## UK Athletes Abroad

### PETER STEWART 3:39.3

PETER STEWART missed his own UK 1500m record by only 0.3 when finishing third in 3:39.3 at the Helsinki World Games on July 1st. Pekka Vasala won in a Finnish record of 3:38.6 from Kip Keino (3:39.2), who a few days earlier had set an 800m personal best of 1:47.0. Behind Stewart came the Americans Tom Von Ruden (3:39.7) and John Mason (3:40.6) with Ian Stewart 11th in 3:46.2. Alan Pascoe clocked one of his best times, 13.8, in winning the high hurdles from Bo Fossander (13.9). It was a particularly fine effort as Pascoe was repeatedly struck on the shoulder, accidentally, by the Swede's left arm as they took the barriers. Pascoe earlier ran 13.9 in a heat. Other British placings:—(June 30th). 5000m: 1, Wadoux (France) 13:30.4; 2, Keino 13:30.8; 3, Korica (Yug) 13:31.2 . . . 5, IAN McCAFFERTY 13:58.8. (July 1st). 10,000m: 1, Korica 28:16.6 . . . 7, DAVE HINDLEY 29:03.8. JT: 1, Nemeth (Hungary) 83.74/274'9" . . . 7, DAVE TRAVIS 78.20/256'7".

### BRENDAN FOSTER 3:39.4

Brendan Foster produced a personal best 1500m of 3:39.4 in Milan on July 1st. This placed him fourth in a very classy race won by Marty Liquori in 3:36.0 ahead of National records by Italy's Francesco Arese (3:36.3) and Sweden's Ulf Hogberg (3:37.3). John Kirkbride made a significant advance in his speed by clocking 1:48.1 for 800m for third in a race won by Mark Winzenried (US) in 1:47.8. Other British placings:—400mH: 1, JOHN SHERWOOD 51.1; 2, Hennige (WG) 51.1. HT: 3, BARRY WILLIAMS 64.36/211'2". Women's 100m: 3, LIZ JOHNS 11.7. 1500: 1, Tittel (WG) 4:21.5; 2, JOAN ALLISON 4:22.5.

### MIKE BULL BACK IN BUSINESS

While Mike Bryant and Brian Hooper have been busy improving their personal bests nothing has been heard of Mike Bull during his stay in California. Now comes exciting news from the UK record holder.

Writing from Los Angeles, Mike told *Athletics Weekly*: "On June 26th at UCLA I made 16'6" (5.03) in a competition (started at 4.90/16'1"), with Jon Vaughn second at 16'1". I didn't try 17 feet due to my hand getting ripped on the pole (nothing serious). This is my first jump of the season, though earlier I failed to open at the Modesto Relays. I have been changing technique with Coach Tellez, who thought I was ready for 17ft on the 26th. This change has necessitated my missing most competitions but has been worthwhile—or will be if I get it right. So many new concepts. Will be back for GB v France."

### SHEILA SHERWOOD NEAR 22 FEET

Two British athletes scored victories in Prague on June 30th. Sheila Sherwood long jumped a great 6.69/21'11½" for second place on this year's world list, a mark only 4cm short of her best, and Pete Browne won the 800m in 1:49.1. Andrea Lynch was 4th in the 100m (11.7; personal best) and 6th in the 200m (24.9).

Graham Gower ran 14.4 for the high hurdles into a 2.4m/sec wind at Leipzig on June 16th, placing 4th in a race won by Frank Siebeck (EG) in 13.8. Gower equalled his best of 14.3 in a heat.

During Hercules Wimbledon's 5 club match at Wimbledon Park this Saturday, there will be a full range of Youths and Boys events. Guest competitors very welcome.

# Thames Valley March On

**T**HAMES VALLEY HARRIERS continued their defence of the Division One championship by winning the second round meeting at Meadowbank, although some inspired performances by members of the home club kept Edinburgh Southern neck and neck with the Valley in the early stages.

Craig Douglas starred for ESH, winning both the 800 and 1500 'A' string races within 75 minutes, and recording his fastest times of the year in both. In the shorter race he outsprinted pace setting Peter Stewart in 1:50.2. Stewart himself, just back from Helsinki, clipped a tenth off his personal best with 1:50.8 but was edged out of second place by Sale's Tony Settle, whose 1:50.7 is a UK age 17 record and the fastest by a junior this year.

Ian Stewart continued his fight back to top form with a 13:57.0 5000m victory, his strongest opposition coming from a rejuvenated Fergus Murray. Ian Matthews collected maximum points for TVH in the 100 and 200, and Len Walters took the 400 in 47.3, his fastest this year.

Steve Chappell and Dave Lease equalled the National League pole vault record of 4.40/14'5½", where Edinburgh's failure to score a point in the 'B' string event, together with a similar situation in the high jump, meant Birchfield just nipped them for second place overall. That's what this National League is all about, though.

Berwyn Price easily handled the challenge of Alan Murray in the high hurdles with a legal 14.4 but the Scotsman had the upper hand in the 400m hurdles 'B' race despite a fast finish from Price.

Over-riding the actual performances was the vociferous and genuinely enthusiastic encouragement the athletes received from their supporters, underlining the interest the League is stimulating.

## National League (Division 2)

At Liverpool, July 3rd

## Brighton Always In Control

**B**RIGHTON AND HOVE continued what looks like being their inevitable march back to Division One in an exciting match at Kirkby Stadium. They were always in control, never being headed at any time with a team that despite their long journey north looked to have no real weaknesses.

