# David Mole 221' 3 1/2" at Sward Meeting

**D**AVID MOLE, the Southern Junior javelin champion, provided the upset of the day when he defeated U.K. National Record-holder John McSorley at the Sward Trophy Meeting at Chiswick on July 24th. In winning the competition the 18-year-old Mole also defeated such javelin stalwarts as John Kitching and Dick Miller, and moved himself to 10th on the senior rankings and to the head of the junior list. Mole, who looks to be travelling in the footsteps of his clubmate Dave Travis, was no doubt both pleased and surprised with his throw, for the previous week, when throwing for the Southern Counties against a junior Lower Rhineland team, he could only manage 163' 4 1/2".

Prior to the Invitation 2 miles Bruce Tulloh had said that he intended trying for the National record of 8:32.8, but a 21 m.p.h. wind ruled out any chance of this and a rather insipid looking Tulloh was in any case dropped by the other three starters, John Cooke and Tim Johnston (Portsmouth), and John Herring (Blackheath), just before the halfway mark, reached in 4:26.6. The lead alternated between them until Herring was left on the final lap and then Johnston outspurted Cooke in the last 80 yards. Johnston looked both strong and confident and should be ready for some very fast times.

The Sward mile was a real thriller and Dave Wright (Blackheath) was given the job of "hare". He certainly took it seriously, going through the quarter in 57.8, only to find no-one had followed him. He slipped back into the pack and dropped out at 880, which Mike Gowan (H.H.H.) reached in 2:03.4. Gowan still led at the bell in 3:07.3 but the field was right up with him and although he strove to get away on the last lap, Ken Ballantyne (Edin, Southern) stormed past him in the final straight to win in 4:08.0. The 23-year-old Ballantyne, an Insurance Claims Inspector, is the son of a tea planter and may be added to the long list of high-ranking British athletes born in India. He has already improved from 4:07.3 to 4:01.1 this year and a sub-four minute mile should not be beyond his capabilities in favourable conditions.

## THANK YOU!

THE response to our Survey last week has been most encouraging and will help us greatly in deciding the balance of the magazine in future. Just how difficult it is to please everyone has been emphasised by the very considerable differences of opinion in some cases. For instance, where Readers' Letters and Fixture Lists are concerned, while most readers seem to be either satisfied or want more, there is a definite minority view instanced by Gary Harber who thinks both a sheer waste of space. The Who's Who feature is another where there are a surprising number of "C" ratings, though outnumbered by "A" and "B".

It will take some time to wade through and summarise all the replies which have been coming in by every post. When completed, an analysis will be published which should make interesting reading. Some of the added comments are amusing too, and a few letters and a summary of readers' views will be given.

## Relay Championship Meeting

The A.A.A. are particularly keen to make their Relay Championship Meeting, at Hurlingham on August 28th, a success, for unless it is, it may be difficult to get a sponsor in future years and this might well prejudice the future of the meeting.

The Association are hoping that this will eventually prove to be one of the most popular meetings on the club calendar. Club secretaries are reminded that for clubs outside a 50 mile radius of Hurlingham, 50% of the rail fares of the running team members may be claimed, a worthwhile concession which should do much to encourage clubs to enter teams. Applications will also be considered from clubs within the 50 mile radius on hardship grounds. This year's meeting is sponsored by "Tit-bits" and they deserve all the support the clubs can give them. Entries close on August 9th and forms may be obtained from the A.A.A. offices at 26 Park Crescent, London, W.1.

Following requests from road runners, we are trying to obtain the details of more finishers in the R.R.C. Marathon. We published all we received but expect to be able to give more next week.

We are also obtaining further details of the English Schools Championships—fast heat times and wind gauge readings on the Friday, which were not previously available. These, too, should be included next week.

We understand that, after all, schedules for the Kingston, Jamaica, trip next year will not be available until the first week in August, as further information is awaited which it is essential to include. As stated before, immediately they are ready, schedules will be sent to all who have asked for them.

At the time of going to press, there are still one or two vacancies on the trip to Stuttgart (European Cup Final) from September 10-19, including five days at Lindau on Lake Constance.

## FROM "BUDDY" EDELEN

Dear "Jimmy",

I would like to request a few lines to express, through the medium of A.W., my appreciation and gratitude to all the athletes, officials, and friends I have had the pleasure of becoming acquainted with since 1960.

The opportunity of living in England has not only enabled me to develop into an international distance runner, it has also afforded me the chance of making many close friendships which I shall cherish for many years to come.

I know my coach, Fred Wilt, would like me to convey his gratitude as well, since it was upon Fred's suggestion that I first decided to come to England.

The experience I gained through four years of active participation in British athletics contributed immeasurably in helping me to represent the U.S.A. in the Tokyo Olympics, and for this alone I feel indebted.

I shall be returning to the U.S.A. at the end of this month to begin work on my Master's Degree in Colorado, and I must admit that it is with considerable reluctance that I shall be leaving.

I would like to convey a special "Thanks" to the officials of the B.A.A.B. and the E.C.C.U. (George Dunn) for their kind co-operation and help; to Mel Watman, Sam Ferris and others on the A.W. staff who have given such generous coverage to my performances over the road, track and country; to the athletes and officials of the two clubs I have been affiliated with, Chelmsford and Hadleigh; and finally, to all the many other athletes and friends I have made over the past five years.

