SCOTTISH NEWS — From Colin Shields

SCOTTISH AAA WEST DISTRICT CHAMPIONSHIPS

At Westerlands, May 31st

THOUGH the shot and pole vault were cancelled due to lack of entries, and the remaining field events poorly supported in depth, there were some fine field event performances at the Scottish AAA West District Championships at Westerlands on May 31st.

Tom Campbell, who recently set a personal best hammer throw in the Scottish Universities Championships at Stirling, surpassed this in four of his five legal throws. He ended a fine series (57.58, 60.42, 59.64, 58.98, nt, 59.74) with 60.42/198'2½" becoming only the third Scot to beat the 60m barrier and get near his training marks of over 208'.

David Birkmyre retained his javelin title with 69.66 to rank fifth best in Britain while clubmate Colin Watson had his usual (for him at least) double of discus and long jump. Tom Black took the triple jump with 14.28. Ron Fullelove had the unfortunate experience of hearing of Angus McKenzie's 7' clearance just as he was attempting 2.00 and promptly lost his composure to finish winner at the good height of 1.96—only 2cms from his personal best set earlier in the season.

The track events were uninspiring but doubles from Lawrie Spence (1500/5000), Roy Baillie (400/800) and Cameron Sharp (Youths 100/200) together with a fine Junior 1500m victory by Mark Watt from clubmate Nat Muir stood out.

SCOTTISH AAA EAST DISTRICT CHAMPIONSHIPS

At Meadowbank, May 31st

A splendid field events treble by Paul Buxton, the massive 17 stone teenager, highlighted the

Scottish AAA East District Championships at Meadowbank Stadium on May 31st. All his winning throws surpassed the European Junior Qualifying standards, but his discus mark of 53.14 set a new Scottish native record, beating Mike Lindsay's 12-year-old record. He also set personal bests in the shot and hammer.

Though a number of the top East athletes were at the British Games at Crystal Palace the younger athletes seized their opportunities and seven of the ten track events were won by Juniors. Drew Harley took the 100m from a strong field in 10.8 and later added the Junior 200m in 21.8—faster than Graham Malcolm's victory in the Senior event. John Robson continued his excellent progress in middle distance events, taking the 1500m from a strong field and Jim Dingwall followed the eager pacemaking of Colin Youngson and ran away with his usual fast finish to set a personal best of 29:22.8 in the 10,000m. Veteran, Alastair Wood was a fine third in 30:35.2 beating former clubmate, Sandy Keith who has now joined the stable of EAC runners.

Tony Tarquini cut a large chunk off his previous 400 hurdles best—and he is still learning how to run the race—while Paul Kenney came near to breaking nine minutes when he easily took the 3000m steepchase in 9:07.6.

Terry Young set a blazing pace in the Youths 800m and had a large lead with 200m to go only for Derek Innes, who had run a very even paced race, to cut him back and just fail to catch him at the tape. Young, previously better known as a 1500m runner, set a personal best of 1:55.9 with the other placers also gaining personal bests.

Brian Riddles had a fine 13.71/56.64 double in the shot and hammer and looks to be following in the footsteps of Chris Black and Paul Buxton.

SCOTTISH WAAA INTERMEDIATE & JUNIOR CHAMPIONSHIPS

At Pitreavie, June 8th

The large entry at the Scottish WAAA Intermediate and Junior Championships at Pitreavie on June 8th revelled in the glorious sunshine and the temperature (in the high 70's) brought out many record performances.

Fourteen-year-old Fay Nixon, the diminutive dynamo from Grangemouth, now running for Edinburgh Southern Harriers, who shone over 800 metres last year has concentrated on sprinting this season. She had a fine double, taking the 100m in 12.3 from a large entry necessitating 14 heats, and later won the 200m in a record 25.0, the fastest Junior performance in Britain this year. Valerie Smith took the Intermediate sprints in 12.2 and 25.0 from a greatly improved Anne Dalton.