Behind them the now accustomed battle royal took place for the other positions, with Wolverhampton and Bilston taking the runner-up spot from Liverpool after a late burst. Spare a small, wry smile for Southampton and Eastleigh, though, who through their coach driver losing his way travelled to Liverpool via Sheffield!

On a track made heavy by early morning rain there were a number of excellent performances and none more so than that of Dave Scharer who powered his way round the 400 to beat Jim Aukett and Mike Gilbert in a rapid 47.6. In the 800 Chris Carter scored another good win when he put in a devastating finishing burst to beat Phil Lewis.

Wolverhampton dominated the relays and their 4x400 squad of Lewis, Griffiths, Banthorpe and Aukett looked particularly impressive, although it was Mike Gilbert of Liverpool who recorded the fastest split of 47.2 in a desperate effort to bring his club into 2nd place.

Dave Travis did a good job for his club in the field events, scoring valuable points in all the throws. In the javelin he needed only one throw, a casual 76.72/251'8", to come out on top.

Not to be outdone, Robert Bruynooghe picked up equally vital points for Liverpool, winning the high jump and the 'B' discus—an unusual combination. But as always it was that fight for points by everyone taking part that really made the afternoon.

## National League (Division 3)

At Reading, July 3rd

## Revenge Obtained By Polytechnic

**P**OLYTECHNIC HARRIERS were determined to avenge their defeat by Reading A.C. in the first league meeting. This they duly achieved, as they scored a resounding victory, to take over the leadership of Division 3 with a higher total points score. Poly lost 12 points when Colin Campbell pulled up with Achilles tendon trouble in the back-straight of the 1500 metres while pulling away from Tony Ashton of the host club who was left the clear winner.

There was a scintillating battle in the High Hurdles between Alan Pascoe and Graham Gower. Pascoe hit the second hurdle and could not catch Gower until the final flight, to win by perhaps a foot. The race was run back down the home straight to take advantage of the wind, but this was almost a direct cross wind during the event. Pascoe was on the inside lane which was somewhat cut up, while Gower should soon reach the European championships qualifying time of 14.1 as he equalled his personal best of 14.3.

Ron McAndrew set a new National League record in the steeplechase with a magnificent "solo" run of 8:41.8, just outside his personal best. Reading's other Steeplechasers also performed notably as Dick Piotrowski came in second to McAndrew to win the "B" string event, and Gerry Stevens showed what a good club man he is by competing in the 400 metres hurdles and Javelin as well as winning the "B" 1500 metres with a 58 last lap.

In the 5000 metres Adrian Weatherhead, normally known as a pace setter, tracked Roger Clark, who had come from behind to win the Midland championships, all the way before producing a burst mid-way through the final lap to which Clark had no answer.

John Watts scored a double in the Shot and Discus; In the latter he had the fine series of 53.84/N/50.00/54.38/54.34/53.56. Other high spots in the field were Ken Holmes' win in the Javelin with a throw of 69.00/226'4", close to his best, and David Bayes' clear cut Hammer victory.

Geoff Smith was an invaluable point scorer for Poly, winning 28 individual points as well running the second leg on Poly's winning Sprint Relay team.

At the halfway stage then, in this Division, Polytechnic Harriers and Reading have drawn well clear for the promotion slots but a battle royal is ensured between the other four clubs, with Notts AC arriving late and thus losing a few points.

## National League (Division 4)

At Swansea, July 3rd

## Outstanding Sprinting By John Williams

SWANSEA HARRIERS and City of Stoke AC continued to forge ahead in Division Four, as they finished again in that order in the season's second fixture at the University track, Swansea. Scoring well throughout, and particularly in the shorter events, where John Williams' sprinting was quite outstanding, the home club seem promotion certainties at the half-way stage, with Stoke looking well set to join them.

There is a rare old tussle going on below these two, with only two points covering the remaining four clubs in the Division. At Swansea, Blackburn Harriers were nearer to full strength and scored accordingly—their captain, Northern decathlon champion Barry Sanderson, having a fair share in this as he mopped up 44 points in the field events. Achilles scored in every event by dint of some judicious doubling and trebling, and London AC and Bellahouston—for whom Hamish Robertson appeared in seven events—buckled to and fared commendably well, despite having to field much depleted teams.

The match was once again marked by good weather and presentation, and a fine spirit of friendly rivalry which is making this Division a most pleasant one to be in.

**WAAA 4 x 800 & Pentathlon****At Birmingham University, July 3rd**

# A Famous Victory For Clonliffe

**L**AST year a Clonliffe Harriers team of Pdraigin O'Dwyer, Jean O'Neill, Anne O'Brien and Claire Walsh placed second in the WAAA 4 x 400m, setting in the process an RoI record of 3:45.8. This year, with Jean Appleby replacing O'Dwyer, the club snatched a famous victory over 4 x 800m. Gloria O'Leary, Angela Toms and Joyce Smith gave Barnet a slight advantage over Clonliffe at the last change. Margaret Beacham still held a slender lead about 40m from the finish but couldn't withstand a nicely timed kick from 53.7 400m performer Claire Walsh, whose split of 2:04.9 (estimated) was the fastest of the race. The Clonliffe time of 8:48.8 was, of course, an RoI record and is only 1 sec. outside the European and world club best of 8:47.8 by S. C. Neubrandenburg (GDR) junior team of Edda and Elke Klatte, Regina Donner and Elfi Rost last year. Mrs. Walsh and Mrs. O'Neill are sisters, incidentally! Barnet took 8.2 off the UK club best they set last year.

