Book Review

"British Athletics 1969", compiled by the Members of the National Union of Track Statisticians and published by the BAAB (11s. post free from Book Dept., "Athletics Weekly," 344 High Street, Rochester, Kent.)

Apart from its unfortunately late appearance one can heap nothing but praise on this the finest of the eleven NUTS annuals to date. Running this year to a record 176 pages and illustrated by two dozen photos this booklet presents a complete picture of British athletics endeavour during the 1968 season. Just about every conceivable record is listed here though it is interesting to note that whereas the official UK high hurdles record is given as 13.9 (since trimmed this season to 13.8 by Alan Pascoe) the NUTS "recognise" Dave Hemery's 13.7 at Cambridge, Mass. in April 1968. Indispensable to all who claim to take a close interest in British athletics.

"International Athletics Annual 1969", compiled by the Association of Track & Field Statisticians (10s. post free from "World Sports", 23-27 Tudor Street, London, E.C.4.)

The NUTS annual's big brother maintains its usual high standard and the statistically minded enthusiast with an international outlook will be able to dabble to his heart's content.

DICK TAYLOR ACHIEVES GREATNESS

Jenny Pawsey, Pauline Attwood, Janet Simpson & Lillian Board set 'record'

DICK TAYLOR has completed his apprenticeship in the craft of 10,000m running. At Crystal Palace last Sunday he fashioned a product of exquisite quality in the presence of his master, Ron Clarke, and served notice that his intention of being best in the world may not long be delayed. One ought not to make too much of Clarke's defeat, for he was suffering throughout most of the race with stomach cramp ("I couldn't stretch out"), but one cannot take anything away from Taylor's splendid victory either. Dick's one previous attempt at the distance, the inter-counties, promised greatness; this Ceylon Tea invitation race provided it.

At 24, Dick Taylor has soared to fourth on the all-time list behind Clarke, Jurgen Haase and Kip Keino: he has the fastest time in the world so far this year; he has succeeded Tim Johnston as European 6 miles record holder (and only Clarke has been timed faster). The statistical consequences of his times of 27:10.2 for 6 miles and 28:06.8 for 10,000m are gratifying but more impressive still was the cool manner in which Taylor handled the distance, the opposition and himself.

Melvyn Watman reports on the Sward Trophy Meeting

That opposition was quite something. In addition to Clarke and his colleagues Derek Clayton and Kerry O'Brien (both, unfortunately, struck by the same tummy troubles as Clarke) out there on the track was practically a living who's who in British distance running. With Dave Bedford making an eleventh hour decision to compete after all, only Ron Hill, Lachie Stewart and poor Tim Johnston (out, perhaps, for the whole year with an Achilles tendon injury) were conspicuous by their absence.

Watched by a crowd of some 6,000, the 19-man field, led by Bedford, got away to a brisk start. Clayton took up the running along the back straight and a first lap of 66.6 placed the race on a sound time basis. Clayton toured the second lap in 65.6 and Clarke covered the third in 64.6. By 1600m, reached in 4:22.8 (that's close to 4:24 miling), eight men were up front: Clayton, Clarke, Taylor, Allan Rushmer, Trevor Wright, O'Brien, Mike Tagg and John Caine. This octet, lapping at 66/67, had drawn 50 yards clear of the next group (Bill Adcocks, Bob Richardson, Bob Holt, Jim Hogan, Don Faircloth, Ron Grove) before two miles were covered, with Bedford (the UK record holder) and Mike Freary (his predecessor) next.

Trevor Wright went ahead at the end of the ninth lap and, urged on by Clarke, Taylor took over on the 12th. The times at 5000m show how

the field was placed: Taylor 13:55.0, Clarke 13:55.2, Wright 13:55.8 (close in merit to his recent personal best 3 miles of 13:25.2!) . . . then a gap of some 40 yards to Tagg 14:02.2, Caine 14:02.4, O'Brien 14:02.6 and Rushmer 14:03.6. Clayton passed by in an estimated 14:05, while NUTS timers caught Freary at 14:11.4, Richardson 14:20.2, Hogan and Holt 14:20.4, Adcocks 14:20.6, Faircloth 14:25.0, Grove 14:25.2 and Alder around 14:29.