Karen Williams maintained her 400m supremacy over Ann Clarkson with only 0.1sec separating them at the tape with Irene Anderson breaking new ground when clocking 57.6, for third place. The distance track races produced fine competition as Kerry Robinson broke the Intermediate

800m record with 2:15.1 after spirited competition from Lesley Longan (under 2:20.0 for the first time ever). Little Fiona McQueen won the Junior 1500m in 4:59.1, over 5sec faster than the Intermediate result, and again her finishing sprint proved decisive over her always present rival, Linda Johnston.

Sandra Livingston won the 200m hurdles on her home track in a record 28.8, the same time as Fiona Robertson who had earlier won the 80m hurdles in 12.0. Jacki Pinkerton took the Intermediate high jump with 1.61, just 2cms outside Barbara Lawton's nine-year-old record (one of the oldest Championship records surviving) and Sandra Hay won the long jump with a good jump of 5.56m.

DYNAMO.

**BECAUSE IT JUST GOES ON
GETTING TOUGHER.**

It goes on getting tougher because your energy reserves cannot supply the necessary amount of fuel which muscles under strain need.

This lack of fuel causes your muscles to become tired, and that's when your performance begins to deteriorate.

But now there's Dynamo, a most effective balanced answer to this problem.

It's a concentrated energy drink that is easily and speedily absorbed into the body to quickly supply muscles with the amount of extra energy they need to go on working at their peak.

Drinking Dynamo also helps to avoid the possibility of cramps

because Dynamo contains mineral salts that replace salts lost through sweating.

Beecham have spent four years testing Dynamo among leading sportsmen. And many British teams are already using it.

Dynamo is now available at Boots and other chemists.

If you would like more information about Dynamo, please write to: Dynamo Information Centre (XR), 8 Hill Street, London W1X 8DQ.

DYNAMO MAKES THE MOST OF YOU.

**JOINERS SQUARE COMMUNITY
FESTIVAL 3M ROAD RACE****At Stoke, June 4th**

Just three days after the tremendous local involvement in the AAA marathon Championship, several hundred mums, dads and children lined the short 880 yard lap for a Community Festival 'round the houses' three mile road race. Wade Cooper looked to be the favourite especially as many in the field were still feeling the effects of the marathon race a few days before. However, Wade never really came to terms with the race and it was left to the quintet of Stoke athletes to dictate the race. Running shoulder to shoulder were the Veteran International Roy Fowler, desperately getting back to fitness after injury, and the youthful, Glyn Harvey. Roy's diminutive stature is ideal for such tight courses and this helped on the three sharp bends on each lap. A large and enthusiastic crowd lined the finishing street to spur Roy to a narrow victory over his young colleague.

OVERSEAS NEWS AND RESULTS

AMERICAN TOUR OF CHINA

AN event occurred last month which, just a few years ago would have been unthinkable: an official American AAU team visited China. Three non-scoring meets were held, notable for a smattering of world class performances but mainly for the friendship engendered. Although lacking many top stars, the American team practically swept the board during the tour (91 wins in 99 events) but there were a few impressive achievements on the Chinese side. Li Hsiao (born 1957), whose best last year was 49.00/160'9" twice defeated Barbara Friedrich in the javelin and set a national record of 57.70/189'4"; while Kang Yu-lee (6.43/21'14" in 1974) outjumped Martha Watson in the Peking meet.

Irving Kintisch, one of the coaches accompanying the US team, said the Chinese "have some great kids but they are at least four to eight years away from reaching International level. At first I thought they might have five or six men up to Olympic calibre; now I don't think that many". Colleague Ed Temple thought there were only two or three women of Olympic standard. "They have a lot of building to do", he said. They must get weight programmes and concentrate on other developing techniques. But they shouldn't forget you can't mass-produce good athletes".