The senior pentathlon field was rather depleted by the top three being absent, and it was surprising—as well as depressing—that there were not more than six starters. Janet Honour (winner in 1967) and Judy Vernon were hoping—in view of the excellent weather—to hit 4600. But neither produced a long jump effort which would have almost ensured this. For Mrs. Vernon, it was a traumatic experience as her third effort was an agonising foul of over 6m. Her competitive grit after this was tremendous as she ran 200m in 24.3 (0.4 faster than her previous best) to beat Sharon Colyear—wind was +1.5 m/s—and then 100mH in 14.3 to edge Mrs. Honour. Despite her light weight she managed another best of 9.35/30'8½" in the shot and went into the high jump 24 pts ahead of Janet.

Under the aegis of Tom McNab she had converted to 'Fosbury Flop' this season and showed immediate improvement (1.59 in the Surrey pentathlon), so it was perhaps no surprise that she made 1.64/5'4½" (failing at 1.66) and ended up with 4544. Janet proceeded to straddle 1.69/5'6½" for victory, but none of her attempts at 1.73, which would have given her two European qualifying standards for the price of one, were very close. Nnenna Njoku improved her UK age 16 best yet again with Sharon Colyear also showing a further advance, but the real eye-opener was Gladys Taylor, who added 276 to her 1970 best. This included a nice 1.60/5'3" clearance and with obvious room for hurdling improvement she could be over 4500 next season.

## ALL IRELAND SCHOOLS CHAMPIONSHIPS

At Santry, Dublin, June 5th

**T**HE star of this year's meeting was undoubtedly 18-year-old Brian Hanna from Campbell College, Belfast, who had two record breaking victories in the long jump and 110m hurdles. With a brisk breeze at his back, Brian moved beautifully between the hurdles to clock 14.5, while he rounded off some consistent long jumping with a leap of 7.06/23'2" which must surely place him high among UK juniors this year.

Dublin's middle distance prospect Eamonn Coghlan scored a fine double in the 1500m and 5000m and the big surprise here was that Greg Hannon, who had run a great solo 5000m in 14:54 the week before, was unable to push his rival any harder. Best performance among the girls came from intermediate Jean Appleby, who raised quite a few eyebrows with a powerful display of running to win the 800m in 2:12.7.

**RUTH MARTIN-JONES contd from page 13**

the foot getting stronger and more mobile all the time. My physio found less ligament, etc., damage than he had expected and seems quite pleased with the progress.

"I'm not to start running at all just yet—simply walking and lots of exercises. I still have a certain amount of pain but nothing like when the leg first came out of plaster. I almost wished then they would put it back on again!

"Anyway, I'm still very hopeful but am having to be patient. It's been so frustrating these last few weeks having to stand around watching, and seeing July 24th (when the team for Helsinki will be picked) getting nearer and nearer. It's going to be a battle but it's still possible."

Ruth, it will be recalled, was all set for a score well in excess of the European qualifying mark of 4600 when she came to grief during the high jump. So far, two British girls have reached that standard: Ann Wilson and Moira Walls, both of whom might go for the long jump instead in Helsinki where it will not be possible to compete in both events. There is indeed hope still for Ruth and I am sure all readers will wish her well in her plucky bid.

Maureen Tranter would appreciate if any "AW" reader could provide the Wolverhampton Police with any information leading to the recovery of her blue A35 van, ODA 489E, which was stolen on June 21st.

**AMAZING DISPLAY BY ANDY CARTER**

Andy Carter (Stretford) shrugged off months of injury when, during the Northern League Division 1 meeting at Stretford last Saturday, he became the equal third fastest British 800m runner of all time. Andy led from start to finish, covering the first lap in 51.3 and the second in 55.3 for a magnificent time of 1:46.6. Only Chris Carter (1:46.3) and John Boulter (1:46.5) have bettered this time, while Derek Johnson has also run 1:46.6.

As though that were not enough for one day he followed this with a 1500m win in 3:46.9 and finished with a 48.2 400m relay leg! **Kevin Bell**

Andy Carter's great running has come at just the right time for, at the top level, British 800m running has a somewhat depleted look at the moment. John Davies recently underwent operations in Sweden on his left heel and will not compete internationally again this season, Martin Winbolt Lewis is out too with an apparent recurrence of glandular fever, and last Saturday Colin Campbell compromised his future plans with a suspected stress fracture.

This year the Women's Cross-Country and Race Walking Association celebrates its '21st' and one of the events planned to mark this is an informal lunch immediately before the AGM, which this year is to be held in London on September 19th. Anyone wishing to attend the lunch should inform Mr. E. Davis, 67 South Park Grove, New Malden, Surrey (Tel: 01-949 1742) as soon as possible, so that definite booking can be made.

# The Best Inter-Area Pentathlon Yet

**T**HANKS to the brilliant organising abilities of Derek and Sue Hayward, the first inter-area pentathlon to be held in Shropshire was probably the best yet, with rapid distribution of results and informative announcing the principal features. In addition, not one, but two, wind gauges were available for use!