With Taylor forcing the pace (66.0, 66.2), Wright could hang on no longer and by 5600m was 20 yards behind the leading pair although 70 yards clear of Tagg, Caine (running a blinder in such company) and O'Brien. Clarke took the 16th and 17th laps but the tempo slowed to outside 68 and Ron, not wishing to prejudice Dick's chances of a great time, murmured to him "get in, it's your birthday". Dick took the hint ("let's get the hell out of it", he thought to himself) and went. Unaware of Clarke's ailment, the crowd watched incredulously at first as Taylor opened up 30 yards on the world record holder in the space of half a lap (31 sec for that 200m!). By the time Taylor had completed the 18th circuit in 66.0 the cheers were overwhelming and they persisted to the end. Lapping now at around 69, Taylor reached the bell (27:01.0) assured of the UK record but needing a 63.4 to match Haase's European mark. He couldn't quite make it on his own but he finished with sufficient in hand to muster another energetic leap through the tape, followed by quite a nifty winding-down lap.

Clarke struggled through a painful 71 last lap to finish about 80 yards down. His was a mixture of disappointment and pride: upset about missing a golden opportunity of attacking his world record of 27:39.4 through unforeseen circumstances but happy for the success of his "pupil". Addressing the crowd, Ron apologised for not running faster and added: "The young boy was a bit too good for me. They ought to have respect for men like me over 30!" It was, by the way, Clarke's fifth race in eight days. He had run an 8:30.0 2 miles in California, a 13:40.4 5000m in

Bergen, a 7:59.0 3000m in Trondheim and a 13:39.0 5000m in Copenhagen!

In the excitement of Taylor's momentous performance sight should not be lost of the four other Britons who bettered the European qualifying standard of 29 minutes. Tagg, who is only just beginning to race seriously after exams, moved well away from Wright in the closing stages for a distinguished third place; while both Wright and Caine (in his 10,000m debut) also recorded tremendous times. Freary, who was up with Caine and O'Brien at 6 miles, faded but still recorded 28:45.4 (Bob Sparks' timing: official "run on" time was 28:46).

The second highlight of the meeting was the women's 4x400m relay. Target was 3:43.2 by a Latvian team and an easy one it proved as the British "A" team registered 3:37.6 with the "B" squad and West Germany also inside the previous figures. It remains to be seen whether Jenny Pawsey, Pauline Attwood, Janet Simpson and Lillian Board will gain official world record recognition for their fine effort (54.4 average) since the IAAF may decide to ratify only the fastest time by the end of the season as the inaugural record for this event.

Honours on the first leg went to Pat Lowe of the "B" team, who handed over three yards up on Jenny Pawsey who tied up rather drastically in the last 50 metres. Pat's time was originally given out as 54.2 but that did not take into account the effect of a 500m stagger and Bob Sparks considers 55.6 a fair estimate for her run, with Jenny clocking 56.1. Pauline Attwood overtook Liz Parncutt but her early speed was too great and she was repassed so that the "B" team was still four yards to the good at the halfway mark. Pauline's time was 55.4, Liz's 55.3. The Germans, meanwhile, had crept up into contention also.

A couple of weeks ago Pauline Attwood was just a promising young 400m runner; now she is a pending world relay record holder.

Peter Tempest

The third leg was a sizzler, with Janet Simpson bursting ahead after 150m and striding magnificently to a 53.2 clocking four yards ahead of Germany's Christa Czekay (53.5). Jannette Champion, whose best off blocks is 56.4, was timed in 55.1. Any worries about Lillian Board after her recent injury disappeared as she streaked around her lap in a "solo" 52.9—remarkable running indeed. Noteworthy, too, was the 55.4 anchor by Gloria Dourass in only her second race of the year after a long lay-off. With Rosemary Stirling to come in, the British team is shaping up nicely for its duels with France in Middlesbrough and Athens. Far from being shattered by her scintillating run, Lillian returned barely an hour later to clock a 23.8 200m into a 2.5m/sec wind! Colette, you have been warned. In this latter race, Maureen Tranter was justifiably pleased with herself for reaching the European qualifying standard of 24.0.

