, of whom 13,500 reside in and around Darwin so that an entry of 350 for a single walking event in the town shows that the sport is as popular there as in other parts of the World. A 60 miles relay walk was introduced in 1961 and the entry has grown each year. The local Organiser, Jim Wadsworth, says that they are now tackling the problem of raising the standard of the walking. With the help of the leading Australian Judge and National Coach, Frank McGuire (who is on the IAAF Panel of International Judges) and the old Victorian Champion, Frank Scully, they are making a start by forming a panel of Judges and one or two walking Clubs. One of the leading Australian walkers, Jim Gleeson, (Victoria), travelled over 4,000 miles to take part in this year's promotion, and this fact illustrates what a problem travelling is for sport in some other countries.

The event is unusual. First, instead of the teams carrying the usual relay batons, they carry BOOMERANGS and each Club must provide its own. The rules for this event are based on the rules of cricket, with each five miles lap representing an over or series of overs and the walker representing the bowler. Thus, if the Captain feels his team is lagging behind at any point of the race he can bring in his fastest five miler in an attempt to bridge the gap. Each team comprises seven walkers and the event starts at 6.30 a.m. Captains of teams may nominate one walker to walk five miles, ten or even sixty miles, but Boomerangs cannot be handed over to team-mates between the five miles posts. A walker may take part in more than one 5 mile lap, and captains have complete control regarding the change of walkers. Because the disqualification of a walker will put his Club out of the race, such decisions are rare. The record for this event is held by an Army Team with 11hrs. 11mins., and Glen Lawrie (South Australia) holds the record for the fastest lap with 46m.00s set up in 1962. All the walkers must keep to the right hand side of the road throughout.

There is a Women's Section and the Women's Royal Australian Air Force are the holders, and the fastest lap was recorded by Angela Lyons (Y.C.W.) with 59m.15s. There is also a Junior Section.

More Club Results: For the second Saturday in succession activity in the London Area was confined to Club events. At Banstead, the London Vidarians WC 10 Miles Championship

was easily won by D. Hopkins. This venue is being used by the Vidarians because of building work now being carried out at their Mitcham Headquarters. At nearby Wimbledon Belgrave Harriers held their 10 miles Club Championship and Junior 5 Miles Championship. The Senior event was won by Olympic walker, Eric Hall, who confirmed his recent good form by winning in the good time of 77m.19s. The Junior Championship went to C. B. Capener with a time of 45m.20s. At Highgate an Inter-Club 7 miles was won by the Enfield walker, Ken Easlea, but he was closely followed by the young Highgate police walker, Chris Trimming. Highgate's Club Championship was held in conjunction and the title went to Trimming. At South Croydon an Inter-Club 10 Miles between Surrey WC and Southend AC was held over an experimental course. This course is likely to be used for the Surrey County Championship next month. Traffic conditions in the Croydon area make this the second change to be announced by the Surrey Club.

The 1965 100 Miles: Details of the 1965 Open 100 Miles Walk have just been announced. This event will be held from the Police quarters at Chigwell, Essex, starting at 3.0 p.m. on Friday, 8th October. All the local arrangements will be in the capable hands of the Metro Police A.A. Walking Section and Supt. F. James and fuller details will be announced later.

To-day's Events: Leicester WC 10 Miles Championship, Stock Exchange A.C. 7 Miles Championship, Woodford Green Inter-Club 10 Miles at Chigwell. Interested parties in the case of the Woodford Inter-Club match are asked to note that the Club is compelled to change the venue from their usual Woodford course because of road-works at Woodford, and the match will be from the Police quarters at Chigwell.

HALIFAX & DISTRICT C.C.A. CHAMPIONSHIPS

THESE Championships were held on January 23rd over a bleak, moorland course at Roils Head where parts of the course, over 1,000ft. above sea level, were snow covered. With his fellow Longwood junior, John McGrow, at Mezidon, Tony Booth went up from the juniors to strengthen his club's senior ranks and helped to ensure their success with a winning run, finishing 500 yards ahead of Terry Bentley (Halifax). Derek Ibbotson, running "only for fun", surprised even his club-mates by finishing third.

John Waterhouse, runner-up last year in the junior race, went one better this time after a "ding dong" tussle with Helliwell (Halifax). Only two teams closed in, with Bingley easy winners.

David Atkin was never in danger of losing the youths' race and repeated his success of last year. After the first lap of 1½ miles he had built up such a long lead that the second lap seemed only a formality. Bradford Grammar School packed in well to take the team race. Longwood made a clean sweep of the boys' event with the first three home.