The competition, in very windy and showery conditions, was extremely interesting from both team and individual viewpoints. It soon became apparent that a below-strength Southern team would do well to salvage second place and that, barring accidents, there was the prospect of an intriguing contest between Sharon Colyear (22.4.55) and Nnenna Njoku (18.3.55), fresh from their exploits at Blackburn the previous day. The latter had a 50 point advantage in the long jump, but trailed her younger rival by 120 after the 200m. The margin remained the same after 100mH but clear superiority in the shot (132 pts) took Nnenna into a slender lead. A rather modest high jump of 1.46/4'9½" secured victory for her, as Sharon failed this height, having cleared 1.43/4'8½". Both broke new ground, however (previous bests: Njoku 4209, Colyear 4098), and ably backed

up by Angela D'Arcy and Dorothy Shirley, led the Northern team to a comfortable win. Linda Robinson, Maureen Tranter and Sylvia Rampton also set personal bests.

## the choice of champions

**Scottish Championships****At Meadowbank, June 25th/26th****JENKINS SHOWS PACE AND POWER**

**C**ONDITIONS for the Scottish Championships, sponsored this year by Davis and Timmins Ltd., were the worst for a number of years and but for the all-weather track and adequate shelter available might well have been abandoned on the Saturday when torrential rain showers made things impossible for field officials and competitors alike. As it was, a ten minute halt had to be called near the end of the proceedings when a particularly severe storm swept the arena.

There were, however, several noteworthy performances and not surprisingly the brilliant Dave Jenkins figured prominently. On the Friday he demonstrated his pace and power when he left his challengers well behind in his 200 and 400m heats and in both instances set new championship best performances. In the 200 he clipped 0.3 off his own 200 mark with 21.2, and in the 400 his 46.8 took 0.8 off Ricky Taylor's figures. His winning final runs were equally convincing although his 47.0 in the 400 was disappointing after reaching the 200 mark in an estimated 21.3.

Les Piggott retained his 100m title with an impressive burst of speed (at 29, this man improves with age), Ross Billson looked very good in the 800m, Lachie Stewart ran with wisdom and authority during heavy rain in the 10,000m to get inside the European qualifying standard (as did Jim Alder), and Ian McCafferty appeared to be running into his best form in taking the 5000m after Adrian Weatherhead had looked like creating a surprise. Jim Brown, only 18 distinguished himself by taking third place in 14:03.4.

The poor marathon men had to contend with the worst of the weather from start to finish and for ten of the 29 starters to attain the standard was highly commendable. Pat MacLagan, always well in reach of the leaders, put in a strong finish to gain his first title in the event. Full marks too to 40-year-old Bill Stoddart in taking second place.

It was not a day for high jumpers, pole vaulters and hurdlers but Dave Wilson, recovered from injury, scored a fine double in the 110m hurdles and high jump, equalling the championship best of 14.6 in a heat of the former, and Gordon Rule gained his first pole vault title in beating his mentor, Dave Stevenson.

Star performance in the women's events came from Rosemary Stirling, who ran a forceful first lap in 61.2 in winning the 800m in a brisk 2:05.1, with Mary Speedman a good second. A strong English contingent captured several of the titles, with Margaret Critchley, Brenda Bedford and American-born Judy Vernon scoring doubles. Helen Golden showed her best running of the season to date and appears to be getting nearer her true form in time for the more important events ahead.

## LESLEY KIERNAN STARS

AS usual this meeting provided an excellent appetiser for the English Schools' Championships, and was greatly enhanced by Peter O'Brien's lively announcing. The star turn came from Havering's Lesley Kiernan (13), who ran the most casual 2:13.8 800m I've ever seen, passing 200 in 30.0, 400 in 64.5 and 600 in 1:38.9 leading every step of the way, pulling Ruth Chettleburgh and Sue Pearce through to fast times behind her. Similarly, Lesley Cobden had an easy passage in the Intermediate event as she disposed of Gillian Adams's challenge in a determined manner. Jonathan Barnes, young brother of former ESAA Champion Liz, was a runaway winner of the 3000m in 8:55.2, and young Simon Green (15) exhibited rocket-like acceleration in the 100m. Ken Spencer and Trevor Marsden set personal bests as they duelled each other in the Intermediate 1500, and Reg Hopkins was over 1.80/5' 11" again in the high jump. Three hurdlers who impressed were Everette Thomas, breezing to a 14.0 win over the 3' 0" obstacles; Sue Mapstone, who won the Junior event easily a day after long jumping 5.80/19' 0 $\frac{1}{4}$ "w at Harlow, and Helen Key, winner over a classy Intermediate field in a snappy 11.7. Perhaps the best Intermediate Girls event, though, was the 400, where Cathy Scott held onto her six metre lead coming out of the second bend and won in a personal best of 57.8 from Sue and Elaine King. Wendy Chapman and Patrick Robinson triumphed over strong opposition

in their Javelin events, Pat beating 55 metres for the first time, and Julie Roberts had a narrow but decisive long jump win over Lorna Boothe.

# Rita Just Misses Mile Record

**R**ITA RIDLEY'S immediate reaction to her mile time of 4:37.4 in the British Milers' Club special race at Meadowbank last Saturday was to want another similar race as soon as possible. Her time was just six tenths shy of the world record, set by Mia Gommers in 1969 and at which she had been aiming. What made the narrow failure all the more frustrating was the fact that she had had to wait two years for a suitable opportunity to attack the record. Rita's last actual mile race was that same "Mile of the Century" at Leicester in which she made a gallant but unavailing attempt to stay with the Dutch girl's pace.