The Len Hatton Mile produced some good running even if the pacemaking plans went astray when the starting gun took the field by surprise (there is now no "set" command for a mile race). John Whetton found himself in the lead with a full lap and a half to go but although the $\frac{1}{4}$ mile time was only 3:03.9 he finished in 3:59.2. That 55.3 last quarter was his fastest in a sub-4 min.

mile. "I felt marvellous today," he declared, "better than for a long time. I think I could have run 3:56". In his wake, John Kirkbride beat Peter Stewart in 4:00.4 while other personal bests were credited to Chris Stewart, John Jackson (4:03.0 in his first track race of the year!), Adrian Weatherhead, Phil Banning (whose unofficial 4:04.2—the official 4:05 is a running watch time—is the third best by a junior) and Dick Hollings (unofficial 4:04.4).

Both high hurdle races were of British championship calibre. Dave Hemery, away like a rocket, withstood Alan Pascoe's strong finish, but Christine Perera came from behind to beat Sheila Garnett in the women's race. Both winners would have been under 14 sec. but for the headwind. Hemery contributed a 46.9 400m relay leg against John Robertson (same time) but faster splits were attributed to Martin Winbolt Lewis (45.8), Colin Campbell (46.2), Gwynne Griffiths and Andy Todd (46.5). Note also the lead-off times by Len Walters (47.4), Martin Bilham (47.4) and Olympic 800m champion Ralph Doubell (47.8), and stages of 47.0 by Bob Adams and 47.1 by Pete Browne. Poly's time of 3:09.2 (47.3 average) constituted a remarkable UK club record.

Among other highlights: another fine series (only four throws, though) by Howard Payne, Mike Campbell's best of season high jump, some keen triple jumping and an engrossing women's high jump competition in which Barbara Inkpen cleared 1.75/5'9" and was close to 1.79/5'10½" and Frances Slaap (who failed to clear 1.47/4'10" with her straddle in the Southern) hopped over 1.71/5'7½" with a modified scissors. She is due to leave for Canada the day after the WAAA Championships.

Midland Championships (Part 1)

At Leicester, June 21st

Banthorpe Strides Into Top Form

TOP performance of the meeting was Ralph Banthorpe's 47.1 in the 400 metres despite a headwind of about 6 metres per second in the finishing straight. Banthorpe's successor in the short sprints was clubmate Roger Walters. The Senior triple jump produced some good marks. Andrew Vincent was denied a UK 19-year-old best performance by a 2.3m/sec wind aiding his excellent jump of 15.44/50'7½" but did become the first British junior to exceed 50 feet. Other good efforts came from Dave Hemery and Bob Roberts (beating John Cooper in the process) in the two hurdles events. In the Junior 1500m John Boggis won as he liked in the rain and wind which came at the end of the meeting; while his club squad clocked a speedy 42.9 in the 4x100m relay. Entries for the Junior and Youth events were, however, on the whole pretty weak this year.

Spotlight on Youth**by Dave Cocksedge****Andrew Vincent Just In Time**

COVENTRY Godiva Harrier Andrew Vincent (born 9.6.50) chose the Warwickshire Championships at Solihull on June 7th to improve 64" in the triple jump and top John Thompson's AAA Under-19 record with a superb three phase combination adding up to 14.91/48"11"—and Andrew just made it—he turned 19 two days later! While on the jumping subject, it's worth noting that Michael Byers (11.9.52) of Malvern College kicked out to 6.93/22'9" at Warley on June 14th to become top Youth long jumper this year.