Thank you all very much.

Yours sincerely,

"Buddy" Edelen,  
Hadleigh A.C.

I know that the many friends "Buddy" refers to will wish me to say how much we have enjoyed the company and friendship of the finest ambassador this country has ever had from the U.S.A. We shall always remember you with affection and hope to see you back again one day. Ed.

## A.A.A. CHAMPIONSHIPS

Dear Sir,

Having read your coverage of the A.A.A. Championships, I can only assume that you and I didn't go to the same meeting. If this is the best presentation you have seen at the White City, I shudder to think what the worst must

have been like. The presentation was a disgrace.

May I make a few specific points:

1. The A.A.A. should stop messing about with the Friday, and do the thing properly on both days, or make it a one-day meeting. For the last couple of years the policy on Friday has been to cut out the reserved seats, sell tickets for all parts at rock bottom prices, and encourage school-children to come in large groups. The main competition of the evening appears to be a decibel competition between the rival fan clubs of the Beatles and the Rolling Stones who range themselves in the best seats just opposite the finish and, particularly this year when the P.A. system seemed to be partly defective anyway, it was almost impossible to hear what was happening for the first part of the evening. If the A.A.A. is going to adopt this policy, it should allocate the seats along the back straight and leave those on the home straight for those of us who go to see, and hear, the athletics.

2. In his report of the Women's A.A.A. Meeting Melvyn Watman gives us an instance of the meeting being "ruined as a spectacle by a complete absence of presentation", that no mention was made of the fact that a New Zealand Olympic Gold-medallist was among the starters for his event. Only one week later, when the very same thing happens, Mr. Watman can bring himself to describe it as among the best-presented meetings he can recall at the White City.

3. When are the A.A.A. going to revise and bring up-to-date the format of the programme, and cut out the misprints including one hardy annual that has now appeared every year for the last six years. Perhaps, as an alternative, they could run a "Spot this year's deliberate mistake" contest.

4. Finally, can they not be prevailed upon to stop the frustrating habit of giving only six places and times for an eight or nine-man final?

Yours faithfully,

J. P. Moran,  
London S.W.17.

## SCHOOLS A.A. CHAMPIONSHIPS

Dear Sir,

At the All-England Schools Championships at Watford on the 16th and 17th July, I was most disappointed to see some athletes being eliminated from their semi-finals who, on their times, must have gained good placings in the final.

I refer particularly to Peter Wells of Lincolnshire in the intermediate boys 440 yards. In

his semi-final he came third in 51.0, the winner and second clocking 50.9 and 51.0 seconds respectively. The winning time of the second semi-final was 52.2 and the third semi-final was won in 52.5. With his 51.0 seconds Peter was therefore third fastest of all by 1.2 seconds, but failed to qualify, because only the first and second of each semi-final entered the final. To crown it all, in the final the second placed competitor achieved 50.7, and third 51.9—surely he would have come third in the final! After all, he had 0.9 secs to spare!!

I suggest a much fairer method of obtaining the six finalists (not only in the 440) would be to take the winners of each semi-final and the three fastest losers, or in the case two semi-finals the two winners and four fastest losers.

Surely this method would give a far better representation, in the final, of the fastest runners in their particular event.

Despite this fault, I must nevertheless say that it was, as usual, a great meeting, and in my opinion is probably the best meeting in the British Athletics Calendar.

Yours sincerely,

**Roy Thickpenny,**  
Holbeach A.C.

## TOO YOUNG TO BE AN INTERNATIONAL

Dear Sir,

On Friday and Saturday, July 16/17 one of the most contested event in Athletics was held at Watford—the All-England Schools Championships. As was the case last year, the standard was very high and the performances of some of the juniors and intermediates in both sections can guarantee us a high standard in years to come.

One performance which made me gasp was an 11.1 clocking in the 100 yards by Wendy Kavanagh who, by the way, is still a junior. This performance can best be judged by the fact that only one other sprinter beat or equalled her time in the other two age-groups, and she was a senior.

On such a performance young Wendy surely deserves a place in the International Schools team. But no! She's too young. Apparently juniors are too young to withstand the tenseness of such an event. How do they think that Senior boys and girls react. Everbody suffers

from nerves, so why should this outstanding athlete be omitted for such a reason.

I certainly hope that this doesn't happen next year. Imagine Paul Wilson, the American pole vaulter (17 years old; 16'6½"), being left out of the American team because he is too young.

World-class athletics is becoming the sphere of the younger man nowadays, so why deny it the chance to flourish.

Yours in athletics,

**David Evans,**  
Waterloo H.

Paul Wilson was 18 years old on July 7th. Ed.

## SPORTSMANSHIP

Dear Sir,

Through the pages of "Athletics Weekly" I wish to raise the question "is the level of sportsmanship in athletics on the decline and is it only the winning that matters and not the taking part."

I pose this question after seeing what was to me a most disgusting act on the part of a long jumper who, competing in the Brockman Trophy meeting, deliberately and successfully ruined a fellow competitor's chances of a good performance by volunteering incorrect information as to the jumper's foot on the take-off board during the final trial run-through.

In my experience in the sport I have never before seen the like of this and am truly interested to know if this is usual or just, as I hope, one misinformed athlete who took an unfair advantage of another.