With Rita now a more mature and experienced competitor, and having run a 1500m time equivalent to a 4:35 mile just three weeks ago, plus the fact that she had just returned from 11 days altitude training in St. Moritz, the stage seemed set for a very fast time. It was Gillian Tivey who led through the first quarter in 69.8 which, although slightly below average record pace, was just what Rita wanted. However when she moved into the lead at 500m and began to draw away from the field, her pace judgement faltered and instead of the 68 sec lap she had planned, it slumped to 71 sec. ("I felt really great during the race, but I think training at altitude, working hard for slow times, completely threw my judgement. I thought I was running a 68").

The third lap, 69.6, saw Rita pulling further ahead of Tivey, Chris Haskett and Angela Lovell, who were running together. At the bell (3:30.4)

Rita needed to muster a 66.3 to break the world record, but found the lack of competition at this vital stage the difference between success and failure. She ran 67.0 for a final time of 4:37.4—the third fastest women's mile in history. Only Gommers and Anne Smith (4:37.0 in 1967, the UK record) have ever gone faster. In fact, Rita's time was erroneously announced as having been amended to 4:37.0, equalling Anne Smith's record, and she left Edinburgh believing that she had at least gained some compensation. Alas, it was short lived, as the track referee later confirmed the time as 4:37.4. At least it was a Scottish all-comers' record. Behind Rita, Lovell improved to 4:46.4, and Chris Haskett broke Margaret MacSherry's Scottish best with 4:49.4.

In other women's invitation events held during the National League meeting, Jannette Roscoe had a strenuous afternoon, winning the 400 in 54.5, a 200 in 24.9, then narrowly losing to a fresh Helen Golden in a second 200 in 24.3. Helen's Edinburgh clubmate Sandra Sutherland, in only the second 400m of her career, surprised with her third place in 55.8.

# Over 2000 Entries For English Schools Championships at Crystal Palace

**S**PECTATORS at the 41st English Schools Championships at Crystal Palace this weekend can expect to see the usual feast of top class schools athletics at the most slickly organised meeting held anywhere in the world. The ESAA proudly announce that they have an entry this year of 2,129 competitors—more than took part in last July's Commonwealth Games.—There should be desperately exciting clashes in almost every final, and here are some of the scheduled highlights:—

**Senior Boys:** In the 100m, Robert Munns bids for his second successive ESAA sprint title, and faces Keith Howlett, Andy Hyde, Colin Lambert, Mick Marshall and Mervyn Potter as his stiffest challengers, Tony Hadley clashes with Tony Gershuny, Stephen Clydesdale, James Moyes and MacDonald Blackman, the title-holder, in the 200m. Peter Beaven, fighting injury, is down to defend his title in the 400m, and should have little trouble provided he is in shape. The 800m promises to be a thriller with Tony Settle ranged against Peter Carton, John Barrow, Desmond Coneys, Philip Dunn, Tim Balmer, Neil Coupland, Terry Colton and David O'Donnell. Intermediate winner David Glassborow runs in the senior 1500 against Charles Spedding, Steve Lawrence, Ian Davidson and Nigel Gates and will be bidding to crack Jim Ryun's world age-16 mark of 3:49.7, and in the 5000m Julian Goater defends against Tony Staynings, John Davies (who has decided against the steeplechase in favour of this event), Alwyn Dewhurst, Vince Rollason, Peter Francis, Steven Barr, Keith Iliffe and Nick Jeffrey. In the high hurdles, Junior International Peter Kelly will be out on his own, but interesting entries include high jumper Chris Youngs and Midlands Conrad Mainwaring, and Steve James. The 2000m Steeplechase should throw up a struggle between John Ovenden, Neil Saunders, Ian Kilpatrick, Neil Foster, Andrew James and Steve Galloway.

In the high jump Colin Boreham, Paul Hambley and Royston Hunte do battle, but perhaps the most enthralling event will be the pole vault, where Brian Hooper defends his title a day before competing in his first senior international against France at Portsmouth. He competes against old friends Alan Williams, Girish Patel, Steve Clark, Chris Hyde, John Parkinson and Richard Jennings; and his biggest test should come from Williams, ready for 4.60m (15'1"). Jerry Gangadeen long jumps against Charles Hart, Ian Anderson and Ian Hardie on the same day. The triple jump competition promises to be fierce with such talented individuals as Rodney Heward-Mills defending against Richard Philps, Bill Novak, John Slaney, David Johnson, Sam Wedderburn, Chris Lewis and Bob Sibley. John Corbett, Malcolm Cashmore, Bill Curley and Bill

Quarshie are down for the shot and John Turton and Guy Dirkin are scheduled to renew their rivalry in the discus, though the Northern boy is still recovering from Glandular fever. This event also includes Andy Markowski, Mike Orchel, Paul Orchart and Nicholas Cofalka. Eric Berry, Stan Douglas and Robert Rutherford should all figure prominently in the hammer.