Perhaps I was a bit premature in naming Stoke's Lindsay Smith as a successor to Raymond Young's ESAA and AAA Youth hurdles titles. The South of England showed that Lindsay and Peter Kelly (Wolverhampton) won't have things all their own way when Donald Danvers of William Penn School and Herne Hill H, dived through the tape in the London Schools' 100m hurdles final in 13.7, a shade ahead of club-mate Fenton Chance (13.8). The English Schools' final should be worth watching, even if the Motspur Park cinders do slow them up some. The London Schools' (at Crystal Palace, June 14th) was also the meeting which saw Belgrave's relentlessly improving Steve White (18) clock 21.7 for 200m, and LAC's Steve Alagoa (18) win the Senior 100m final in a nifty 10.8. The new 800m find of this season, Tony Martin of Dulwich

(18), arrived too late for the 800 heats, and so contested the 400m where he cut his best drastically to beat Strand's Jack Sam (19) by three tenths in 48.6. Seems there's nothing Tony can't do. Note the fast 400 flat time by 400m hurdler Ricky Taylor (18) of Ayr Seaforth at Leicester the same day—48.7; indication that he has something big in the bank for his hurdling.

NUTS marathon expert Brian Nott has sent me details of a good 6 miles time by 14-year-old Michael Downes of Stafford AC who toured the distance in 32:30.4 at Stafford on May 3rd. The only performance I have to compare with that is John Boggis's incredible run of 30:28.4 at the age of 15 in 1966 . . . Birchfield Harriers have two real prospects over 1500m in Mary Stewart (sister of the famous brothers) and Margaret Cope, who might well be the country's leaders over this distance in the years ahead, going by their excellent battle in which both clocked 5:09.8—not that these 14-year-olds are slouches over 800, of course . . . more fine 400m running from Youth Peter Beaven (16) of Kirkham GS and Junior Derek Price (17) of Blackpool on June 11th. Derek clocked 48.3 and Peter 49.1 at Blackburn; while the sensational improvement to 54.9 by Pauline Attwood (Bristol) has been amply covered elsewhere. Shortage of space has kept "Spotlight on Youth" down this week; but fuller editions will follow.

SCOTLAND

Another Good Hammer Throw By Bryce

Scottish Universities Championships, at Westerlands, June 7th. Laurie Bryce set a new Championship Best and ground record with a winning hammer throw of exactly 200ft (60.96) and then hurried off to the British Isles Cup match at Grangemouth. Robert Bruynooghe, a 19-year-old Belgian student at Edinburgh, cleared 1.90/6'3" for another championship best soon afterwards. Among the girls, Winnie Adam won the 100 and 400 and looked a sure winner of the 200 until she pulled a muscle a few yards from the tape, and limped in second.

BUSF Championships**At Motspur Park, June 13th/14th**

Second Twice But Briscoe Outstanding

THE BUSF Championships produced much of high quality, on a day of exceptionally good weather. On the track, the best performances came from John Kirkbride and Frank Briscoe in a lively 1500m battle, Ricky Wilde and Briscoe again at 5000m, Alistair Blamire's surprise breakthrough in the steeplechase, and Andy Todd over the hurdles. The field events were generally of a lesser standard, with the marked exceptions of Barry Williams and Laurie Bryce, whose hammer contest produced new ground and championship records by both. Best performance "award" for the girls would probably go to Ruth Martin-Jones by a small margin from Gay Porter. With a team trophy at stake, Ruth used her pentathlon capabilities to good effect, scoring three victories and two second places—and totalled over 4,300 points on the pentathlon tables!

Although he managed only two second places, Frank Briscoe was to my mind the outstanding track athlete. He was very unlucky in drawing what turned out to be an unusually fast heat in the 1500m, which he won in 3:48.2 from Bob Steele and Adrian Weatherhead. Less than 90 minutes later he was involved in an excellent 5000m race, with Ricky Wilde, Andy Holden, John Valentine and Harold Chadwick as leading contenders. After a cautious opening mile in 4:39.8, Andy Holden tried to break away, but by the closing stages Briscoe was forcing the pace and only Wilde could stay close. At one point it seemed that Wilde would lose contact, but he burst into life at the bell and Briscoe found his

earlier exertions took too much toll to permit any response. The following day, Briscoe lined up with John Kirkbride for the 1500m final, having agreed to set the pace to help the Loughborough man reach the 3:42.0 European qualifying standard. And quite a pace it was: 57.4 at 440, 1:57.4 at 880, 3:00.1 at 1320. Kirkbride took over just before the bell (2:42.9) but was unable to drop Briscoe, who fought bitterly throughout to lose by a mere foot. The final time was a slight disappointment, missing the standard by almost 3 sec., but Kirkbride had the satisfaction of scoring his third successive victory in these Championships.