Temple added: "I think they expect to find instant success. In our clinics and discussions I get the feeling that they expect us to say 'This is the way to do it', and then they can go out and develop stars on an assembly line basis. It is a slow process. It takes patience".

Meanwhile, there is a chance that China will soon return to the Olympic field and compete in Montreal. IOC president, Lord Killanin, has said "We want the Chinese people back in the Olympic movement but at the same time we do not want to split the sporting world down the middle". The stumbling block is Taiwan, and China has demanded they be given Taiwan's seat on the IOC. Lord Killanin will be visiting China and Taiwan and the IOC could vote on China's readmission early next year.

WALKING**FINEST EVER RWA CHAMPIONSHIP?**

IF there has been a better RWA National Walking Championship than the 20 miles held at Castletown, Isle of Man, on June 14th, I would like to hear about it. Everyone on the Island, young and old, seemed in agreement that the 56th 20 miles Championship was the finest they had attended. Excellent local organisation by John Quine and Boundary Harriers was rewarded by a very high class race from a 165 man field in perfect weather.

Roy Thorpe went out from the start intent on retaining his title and led through 5M in 38:54 with Sheffield clubmate, Jake Warhurst. Peter Selby was making a great show at this stage in 39:16 with Southend duo Alec Banyard and Bob Dobson on 39:28. The first ten were completed by John Lees (39:44), Carl Lawton (39:53), Amos Seddon (39:56), Ian Brooks (40:04) and Ian Richards (40:05).

Thorpe (78:05), Warhurst (78:08), Banyard (78:09) and Dobson (78:10) were closely bunched at 10M with Peter Selby heading the chasers by almost a minute in 78:23. At 15M the gummy little Yorkshireman had 26sec on Bob Dobson with 1:57:01 while Warhurst, the Commonwealth champion, was hanging on to a medal position in 1:57:52.

On the last circuit of this pleasant undulating country course Bob Dobson made his big effort

to win in an excellent 2:36:26; made up of 5M splits of 39:28/38:41/39:18/38:59.

The Sheffield pair headed their team home to a great victory over favourites Southend who struggled after Ian Brooks retired after passing 15M in 11th place. Hero of the Yorkshire squad must be Veteran, John Eddershaw, who had come over on the midnight boat and walked his finest race ever for seventh place. Third were Brighton & Hove who inched ahead of Southern rivals Surrey with Belgrave fourth.

There were many fine individual performances but the most heartening came from younger walkers, Geoff Hunwicks, Denis Jackson and Denis Holly, while the Veterans, John Eddershaw, George Chaplin and Ray Middleton, showed they have still much to offer. A word for Alec Banyard who always seems just to miss out these days despite his finest '20' yet in fourth place ahead of tough Amos Seddon. Yes, this was a great Championship and the 200 or so competitors and officials who travelled to the Isle of Man must be wondering when next? Meanwhile Boundary Harriers must add up the costs of a successful venture knowing what they lost financially was more than made up for by the relationship they cemented among the walkers who had the honour to compete in the 1974 Championship.

FOSTER v STEWART—AND SO MUCH MORE

Glittering entry for Philips Golden International on July 4th

BRENDAN FOSTER and Ian Stewart have not raced each other on a British track since the 1973 AAA 5000m, the occasion when Foster succeeded to the position of Britain's number one at the distance. Since then, Foster has become world record holder for 3000m and two mile and European 5000m champion, while Stewart—after a brief retirement from the sport—has won the European indoor 3000m and IAAF cross-country titles this year. Any confrontation between these two uncompromising competitors has to be of enormous interest, and their duel over 2000m in the Philips Golden International at Crystal Palace next Friday evening (July 4th) should alone be worth the price of admission.