**Intermediate Boys:** David Artley, who has clocked 21.9 this year, runs in the 200m and will take some holding though perhaps the closest race will come in the 800 where the line up includes Roger Newton, Graham Side, Tom Quinn, Neville Price and Peter Gronland. Andrew Barnett will be out to beat his English Schools "jinx" in the 1500, where he meets up with Richard Green, Richard Callan, Paul Williams, Trevor Marsden and Paul Clayman. Interesting entry here is Tim Butt, the Southern Youth 800m champion, who could just beat them all. Kevin Steere lines up for the brand new Intermediate 3000m event, and hopes to make the UK age-16 record (8:26.6) his own property, probably by adopting his usual lead-all-the-way tactics. In the hurdles, Everette Thomas goes against Paul Kennedy and Bill Ribbons. The high jump should be enthralling here, as the London pair of Reg Hopkins and Mike Edwards meet up with Andrew Nursey, Keith Parkin and 1.90/6'3" man Chris Wilson of Notts. Steven Archer looks to be out on his own in the shot, and the javelin brings together Southern victor John Trower against Pat Robinson, Neville Wade, David Ottley and Stefan Jalowiecki.

**Senior Girls:** Andrea Lynch has chosen to go for 200m this time leaving her 100m title to be fought out between Janet Stroud, Jean Rowell, Ruth Morris, Julie Jay, and Sue Knight. In the 200, Andrea clashes with Rona Livingston, Gladys Taylor and Jill and Joan Wicks. In the 400m, Dawn Webster will be seeking to dethrone Maria Oldall with Elaine Saunders also in the hunt; and in the 800 Pat Bagley faces opposition in the shapes of Sandra Marquis, Penny Fowler, Maureen Crates, Elizabeth Connors, Margaret Grainger, Janet Dalton, Janet Down and Ann Dunn. Jackie Elsmore starts a cast-iron favourite in the discus, against Janet Thompson and Jackie Keeble, and in the javelin Sharon Corbett should win over Jose Champion.

**Intermediate Girls:** Much of the potential will be found here, in some very loaded events. Unfortunately, Sharon Colyear and Sonia Lannaman will not clash as they run in the 200 and 100m respectively. The 400 is an interesting event, bringing together Cathy Scott, Sue King, Barbara Rudnicki, Jill Spiers and Elaine King, but as usual the big action looks likely to occur in the 800, where we have Margaret Cope, Lesley Cob-

den, Mary Stewart, Jill Poynor, Gillian Adams, Lesley Hone, Christine Tranter, Pam Davis and Helen Campbell—making it a very open race indeed. The impressive Helen Key starts in the hurdles against Jenny Richardson and Lynn Chantrey; whilst in the high jump Ann Wetherall defends against Ann Hull, Penny Dimmock, Gillian Lansdown and Denise Brown. The long jump should be between Julie Roberts and Lorna Boothe, whilst the javelin brings together Janeen Williams, Wendy Chapman, Lesley Rice, Lynn Carter, Jackie Pridmore and Anne Goodlad.

Gillian Spurgin is down to defend her 200m Junior Girls title, but the best event here threatens to be the 800 where Christina Boxer, Carol Petitjean, Kay Kosbab, Anna Sonner, Ruth Chettleburgh, Janet Lawrence and Regina Joyce will be attempting to stay with world age record holder Lesley Kiernan (13). Favourite in the Junior 75mH is Sue Mapstone, though she is quite capable of also winning the long jump. Stephen Greaves runs in the Junior Boys 1500 although he set a World age-13 "record" over 800 here two weeks ago, and he should clash with Martin Wilson and David Purcell.

# FRENCH WILL OFFER SEVERE TEST

Exciting clashes in prospect at Portsmouth this weekend

THE men's three-a-side match between Britain and France at Alexandra Park, Portsmouth, this Friday and Saturday (July 9th/10th) promises to be an outstanding athletic occasion on at least three counts: as a straight match (with France the favourites), for a number of fascinating individual clashes, and as an indication of how several European medal contenders are shaping up for the task ahead.

Every event will be of particular interest. Take the discus, for example. Neither country possesses a thrower of world class but each of the six men usually throws around the 54-55 metre mark and this should be some competition. On a higher level there is the 1500m, where Olympic finalist Jackie Boxberger—despite a personal best last week of 3:40.6—is the slowest man in the field! Jean Wadoux, European record holder, will be running, together with Jean-Pierre Dufresne, who surprisingly beat him (3:38.9 to 3:40.6) last weekend.

In the hope that he has recovered from a slight injury sustained recently, Jean-Claude Nallet will command much attention for he takes on Dave Jenkins in the 400m flat and John Sherwood over the hurdles. Another notable hurdles race should come in the highs, between Guy Drut and British skipper Alan Pascoe. Michel Bernard (39), who made his first appearance against Britain 16 years ago, runs the 5000m.

Star attraction in the field events will be the long jump, whether or not Jack Pani (who has said he will not compete) is persuaded to come over. Alan Lerwill, a native of Portsmouth, takes on Lynn Davies with every intention of becoming the first Briton since 1963 to beat him.

The most eagerly awaited event of all, though, is the 10,000m which incorporates the AAA championship. Dave Bedford races the distance for the first time this year and his 5000m results suggest he is ready to become the only man other than Ron Clarke to break 28 minutes. The first three Britons to finish will be invited to compete in the European Championships.

Here are the teams for the match, with each athlete's 1971 best mark.