Andy Holden was probably rather disappointed by his endeavours, and his many supporters may be dismayed by his steeplechase defeat in particular, but he was a mass of blisters after the 5000m and was perhaps unwise to attempt a double at this level of competition. Of course, he probably did not expect such spirited opposition from Blamire, who passed the 9 minute barrier with surprising ease, and clipped Bryan-Jones's meeting and ground record by 1.8 sec.

Andy Todd looked set for a double after cruising through heats in 51.4 and 14.8, but a recurrence of his recent hamstring trouble when half-way round the 400mH final caused him to throttle back to 51.6 and scratch from the 110 final. This was taken by Graham Gower, thus completing his hat-trick in this event.

"Never Again"—Gasp Della!

"NEVER again," murmured Della James, Southern 100 and 200m champion, moments after winning her first ever 400m race in 57.9 at the Nan Brown Trophy meeting. After a rapid recovery, which suggested that she had taken less out of herself than she imagined, Della was having second thoughts and admitting that she plans to concentrate on the 400 "in a couple of seasons' time." Fastest away, and with only one other runner outside her, she soon built up a lead of some twelve yards at the 200m mark (where fiancé Alan Pascoe caught her at 25.6; the aim was 26.0), but over the last 100m into a headwind she began to tire rapidly. Nevertheless, it was a bold experiment and with more one-lapping experience Della's time should diminish accordingly. She expects to run her next 400m as part of London Olympiads 4x400 team in the WAAA championship on August 2nd.

Anita Neil and Julie Sheppard were among a group of athletes who had dashed by car from racing at Crystal Palace the same afternoon, before renewing their rivalry in the 100m. For Julie, it had been quite a hectic week-end, with nine hard sprint races in 28 hours, which was, as she said, "a bit much!"

SUE PLATT RETURNS

Women's Athletics

SUE PLATT ended months of speculation about her javelin form when she threw the spear 48.08/157'9" at the Norrköping Trophy meeting at Chiswick on June 14th. The throw, although well short of her UK and meeting record of 55.60/182'5" set last year, is the second best in Britain this year, having been bettered only by Anne Farquhar.

Anita Neil dominated the long jump, held into a slight headwind, with a series that never dipped below 5.85/19'2½", although her final two jumps were both off the wrong foot. Anita, whose 200m debut the previous week resulted in a very respectable 24.9 Northants title victory, had a best of 6.09/19'11½". Southern 100m hurdles champion Sheila Garnett ran her fastest legal time, 14.1, and on current form looks to be Chris Perera's strongest British rival for the WAAA title.

FRANCE

Four Girls at 54.1 or Better

Bernd Diessner (E. Germany) posted the world's fastest 5000m time of the year, 13:36.8, at the Mericamp Memorial in Paris. He sprinted past Werner Girke 80m from the tape, with another West German, Ulrich Brugger (22), creating a sensation by taking 3rd place in 13:38.6... his previous best was 14:02.0! Guy Drut equalled the world junior best for the high hurdles and no less remarkable was the 2.05/6'8½" high jump by Marc Noe—one week before his 16th birthday. Note the depth of French women's 400m running this season: four girls between 53.5 and 54.1. The Tartan track at Colombes was inaugurated with some good performances, notably Jean Wadoux's 3:39.2 1500m (69.7 for last 500m), but there was only a total of 488 spectators for the two-day meet, the Ile-de-France Championships.

Pascoe Gains Revenge Over S. African

At Crystal Palace, June 16th

THIS year's match between the Southern Counties, UAU, P.E. Colleges, and for the first time, Scottish Universities, saw the establishment of many top-class performances. The high hurdles gave Alan Pascoe the opportunity to gain his first victory over South African Willie Coetzee (both have personal bests of 13.8). After two false starts, Pascoe got away the better and although hard pressed by Stu Storey in the early stages, never looked like losing the race. He clocked 14.0, his fastest ever in Britain, with Coetzee two yards behind, and Storey a tenth outside the European qualifying standard.