Yours sincerely,

**F. J. Hart,**  
London S.W.19.

## INTER-COUNTY CROSS-COUNTRY

Dear Sir,

I am hoping to promote a friendly Inter-County Cross-Country Race for Seniors over 7 miles at Abbey Stadium, Redditch, on Saturday, November 20th. Any number to run, 6 to count. Also a Youths' 3 Mile Race, any number to run, 4 to count. The idea behind the promotion is to give possible county prospects better competition before the Inter-County Races in January and March respectively.

I would very much like to hear from county secretaries or county team managers interested in such a project. Stronger counties could use such a race to blood their "B" teams. Looking ahead,

Yours faithfully,

**J. D. Robinson,**  
Assistant Team Manager,  
Worcestershire  
"Chiemsee," 17 Hennels Avenue,  
Webbheath, Redditch, Worcs.

# FOUR BEAT FRED NORRIS' RECORD

IN keeping with their policy to add dignity and charm to this popular event, Belgrave Harriers invited Miss Diana Hart (Star of West End & Broadway) to act as starter of their "20" on this occasion, the 17th July. The Referee (Alf Harley) delayed the start for a moment to allow the 113 competitors to study the three-lap course—if they wished! To Alf also fell the "duty" of escort to Miss Hart. I felt that someone was "playing it cool" since there was a distinct coolness in the air which, no doubt, contributed to the fast time. The course record of 1:47.26 in 1960 by Fred Norris was beaten by the first four in this event.

There was no inclination to tear away from the starter until Wimbledon Common was out of sight, then Bob Roath set a pace which only he could maintain. It may have been just a "feeler", for Bob gave up the lead and helped to form a group consisting of "B.R." himself, MacIntosh, Derham & Maillardet who passed 5 miles in 25.30. Ken Smith had been with the leaders but was now 15 seconds in arrears. Keough, Rhodes & Reavley were only 5 seconds further back, whilst in equal distance came Ibbetson & McIntyre. In the next few seconds we had Raymen, Bodley, Kent & Henty all inside 27.00.

At 10 miles there was indication of fluctuation in pace which allowed Smith & MacIntosh to re-join the leaders as they passed together in 52.05. Fifteen seconds later found Keough travelling alone, then we had Rhodes & Reavley with 53 minutes to their credit and Ibbetson on their heels. Milsom & Caiger (53.20) were holding out against a strong trio in McIntyre, Raymen & Bodley (53.35). A further 15 seconds and Jennings & Benn went by, then a full half-minute passed before Richardson appeared.

When the 15 mile board came in view there was no change in the first 15 positions so I will merely give you a follow through:— Derham, Maillardet, Roath & MacIntosh 1:18.50, Smith 1:20.00, Rhodes 1:20.15, Milsom 1:20.25, Reavley 1:20.30, Ibbetson 1:20.45, Keough 1:21.05, Caiger 1:21.50, McIntyre 1:22.05, Jennings & Raymen 1:22.25, and Benn 1:22.35.

Around the 18th mile Bob Roath began to put on the pressure and thus ended the companionship which had been enjoyable, but not for long! Jim Derham responded to this challenge and held on until the last few hundred yards, when Bob had to dig further into the kitty where he found just enough to make his day. A great race Bob and Jim! And similar praise for Fred Maillardet and Ian MacIntosh on beating a good Fred Norris record. The highest praise goes to young Reavley who gave

indication that he will be around more than somewhat; this also applies to young Jennings with a newcomer time of 1:51.04; rather a shaker—it's those Bristolians again; they do find them!

The close position in the team race proves the popularity of this event. The faultless organisation commands the highest praise; on this occasion the "head man" was Gordon Biscoe who did an excellent job. From me it is simply "AH! BISCOE".

## Good Form By Hill In Dagenham '5'

July 10th

**A** COOL, dry day ensured good running conditions over the 4½ miles course. Despite his hard race at the White City the day before, Ron Hill was in good form and after the leading ten runners had interchanged positions throughout, towards the end it developed into a battle between Hill, Plater, Batchelor, North and Knight. Finally, Ron Hill pulled away to win by 70 yards from Dennis Plater. Mel Batty, suffering from leg trouble, was back in 10th place.

# WAAA JUNIOR & INTERMEDIATE CHAMPIONSHIPS

At Harlow, July 24th

**D**ESPITE a gusty wind against all sprinters and jumpers, plus torrential cloudbursts on several occasions, many outstanding performances resulted. The star was undoubtedly Wendy Kavanagh, who ran as well as even the most fervent Northern supporters could have wished, though Kathryn Nelson ran her close. Dorothy Hyman, who presented the prizes, had reason to be proud of her coaching ability and the Southern girls were overshadowed in the Junior races. The fluent and graceful sprinting of Della James upheld Southern Intermediate fame and Ann Wilson showed her versatility but just missed a treble.

Shot putting provided some of the top performances and pride of place must go to Jennifer Bloss, in her first year as a shot-putter, who pulverised the U.K. Junior Best.