## WALKING

## DISAPPOINTING FIELD FOR NATIONAL 10KM

FROM 19 entries there was a disappointingly small field of eight for the AAA 10,000m walk at Leicester on July 3rd—depressing enough, without it being a major championship. In sticky, humid conditions all competitors found the latter stages a tough and tiring trial. Phil Embleton led all the way, going through 3,200 in 13:59.0, although the last 3km saw him slackening pace and losing a little ground to Carl Lawton. The tall Belgravian, besides setting a personal best, gained the Fowler-Dixon style award. Alan Smallwood was a clear third, over a lap clear of the rest, whilst Brian Laver confirmed his number 1 Junior status by easily defeating the Bromsgrove duo, Dallow and Meredith. 1, P. Embleton (Met. WC) 45:26.2; 2, C. Lawton (Bel) 46:31.4; 3, A. Smallwood (Halesowen) 48:04.6; 4, O. Flynn (Basildon) 50:33.8; 5, B. Laver (Ex. B) 51:07.4; 6, M. Harcombe (Bristol) 51:45.6; 7, P. Dallow (Broms) 52:16.6; 8, P. Meredith (Broms) 53:03.8.

**Dobson nearly 13 min. clear in Birmingham Outer Circle 25M, at Birmingham, July 3rd.** In the sunny, hot conditions that had everybody struggling at times, Bob Dobson, in his race debut, proved to everybody that he will be flat out to retain his National 50km title at Redditch. Dropping Paddy Rice at 4M he did not see another rival, winning by nearly 13 mins. from that great prospect, Howard Timms. Dick Woodward just held Roy Posner for third. Hugh Neilson benefitted from his 23 hours of effort in the Surrey '100' a week previously to come up and win the handicap. Surrey WC were clear team winners from Royal Sutton Coldfield. 1, R. Dobson (Basildon) 3:38.52; 2, H. Timms (Sy. WC) 3:51.31; 3, R. Woodward (RSC) 4:01.34; 4, R. Posner (B'ham WC) 4:01.46; 5, P. Rice (RSC) 4:03.37; 6, A. Parker (B'ham WC) 4:06.50; 7, R. Lancefield (Sy. WC) 4:10.27; 8, P. Maidment (Lon. Vid) 4:12.35; 9, P. Selby (Sy. WC) 4:16.23; 10, K. Read (Sy. WC) 4:22.45. **Teams:** 1, Surrey WC; 2, Royal Sutton Coldfield; 3, Birmingham WC.

**Shaul Ladany for Hastings and Brighton?** Last year's surprise "Brighton" winner, Shaul Ladany, hopes to come across to defend his title and take in the Hastings to Brighton as a "warm up". With the strong possibility of Paul Nihill and Ray Middleton as well as French 50 and 100km champion Guy Bailly, in the "Brighton" line up, it should be some race! Dates to remember are—Hastings-Brighton: August 14th; London-Brighton; September 4th.

**Canadian 20km and Pan-Am Trial, at Toronto, June 30th.** 1, F. Johnson 97.23; 2, F. Capella 98.31.

**Laird defies injury in National 10km for 100th (!) AAU gold medal, at Chicago, May 29th.** Walking on the Stagg Field Tartan track Ron Laird nearly walked out of the competition after half a mile passed in 3.35 with Floyd Godwin close up. However, Ron found himself pulling away in spite of his groin injury, was 6 sec up at a mile

(7.10), 18 sec ahead at 2M (14.35) and was 31 sec up with 15 laps gone. With two laps left he was 32 sec ahead, but slowed, allowing Godwin to cut back all but 8 sec on him by the finish. 1, R. Laird 47.10; 2, F. Godwin 47.18; 3, G. Diebold 48:55.4.

**Bradford Open 50km, May 31st.** 1, E. Crompton (Leyland M); 2, J. Toehill (Yorks); 3, D. De Bondi (Bel). **Teams:** 1, Sheffield UH 36; 2, Royal Sutton Coldfield 38; 3, Belgrave 46. **Northern Champ:** 1, R. Wallwork (Lancs); 2, J. Warhurst (Sheff); 3, E. Crompton (Leyland M). **Teams:** 1, Sheffield; 2, Yorks; 3, Lancs.

**Jacky Lord and Brian Laver set Championship Bests in Southern Junior/Youths Championships, June 19/20th.** Both impressive winners in faultless style, Jacky Lord and Brian Laver were a class above the opposition in their respective events. Peter Le Bas hung on to Laver for three laps before giving best.

**Brighton & Hove 5Km, at Brighton, June 22nd.** 1, B. Hawkins (Met) 23.37; 2, A. Buchanan 25.05; 3, J. Birks 25.59; 4, D. Johnson (16) 26.46.

**Sarna WC 10km, at Guernsey, June 20th.** 1, R. Waterman 50.38; 2, M. Elliott 52.48; 3, J. Wills 55.05.

**Elliott Denman wins US 50 Miles Track Walk, at West Long Branch, April 18th.** The 1956 Olympian, sports journalist and "AW" contributor won his first big race since taking the 1961 Maccabiah Games 3km. 1, E. Denman 8:55.26; 2, G. Braceland (57) 8:58.05 (fourth successive 2nd place!); 3, J. Blackburn 9:46.29.

**Larry Young back at the top in US National 50km, New Jersey, June 12th.** 1, L. Young 4:18:29.2; 2, J. Knifton 4:19:23.0; 3, G. Westerfield 4:21:05; 4, G. Klopfer 4:21:31; 5, R. Kulik 4:28:29; 6, R. Kitchen 4:30:17.