With the temporary absence this year of his namesake Chris in the 800m, Andy Carter turned in a fine display, clearly designed to impress selectors of the necessity of a Carter in the international team this year. After Colin Campbell had led the field through the bell in 52.8, and John Boulter had taken the lead with a furlong remaining, the 20-year-old Manchester University student burst to the front halfway round the final bend, holding on to win in a magnificent 1:49.2, a personal best.

Mention must be made of the diabolical treatment that the hammer throwers had to tolerate. Compelled to perform outside the stadium, in a very slow circle in front of only a few spectators, there was little wonder that they all threw well below their best.

WALKING

WARHURST FASTEST IN BRITAIN

Northern 50 km at Sheffield, June 21st. In winning the Northern 50km John Warhurst recorded the fastest time in Britain this year—4:28:58. Over the same course as last year's National race, a group of three disputed the lead from the gun and were together at 16 miles where Ron Wallwork ran into a bad patch. At 18M Roy Thorpe was through in 2:39:10, some 30sec ahead of Warhurst, with Wallwork 6 minutes down. Over the final miles, however, Warhurst pulled out a snappy finish and scored an easy win from Thorpe. Guy Goodair came through for third after Wallwork dropped out at 19 miles. 1, J. Warhurst (Sheff. UH) 4:28:58; 2, R. Thorpe (Wake) 4:42:39; 3, G. Goodair (Wake) 4:49:28; 4, E. Lee (Wake) 4:54:54; 5, H. Holmes (YMC) 4:57:56; 6, J. Edderson (Sheff) 5:05:25; 7, A. Invitation 3000m track Walk at Brighton, June 21st. In the second half of the race Ken Easlea came through very fast but Bob Coates astonished everyone by pulling away to win in a time 45 sec. under his previous best! 1, R. Coates (Bel) 13:16.4; 2, K. Easlea (Enf) 13:18.2; 3, P. Marlow (S'end) 13:20.8; 4, L. Duquemin (Bel) 13:27.4; 5, A. Buchanan (B & H) 13:30.6; 6, B. Armstrong (If) 13:43.2; 7, D. Stevens (Steyn) 13:53.8; 8, G. Robinson (Enf) 14:06.0.

John Warhurst wins "Bradford" just 48 hours after second in "Mercury". In his first attempt at the distance, John Warhurst proved too strong over the last tough 10 miles for his fresh rivals, despite the fact that he had raced a flat out "20" in the "Leicester Mercury" race the previous Saturday. George Barras and Guy Goodair both tried to tire the Sheffielder and, though not succeeding, recorded personal bests. **At Bradford, May 26th.** 1, J. Warhurst (Sheff UH) 4:32:58; 2, G. Barras (Wake) 2:41:58; 3, R. Wallwork (Lancs WC) 4:44:32; 4, G. Goodair (Wake) 4:46:06; 5, H. Wheeler (Yks) 4:52:50; 6, P. Duncan (Bel) 4:55:40; 7, A. Taylor (Lancs) 4:56:49; 8, J. Evans in good form. Richard Evans (18) of Brighton & Hove AC, has shown some sparkling pace over the 3km distance in recent weeks. His clockings of 13.31, 13.41 and 13.46 are all well inside the standard of 14.10 set by the AAA for record applications in the under-19 age group. Unfortunately, at both the County Junior and Senior Championships there was not the full complement of three grade 1 time-keepers present. Less than 24 hours after his County Junior victory (13.46) Evans recorded a 49:51.2 for a track 10km on a warm Sunday morning.

Pamich wins in Copenhagen. Competing in a triangular match against Sweden and Denmark on June 1st, the former Olympic champion had a narrow win over Stefan Ingvarsson and Vittorio Visini and led his countrymen to victory. 35km: 1, A. Pamich (It) 2:49:57.6; 2, S. Ingvarsson (Swe) 2:50:46.2; 3, V. Visini (It) 2:51:33.4; 4, O. Andersson (Swe) 2:51:57.4; 5, S. Lindberg (Swe) 2:57:24.6; 6, A. Zambaldo (It) 2:58:55.2. Juniors: 1, F. Fast Lancashire Lad. David Ward (born 28.5.52) has been displaying outstanding sprint form in recent Lancashire events. After winning the County Schools 5km road title in 24.26 on June 14th, he scorched around a mile three days later in the Leigh club championships to win in a magnificent 6:58.6 from Tony Taylor (7:30.0) and Tony Malone (7:45.0).