## Don Shelley Wins Gringley '10'

PETER CALLADINE (Derby) forced the early pace down the A631 to Drukeholes in the Gringley Association "10" on July 10th but Don Shelley (North Staffs) was in close attendance and it was Don who showed first at 2 miles in 9.25 to Peter's 9.27. Three seconds behind them P. Milsom (TVH) led D. Rhodes (Notts) and following in a bunch were J. Lunn (Leeds), T. Sugden (P'fract), A. Guildford (Derby), R. Moore (Longwood), N. Clarke (Linc), K. Lee (Notts) and A. Walsham (Salford).

At 5 miles Shelley and Calladine were together in 24.17 with Milsom some 16 seconds behind leading the main bunch. By 8 miles Shelley had forced himself into a 16 second lead from Calladine with Milsom a further 24 seconds behind at the head of five other runners. The uphill grind to the Rally field saw Shelley pull away to a decisive victory in 50.37 with Calladine second and Milsom, gaining slightly, third.

## is good food good enough?

A good athlete must be in top form. That means plenty of exercise, plenty of rest, plenty of health giving foods. But what are the *right* foods? Fruits? Vegetables? Lean meats? Fish? All of those of course are good and nourishing.

But how much of each does a well trained body need? How can an athlete be sure he is getting *all* the nutrients he requires for peak performance? Even the most carefully controlled diets can leave you short of vital nutrients.

That's where Bemax can help. Made from the heart of a grain of wheat, Bemax is the *natural* way to supplement a diet. Bemax is rich in *Vitamin B* for sound nerves, *protein* for body building and energy, *iron* for healthy blood. In fact, Bemax is the richest natural vitamin protein mineral supplement known to man. Added to meals, it eliminates a lot of dietary guesswork each day. Buy Bemax from your chemist today—3/6 & 6/6.

*\*There's a FREE booklet which will give you this and other vital information about nutrition in training, available from: Dept. No. D15 Vitamins Limited, Upper Mall, London, W.6. ■ Club secretaries, coaches and trainers are also invited to write for free posters and for details of filmstrip 'Nutrition of Athletes'.*

# Clayton Unchallenged at Cheltenham

A field of 101 runners started in the Cheltenham Festival Road Race (7.4 miles) on July 10th. Prominent among the early leaders were Stan Eldon (Windsor), Ken Flowers (Gilwern) and Harry Clayton (Bristol) but it was a bunch far too numerous to mention that swept through the first mile in 4m 35s. After this the field began to settle down and it was Clayton who led through the 2 miles check in 9.30, just ahead of Simmons (Derby) and Orton (Birchfield) with Flowers (Gilwern), Feast (Birchfield), Yates (Windsor), Austin (Worcester), Wright (Tipton), Edwards (Bristol) and Lonnen (Bristol) all following in rapid succession. Clayton now took complete control and clearly established himself in front, passing through 3 miles in 14.19, 4 miles in 19.23 and reaching the 5 mile check in 24.20 some 17 seconds ahead of Yates and Flowers, who, in turn were 4 seconds clear of Austin. At 24.44 came Wright and Don Collins (Windsor), the latter having moved up from 11th at 3 miles.

There was no one to challenge Clayton in this form and he came home a clear and very comfortable winner in 36m.06.4s. Behind him Don Collins was making a great effort for second place. Moving up past Austin, he caught Flowers and Yates shortly before the 6 mile mark and the two Windsor boys then dropped Flowers to fight it out on their own. There was nothing between them as they came storming down the last half mile but with less than 100 yards to go Yates forged ahead to take second place.

# Jurgen May in Record Form

**East German sets European 1,500m best: follows with world 1,000m mark**

**E**AST Germany's Jurgen May (23) broke Michel Jazy's European 1500m mark in returning the third fastest time on record—3:36.4—at Erfurt on July 14th. Only Herb Elliott, with 3:35.6 and 3:36.0, has run faster. May, whose previous best was 3:39.3, was paced for 1100m by Siegfried Herrmann (57.0 at 400m, 1:56.0 at 800m, 2:24.0 at 1000m) and covered the final 400m in 57.7. His time at 1200 metres (2:53.5) was half a second faster than Elliott during his world record. Herrmann finished in 3:41.7, his best this year.

Jurgen May followed up his European 1500m mark with a world record of 2:16.2 for 1000m, 0.4 sec. inside Peter Snell's figures and half a second faster than countryman Siegfried Valentin's European standard. His 200m splits were 27.0, 26.8 (53.8 at 400m), 27.8, 26.2 (1:47.8 at 800m!) and 28.4. Siegfried Herrmann (33) was 2nd in a personal best of 2:18.9. Snell, who watched the race at Erfurt on July 20th (he did not receive clearance to compete) was the first to offer his congratulations.

May was born at Nordhausen on June 18th, 1942. He is 5'9½" tall and weighs 146lb. At the age of 17, in his first year of competition (1959), he clocked 2:04.3 for 800m and 4:04.6 for 1500m. Next season he set German junior records of 1:53.1 and 3:56.2. He continued to progress swiftly: 800m in 1:50.9 and 1500m in 3:47.2 in 1961; 1:48.8 and 3:43.8 in 1962. He broke into the upper echelons of world class in 1963, running 2nd leg for East Germany's world record 4 x 1500m team and posting marks of 1:47.8 and 3:39.3. Last year he slipped to 1:48.1 and 3:41.6, and was only 8th in his 1500m semi-final at Tokyo (3:46.8).