Colin Young

### TRIBUTE FROM ONE WALKER TO ANOTHER

Elliott Denman, writing from the USA: "Colin Young's accomplishments in the ultra-distance field are just incredible. When I begin to think of my mere 50-miler as something respectable, I think of Colin and his doings and my mind boggles, my toes quiver and my shins begin to ache!"

### SOUTHERN DECATHLON

Owing to a number of circumstances the SCAA Decathlon Championship, originally arranged for June 19th/20th, had to be postponed and will now be held on September 25th/26th at West London Stadium. Athletes who entered have been notified and additional entries will be accepted. On September 25th/26th it is also proposed to hold a Junior Decathlon Competition, not a Championship, and athletes interested in taking part are requested to contact the Hon. Secretary, SCAA, 26 Park Crescent, London, W1N 4BQ.

**THANKS**

Dear Sir,

May we, the Surrey County Women's AAA, thank through your columns, the anonymous donor who sent us £50 towards the cost of a new duplicator for the county association. This generous gesture is much appreciated.

Dear Sir,

On behalf of Saint Luke's College Cross Country Club, I would like to thank all those people, organisers, supporters, donors and sponsors, who helped to make our 24 hour, 8-man relay a success. We covered 261 miles 150 yards and have raised nearly £200 for the Lillian Board Cancer Clinic Fund.

## WALES

## LIZ JOHNS IN RECORD BREAKING FORM

LIZ JOHNS set four championships bests in heats and finals of the 100m and 200m in the Welsh Women's Championships at Jenner Park, Barry, on June 26th, finishing with marks of 11.9 and 24.7. Janet Beese (18) broke the Welsh national record in the discus.

The small number of competitors at this meeting, which included the Welsh Junior Men's Championships, emphasised the decline which is apparent in Wales nowadays. The recent decision to cancel the Welsh Counties Youths Championships at Colwyn Bay came as no surprise to many. The Glamorgan Championships were cancelled last year and this, and even trials had to be cancelled through lack of entries!

For Britain, Brendan Foster (3:39.4) comes in for Walter Wilkinson, who has been released at request of British Rail, his employers; Ian McCafferty (Achilles tendon injury) has withdrawn from 5000 and Alan Bliston (13:39.4) is being invited to run; John Ellicock (2:02/6'7½") replaces injured Dave Wilson. Colin Campbell's injury has proved to be a fracture of the fibula; Andy Carter (1:46.6) takes his place in the team.

## HIGH JUMP RECORD

PAT MATZDORF, a 21-year-old American who had never previously jumped higher than 2.18/7'2" outdoors, has broken one of the oldest and most revered of all world records: Valeriy Brumel's 2.28/7'5½" which dates back to 1963. Matzdorf, 1.89/6'2½" tall and weighing 78kg/173lb, cleared what was thought to be 7'6" but was later remeasured as 7'6¼" (2.29) at Berkeley last Saturday during the USA v. USSR World All Stars match.

Who is Matzdorf? Well, until last weekend he was just one of the leading American high jumpers with nothing to mark him out as a world record breaker. A 2.11/6'11" performer in high school in 1968, he first topped 7 feet last year. He won the National Collegiate title, placed 4th in the World Student Games in Turin and had a best mark of 2.18/7'1¼".

This past winter he equalled the American indoor record of 2.21/7'3" shared by John Thomas and John Rambo but thus far this outdoor season had not bettered 2.18/7'2". On the preceding weekends he had placed 5th in the NCAA (2.13/7'0") and 2nd in the AAU (2.18/7'2") to win his

place on the USA team as second string to Reynaldo Brown. He is a straddle jumper with an unusual bent lead-leg style.

Matzdorf's 2.29 clearance marks the return of the world record to the USA after being held since 1961 by Brumel. China's Ni Chih-chin was credited with 2.29 last year but there is still speculation over whether that was a genuine competitive mark.

In what must have been the closest walk finish of all time, Paul Nihill defeated Nikolay Smaga (USSR) by inches, with both men credited with 1:30:08! Two other Britons competed for the All Stars: Chris Stewart was 4th in the 5000m (13:52.2), a race won by Steve Prefontaine in a US record of 13:30.4, and Barry King (7081) was 5th in the decathlon won by Russ Hodge with 7698.

The USA beat USSR 126-110 in the men's match and lost the women's 76-60 for a tie overall.

### SIX FEET AT LAST

Further momentous high jumping news from last week-end: British-born Linda Hedmark, who expects to compete for Sweden in Helsinki, cleared 1.84/6'0¼" in Sweden—thus fulfilling an ambition she has nurtured since jumping 1.73/5'8" for the bronze medal as a 16-year-old in the 1962 European Championships.

Still with the high jump, Colin Boreham (Bournemouth) broke Graham Barclay's short-lived UK Youth record when he flopped 1.98/6'6" at his third attempt at Bracknell last Saturday.

Guests can be invited (5p each, enclose sae) when Eastern Counties (Norfolk, Suffolk, Herts, Essex, Cambs, East London, Beds & Hunts) BMC 1500m Champs (S/J/Y/B/SL/L-JL) are held at Bedford Track, Newham Ave., on Sunday, July 18th. Apply to Rod Chaplin, 3 Stancliffe Road, Bedford (Tel: 63161-Bus.).