Week-end events. On Saturday, the Northern long distance classic, Manchester-Blackpool, starts at 6.15 a.m. with the distance now calculated as 83km. Wakefield should have the team race sewn up from the promoting club while, individually, the holder Pat Duncan will have old rivals Guy Goodair, George Barras and Roy Thorpe as his closest challengers. On Sunday, at Crystal Palace, there is the 5M record attempt featuring Paul Nihill with Phil Embleton, Bill Sutherland, Roger Mills and, possibly, Peter Fullager as the chief supporting cast.

London Telephone Region 3000m: 1, G. Robinson (Enf) 14:21.4; 2, M. Neale (Steyn) 15:07.8.

Lees and Dordoy victors in "Corsica" Cup races. A splendid field of 48 contested the boys' race held on a fast circuit measuring 1.055m. Laurence Dordoy confirmed his superiority by winning from his usual close rival, Dave Maynard. The Indian lads from Moat School showed how well they have benefited from regular training by easily taking the team title. The Junior race was a very close affair with tall Mike Lees, formerly with Cambridge H, but now living in and walking for Leicester, just pipping local Olly Flynn. Richard Evans was a good third leading

home a Sussex/Essex contingent that filled every place in the first dozen bar the winners. Andrew Grant was a convincing winner of the youths' section. The promoting club lost the team title owing to the fact that the other Olly, Caviglioli, was resting a troublesome leg injury for a French Junior international due this Sunday. **At Basildon, June 21st. Junior/Youth 5Km:** 1, M. Lees (Leics) 22.36; 2, O. Flynn (Basildon) 22.37; 3, R. Evans (B & H) 23.59; 4, R. Emley (Steyn) 24.16; 5, A. Grant (Bas) 24.30; 6, D. Holly (Thurrock) 24.32; 7, R. Former Leicester man again racing in California. Leicester WC members in particular will be interested to know that their former member, Chris Clegg, a stalwart member of their winning long distance teams in the immediate post war years, is once again competing in local events in California.

National Coaching conference proposed. It has been arranged by National coach, Lloyd Johnson, to have a week-end course at Lilleshall from November 7th to 9th on which there would be some 20 places available. Lloyd hopes all areas will be represented and that views will be aired and that methods can be co-ordinated so that the needs for a particular branch can be brought to the notice of the governing bodies. I trust all coaches will take note of the date.

Bill Sutherland wins a close, fast Lambeth "5". After a fast start a bunch consisting of Mills, Sutherland, Duquemin, Moullin, Ross, Middleton and Wesch led at the foot of Tulse Hill. Colin Young came through to head the field up the climb and after one lap (18:06) was forcing the pace from Sutherland, Duquemin and Mills. On

the Tulse Hill ascent, Mills and then Sutherland were dropped while Young forged ahead of Duquemin near the top to gain the "climbers" honour. On the descent he was quickly joined by the Belgravian, while both were caught by Bill Sutherland with a mile to go. On the flat finish the Policeman had the stronger finish and clocked a magnificent 36.11, the second fastest time by a Briton on this course behind Nihill (35.46 in 1966) despite the fact that winners include John Webb and Peter Fullager. The team race proved a good thing for Belgrave, while one of their members, the highly promising Bob Coates, won the handicap. Persistent Amos Seddon had a good race while it was good to see Brian Hawkins and Peter Selby competing again in London events. **At Lambeth, June 10th.** 1, W. Sutherland (H'gate) 36.11; 2, L. Duquemin (Bel) 36.18; 3, C. Young (Ex Bgls) 36.29; 4, R. Mills (Ilf) 37.42; 5, R. Middleton (Bel) 37.46; 6, B. Armstrong (Ilf) 38.19; 7, W. Wesch (Bel) 38.22; 8, J. Moullin (Bel) 38.27; 9, C.