He has been showing tremendous form all this season, lowering his personal bests to 1:46.8, 8:04.4 (3000m) and 14:08.8 (5000m). In Prague on July 9th he demonstrated his competitive abilities by defeating the three Tokyo medallists—Odlozil, Snell and Davies—in a 3:42.1 1500m. His personal best for 400m is 48.9 in 1963.

### FINLAND

There is some dispute over Jorma Kinnunen's javelin throw of 289'2"/88.14—second only to Terje Pedersen's world record. Janusz Sidlo claimed it landed flat; a similar throw of his over 85 metres was disallowed. Kinnunen, a short (5'9") but sturdy (176lb) 23-year-old who finished 6th in Tokyo, produced another outstanding performance three days later but was a well beaten 3rd in Oslo the following week.

## MATSON BACK IN ACTION

**R**ANDY MATSON, who has been out of competition for several weeks with a knee injury, won his place in the team to face the USSR at Kiev on July 31st/August 1st by putting the shot five times over 66 feet during a ten-minute exhibition at Houston on July 10th. Required by the AAU to prove his fitness by exceeding 64 feet three times, Matson (currently weighing 245lb as against 258lb at the time of his record) produced this series: 66'10 $\frac{1}{2}$ "/20.38, foul, 67'8 $\frac{1}{2}$ "/20.64, 66'3 $\frac{1}{2}$ "/20.21, 67'6"/20.57, 67'6 $\frac{1}{2}$ "/20.59.

## UK DISCUS RECORD BY CARR

Competing at Long Beach on July 17th, Gerry Carr broke Roy Hollingsworth's UK record of 186'0 $\frac{1}{2}$ "/56.71 with a throw of 187'0"/57.00. His previous best was 185'0"/56.39 last year. Carr, a P.E. teacher at the University of California (Los Angeles) who has been resident in the USA for several years, previously held the record from 1958 to 1960. It was in 1952, at the age of 16, that he first swept into prominence by throwing the youth's discus 190'6"/58.07; three years later he gained his first international vest.

# Who's Who in British Athletics

## Juan Taylor

Full name: Juan Edward Taylor. Born Coventry, 30.10.37; 5'9", 128lb; 36" chest; 38-42 pulse at rest; toolmaker; Coventry Godiva Harriers; no coach; single; lives in Coventry.

"Got talked into running in apprentice's cross-country whilst under the influence in 1957". Favourite events now are road relays and road races. Best marks: 2M—9:00.0 (1963), 3M—13:39.2 (1964), 5000m—14:13.0 (1963), 6M—28:19.8 (1964), 10M—50:06.0 (1962), Mar—2:15:37 (1964).

Annual progress at 2M, 3M, 6M and Mar: 1958—10:17, 15:23; 1959—9:52, 15:05; 1960—9:42, 14:38; 1961—9:18, 14:17; 1962—9:06.0, 13:50.4; 1963—9:00.0, 13:45.0, 29:03.8, 2:22:08; 1964—9:02.0, 13:39.2, 28:19.8, 2:15:37; 1965—28:28.8, 2:17:04.

Most pleasing performance was "helping my club win the Manchester-Blackpool Relay for the first time". Greatest disappointment: "Not finishing the AAA marathon last year". Intends competing "until I can no longer make the club

teams". This year's target is to finish the AAA marathon; all-time goal is to represent Britain in the Olympics. Most likes "winning races".

## Dick Taylor

Full name: Richard George Taylor. Born Coventry, 3.1.45; 5'10", 126lb; 36" chest; 48-50 pulse at rest; office worker; Coventry Godiva Harriers; no coach "but advised by Juan" (his brother); single; lives in Coventry.

Became interested in athletics at school. Began at cross-country; favourite events now are road relays. Best marks: 2M—8:48.6 (1965), 3M—13:25.2 (1965), 6M—28:20.8 (1965), 10M—50:47 (1965).

Annual progress at Mile, 2M, 3M and 6M: 1962—4:29.3; 1963—4:23.4, 9:09.6, 14:18.0; 1964—14:09.0; 1965—8:48.6, 13:25.2, 28:20.8.

Most pleasing performances were "helping my club win London to Brighton and winning the National junior cross-country". Greatest disappointments were "being sent the wrong way after being 30 yards up in the National youth cross-country (at Cambridge); and also being anaemic last year". Intends competing "as long as possible".

This year's target is a full British international; all-time goal is an "Olympic gold". Most likes "meeting other athletes"; dislikes "having bad runs".

Juan Taylor running in this year's Inter-counties cross-country at Cambridge. Ed Lacey

#### **DISTANCE RUNNING CAMP continued**

will be Senior Coaches David Fruin, Reg Crang and Frank Horwill. These will be assisted by Welsh A.A.A. coaches and administration will be in the hands of Tony Clemo.

Sand-hill running, Fartlek on the dunes, Parlauf, long-distance runs, weight training, swimming, seminars—these are the ingredients to a week-end of training that many feel is the toughest of their athletics careers and gives many great impetus for the winter's training.

Applications are invited from athletes of all standards and will be treated on a strict rota basis. There will be limited accommodation for women athletes. Course fee will be £2, inclusive of accommodation and meals.

Further details and application forms can be obtained from Tony Ward, Southern Counties Administrator, 26 Park Crescent, London W1. Envelopes should be marked D.R.C. Closing date for applications is 10th October.

## Race Walking

By L. W. WOODCOCK

### The RWA National 50 Kms.

**T**HERE is a new 50 Kms. Champion. On a cool day when conditions were good and over a five lap course at Bolton, Ray Middleton (Belgrave) walked an intelligent race to become the 1965 Champion. He was always in the first three places and content to be taken along until making his effort around 35 Kms., and then left his opponents in no doubt about his intentions. He held a 15 seconds lead at 40 Kms. and went on to record the good time of 4h. 17m. 23s. Second was Don Thompson (Met. WC), who showed us on this occasion that he has lost none of his old fire and determination, but he was unable to make any impression on the new Champion over the second half of the race. Both these experienced walkers treated spectators to some top-class walking. Third place eventually went to Bill Fogg (Enfield AC) after the unexpected retirement of local walker Ronnie Wallwork (Lancs WC), and after Fogg had passed the holder, Paul Nihill (Surrey WC).

A puzzling feature of this Championship was the unexpectedly high number of retirements—21—among them being Norman Read (Steyning) and Arthur Thomson (Met). Nihill, who had been suffering from a severe cold earlier in the week, seemed still to be affected by it on the day. Although making his effort around 17 Kms. and taking the lead, he was unable to hold off Middleton later, and had to be content at the end with fifth place—but this was good enough to lead his Club home to yet another Team Championship and help them to retain the Milan Trophy awarded to the Club to finish their full team of eight walkers first.

Sheffield were in the lead at the half-distance by one point (37-38) from Surrey and a close fight was developing for third place between Metropolitan 62, Belgrave 65 and Leicester

68pts. The second part of the race saw Sheffield dropping away and Surrey taking command, but Sheffield just managed to hold off Belgrave by three points to take second place team medals. Intermediate times:—

## ANOTHER WHITE CITY THRILLER?

**F**OR the third time in three years we welcome to London this weekend the Polish national team. In 1962 we lost the men's match by four points and won the women's by two; in last year's memorable fixture the men's match ended in a draw, while the Polish girls won by three points. This time the women's match looks a good thing for Poland, but there is a chance of a first-ever victory for our boys.

On an individual plane, the two highspots of the meeting could be the triple jump, featuring Jozef Schmidt (if recovered from a recent injury) and Fred Alsop, and another long jump duel between Mary Rand and Irena Kirszenstein, who since her last appearance in London has become co-world record holder (11.1) at 100m with compatriot Ewa Klobukowska.

Unfortunately, Witold Baran is injured and an unlikely starter, but all the other top Polish stars (except for suspended Wladyslaw Komar) will be showing their paces: Wieslaw Maniak, Andrzej Badenski, Lech Boguszewicz, Kazimierz Zimny, Edward Czernik, Edmund Piatkowski, Zenon Begier (who has just set a national discus record of 198'5"/60.48), Janusz Sidlo, etc.

The British team features an interesting blend of youth and experience, with no fewer than 12 new (outdoor) internationals: Kelly (100m), Morrison (200m), Adey and Fitzgerald (400m), Morrod (110mH), C. Campbell (4 x 400m), Fenge (PV), Teale (SP), King (DT), Liz Gill (100m), Dierdre Watkinson (400m) and Kathryn Duckett (SP).

The meeting starts at 6.30 on Friday evening and 2.00 on Saturday afternoon.

Woodford Green A.C. hold open events at Ashton Playing Fields, Woodford Bridge, on Sat. 7th August: PV (3 p.m.), HJ and JT (3.45). No fees, no prizes, enter on day.

# Sprint Double by Morrison

**R**UNNING in Irish colours, 19-year-old Pat Morrison (who was born in Cork but hopes to sprint for the British team) scored a fine double in the match against England at Santry on July 21st. Without the benefit of wind assistance, he set a personal best of 9.6 for 100y (as did runner-up Barrie Kelly) and convincingly beat Dave Jones in a 21.6 furlong. Morrison heads for Stanford University (whose coach is the great Payton Jordan) in the autumn.

Three other youngsters won their events in fine style. Mike Fitzgerald (19) cut another 0.4 from his best time in defeating his AAA conquerors Mike Larrabee (running as a guest) and John Adey in the quarter; Derek Ibbotson's protégé Walter Wilkinson (20) improved three seconds to become Britain's youngest four-minute miler, nipping pace-setter Mike Wiggs (58.5, 2:00.8, 3:01.8) in the bargain; and Jeff Fenge (18) tied his own junior vault record of 14'0". Well worth a mention, too, was the personal best half of 1:50.7 by Dave Cropper (19).

The remarkable Bill Wilkinson, who will be 31 on August 4th and whose fastest 3M prior to this season was 14:12.2, confirmed his AAA form in no uncertain manner by improving his best to 13:16.4 a few yards behind Derek Graham, who cut his Irish record to 13:15.6. Both beat Gerry Lindgren (13:26.0), but the American star—who led through the mile in 4:19.8 and 2 miles in 8:50.2—was still suffering from the heavy cold that caused him to drop out in Paris the previous week. Wilkinson led at the bell, but was unable to match Graham's 60.1 last lap.

## RON HILL BREAKS TWO WORLD RECORDS

UNDER a forbidding sky, with thunderstorms forecast but somehow failing to materialise, Emil Zatopek's two remaining world records were erased convincingly from the books at Bolton's Leverhulme Park track on July 21st. Local hero Ron Hill removed no less than 73.8 seconds from the 25-kilometre record and 72.8 from the 15-mile mark, equivalent to lapping the famous Czech runner whose times had stood for nearly ten years.

Roy Williams (Rochdale) led off at a surprising pace, covering the first 440 in 68.0 with Hill, Mike Freary and Wade Cooper the only takers among the dozen starters. The first three miles were covered in 4:41.0, 4:40.8 and 4:48.2 with the leaders already 38 secs. ahead of schedule. It seemed outrageously fast but there was more to come. Freary and Hill took command at four miles, drawing away on their own and showing an apparent disregard for the distance still to cover. At 6 miles the watches showed an astonishing 28:41.6 with the Bolton pair practically level and going like clockwork. At this point Williams retired, having achieved a personal best of 29:26.0!

The deceptive shuffle of the tall Freary and

the long stride of Hill alternated in the lead every two laps with the 3,000 crowd now getting rather vociferous and not in the least bored by the duration of the race. At 10 miles, Hill drew alongside his clubmate as both flashed by in a superb 48:11.4, a personal best for both runners, a track record and the fastest ever in the North. In fact, one suddenly realised, this clipped Zatopek's then world record of 48:12.0 established during a mere One Hour Event! A significant indication of the pace if any were needed.

Excitement mounted as the runners approached the end of the hour and into their 50th lap. Freary had said that an hour's running was sufficient for him and, sure enough, he drew away from Hill during the "count-down", was 16 yards ahead as the gun sounded and out of the race. His contribution to the final times was a most valuable one, as I'm sure Hill would be the first to admit, and his just reward was U.K. Records for 20,000 metres (59:59) and the One Hour (12 miles 758 yards). The latter added some 243 yards to Fred Norris's old figures established nearly seven years ago. Curiously enough (or is it?) Norris also is a Bolton man.

Hill, too, was ahead of the Old Hour record, of course, with 12 miles 742 yards and was still going—looking a little drawn and, as

# BOSTON 26'10" AT WELSH GAMES

—Melvyn Watman reports  
from Cardiff, July 24th

SEVERAL thousand Welshmen came to cheer their countryman Lynn Davies to victory at Maindy last Saturday; they left disappointed, but appreciative, after watching the greatest display of long jumping ever seen in the British Isles. Disappointed because it was Ralph Boston and not their local hero who dominated the proceedings in this highspot of the Welsh Games. While Boston slammed in one brilliant jump after another—the worst of his six trials was 25'10½"—Davies struggled unsuccessfully to find his touch and the best of his three valid efforts went only 25'4"

Never has a British field event contest been prepared and presented with such attention and showmanship. The new runway and pit, installed at considerable expense, was in exceptional condition (in spite of an earlier cloud-burst) for the battle between the Olympic champion and the world record holder. There were no distractions for the 7,000 fans, as the long jump had an hour of the programme all to itself; and at the pitside, mike in hand to inform and fire the crowd, was ebullient Ron Pickering.

This was the sixth clash between Boston and Davies, their previous encounters resulting in a 3-2 lead for the American:—

Aug. 3rd, 1963, White City. GB v. USA: Boston 1st (25'10"), Davies 4th (23'11½").

June 27th, 1964, New Brunswick, N.J. AAU Champs: Boston 1st (26'7½"), Davies 6th (25'8½").

Oct. 18th, 1964, Tokyo. Olympics: Davies 1st (26'5½"), Boston 2nd (26'4½").

Oct. 25th, 1964, Osaka. Commonwealth v. USA: Boston 1st (26'11½"), Davies 3rd (25'5½").

Apr. 3rd, 1965, Wembley. GB v. USA indoors: Davies 1st (25'9½"), Boston 2nd (25'8½").

The order of jumping in Cardiff was, by coincidence, in descending order of best performance: Boston (27'5"), Davies (26'5½"), Fred Alsop (25'4½") and Welsh 120yH and high jump champion John Lister (23'2½").

Boston's very first jump, although it proved to be his shortest, drew gasps from the crowd—25'10½" from well back on the board. Davies

opened with 25'0½", but already his seemed a lost cause. Clearly, it was going to take a 27-footer to beat Boston and Lynn is currently far from that form.

The die was cast in the second round. Boston reached 26'3½", while Davies messed up his run and despite decelerating sharply, overran the board to register the first of his three fouls. Lister, inspired by the grand occasion, cleared 23'7½" for the longest jump of his life. Third round: Boston 25'11" (one toe on the board!) Davies 25'4" (his best for the day), Alsop 24'7½" (his best, too).

By the fourth round Boston was beginning to find his length and with a leap of 26'5½" broke Davies' year-old UK all-comers' (and Welsh Games) record. The ex-record holder fouled in reply. Fifth round: Boston 25'10½" against another despairing foul by Davies. Lister, with 23'5½", registered the second best jump of his career.

Finally, with a 1.8m/sec. breeze behind him, Boston kicked his way out to a magnificent 26'10"—remarkably, only the equal 21st best clearance of his dazzling career! Davies wound up with 25'2".

The meeting was full of good racing and pleasing achievements. First and foremost, there was Ian McCafferty's 3 miles victory in his best time of 13:30.0. The young Scot led practically all the way (mile times of 4:28.5, 4:35.5, 4:26.0) yet outkicked Ron Hill in a 59.4 last lap. In the half, the first three broke new ground in a tight finish—Alan Simpson (1:49.5) just holding off the fast closing Walt Wilkinson (1:49.6), with John Goodwin 3rd in the same time.

The 100y final could not have been much closer (despite the timekeepers' findings), and indeed Ron Jones—shades of Barney Ewell at Wembley—obviously thought he had won. The judges thought otherwise, and awarded it to Menzies Campbell. Ron erased that disappointment by equalling the Welsh 220y record of 21.5. Liz Gill and the powerful young Canadian girl, Margaret Turner, had two spectacular duels, the score being one apiece. Margaret, of the long loping stride, scored in 10.8, but in the 220y Liz came through very strongly to win on the tape in a Welsh record of 24.4. All the sprints were into the wind.

# Too Easy for England in Schools' International

**T**HIS Schools' International Match was probably the best ever in the series, but except in a few isolated instances, event after event emphasized the vast difference between England and the other three countries. In many events some of the visitors were completely outclassed; in nine of the boys' and seven of the girls' events England took the first two places. It would be something more approaching a contest if England took on the other three in a straight match, three from England and three from the combined team.

John Lewis, the very fine Welsh hurdler, was one exception. He gave that great young prospect Andrew Todd a fine run in the high hurdles, both smashing the former record, and then ran away with the "lows" for another meet record.

We saw another fine run by Winbolt Lewis, well supported by Richard Green, in the 440 yards; Potter and Wilcox gave a repeat performance of their England Schools race, the latter hard pressed by Shearn of Wales; a slow tactical mile found Tagg determined not to act as hare to Stewart, and last but one just before the bell—then a desperate rush over the last lap, with Stewart showing 56 sec. for the final lap and Tagg just inside but failing by inches to catch his rival team-mate on the line.

Barry Davies allowed the Scottish boys to get well away from him in the steeplechase—altered from 2,000 to 1,500 metres after protests by the visitors who, as one official said, seem to be living in the past—and only just got home by making up a lot of ground in the last 150 yards when Gillon tired badly. Hollings (E) injured himself and retired early on. Hamish Robertson was a good second to Lowndes in the long jump and won the triple, the only event in which the English boys were out of the first two places. In the pole vault Constantine and Johnson were in a class of their own, and the same could be said in the discus, javelin and hammer.

Only some excellent running by the Scottish girls in the relay, which gave them a narrow victory over the Gloucestershire Intermediate team, representing England, whose baton changing rather let them down, prevented England having a clean sweep in the Girls' events, though Johnstone gave Birch a close run in the short sprint.

The winning time in the 220 can be discounted, though it will stand as a match best performance. Janette Champion was less than 3 yards down at the finish—I would have estimated 2 yards—and her time was confirmed as definitely correct. In the 880 Rosemary Stirling took a good lead on the last lap but Didham closed the gap considerably over the last 150 yards and looked as though she could have done even better had she kept a little

closer. But her performance was an all-time British best by an intermediate.

Wendy Palmer was out on her own in the hurdles, as was Pat Wilson in the long jump. In the high jump Linda Knowles was not jumping as cleanly as she can do, though immediately after failing at 5'3", she obtained permission to have a further jump and sailed over quite comfortably. In the throws only Hazel Andow of Wales prevented England taking a "maximum" in all three.

#### RON HILL BREAKS WORLD RECORDS continued

we learned later, running on very heavy legs as a result of the fast early pace but still producing sub-5-minute miles and with plenty of time in hand. Amid scenes rarely experienced at Leverhulme, Hill completed 60 laps in 1:12:48.2 for his first world record and broke the tape 940 yards later in 1:15:22.6 for his second. A truly wonderful achievement. A special word for John Lunn and Tony Byrne who both did exceptionally well to complete the full distance.

1, R. Hill (Bolton Utd.) 1:15:22.6 (1:12:48.2) (world records); 2, J. Lunn (Man'r Univ.) 1:21:47 (1:18:52); 3, A. Byrne (Unat) 1:22:54 (1:20:02); 4, D. Hopkinson (Clayton-le-Moors) 1:23:35.4 (1:20:32.2).

Mile splits: 4:41.0, 9:21.8 (4:40.8), 14:10.0 (4:48.2), 18:58.8 (4:48.8), 23:51.0 (4:52.2), 28:41.6 (4:50.6), 33:33.0 (4:51.4), 38:24.8 (4:51.8), 43:18.6 (4:53.8), 48:11.4 (4:52.8), 53:05.0 (4:53.6), 57:59.0 (4:54.0), 62:52.0 (4:53.0), 67:50.0 (4:58.0), 72:48.2 (4:58.2).

Warrington A.C. put on a youths' 4x110 relay at their inter-club match on Aug 14 in an attempt to better the British best performance. Clubs with teams having times better than 47sec. are invited to contact C. J. Kelly, "Kals", 19 Chatsworth Avenue, Culcheth, Lancs. (Culcheth 3136). There is also a senior hammer event.