But they have company—and what company! John Walker (NZ), history's second fastest 1500m runner and on paper perhaps the favourite for this intriguing race . . . Rod Dixon (NZ), Olympic 1500m bronze medallist . . . Emiel Puttemans (Bel), 5000m world record holder . . . Anders Garderud (Swe), European steeplechase record holder . . . Knut Kvalheim (Nor), who defeated Ian Stewart over 2M at the Borough Road meeting . . . Jos Hermens (Neth), who clocked 13:22.4 for 5000 behind Puttemans recently . . . with Dave Black and Tony Simmons completing a remarkable field. First reserve is Marty Liquori! The world record is Michel Jazy's 4:56.2—five laps at 59.2 apiece.

That event alone should fill the stadium but there is much else to look forward to in a meeting which promises to be one of the finest ever staged in this country.

Alan Pascoe meets up again with John Akii-Bua (Uga), not to mention world 440yH record holder Ralph Mann (USA); David Jenkins, fresh from his AAU triumph, clashes over 300m with Stan Vinson (USA) who was 3rd in that 400, European 400 champion Karl Honz (WG), his colleague Bernd Herrmann, and fast improving Stephen Chepkwony (Ken); Geoff Capes faces a strong challenger in Terry Albritton (USA), a 21m performer.

The mile has drawn an imposing field, too, including European record holder Eamonn Coghlan (RoI) at 3:53.3, Ulf Hogberg (Swe) at 3:54.5, Graeme Crouch (Aus) at 3:34.2 for 1500, European silver medallist Tom Hansen (Den), Mexican 3:58 performer Martinez, Ken Popejoy (USA) and Ray Smedley. Mark Enyeart shock winner of the AAU 800 in 1:44.9, will be seeking to defeat Rick Wohlhuter again—while other challengers include Mike Boit (Ken) and Steve Ovett. The 3000 features the Kenyan distance runners and steeplechasers who performed at the Borough Road meet, together with Glenn Herold (USA), Gomez (Mex), John Davies, Bernie Ford and Tony Staynings.

In other action, Andrea Lynch will attempt to break the world 60m record (7.2) she part-owns; Donna Murray races Denise Robertson (Aus) and Liz Barnes over 300m; Lesley Kiernan and Joan Allison face Charlene Rendina (Aus), Grete Andersen (Nor) and Charlotte Bradley (Mex) in the 800; and top-class overseas competitors will be seen testing our best in the sprints, pole vault, hammer and javelin.

MILTON KEYNES MARATHON

A coach, organised in the face of the threatened train strike, to take athletes from Central London out to the Milton Keynes RRC marathon on July 5th, will operate as planned. The coach will leave Central London at 11 am and return after the race. Details from Vic Gutteridge, 42 Withy Croft, George Green, Slough, Bucks (Tel: 0753 26076).

Alison Manley's winning clearance in the Surrey WAAA high jump on June 4th was 1.72/5'7¼" and not 1.71 as printed. This is a European Junior qualifying standard.

Sportsuitability

Step into the Litesome line and the show is off to a great start.

Litesome Sportsuits cut the right sort of dash on or off the field. They're cosy, comfortable, convenient.

WALKING continued from page 13

From the start the Mexicans forced the pace with Morikawa (Japan) and De Jonckheere keeping them company, chased by Bob Dobson, Steve Gower, Muller (WG) and Taddeo (Italy). The latter two were later disqualified while Gower succumbed to the sun and heat around 15km. Domingo Colin, the only slow starting Mexican, came through after 3km or so but Battista and Aroche were away and never to be caught. They joined forces around halfway but Battista pulled clear again for an impressive victory. De Jonckheere held on well to stave off an inspired Don Cox who took 1½ minutes out of Bob Dobson in the last 4km. Certainly on his current form Cox has every possibility of making the Lugano Cup 20km squad. The 25 strong British contingent had a very enjoyable weekend and certainly made their presence felt. Alan Buchanan and George Chaplin, the latter leading the Vets section throughout, had fine races while, in all, there were ten Britishers in the first 28 despite the presence of such established internationals as Hans Mayr, Charly Sowa and Manfred Kolvenbach. The British lads dominated the Junior 10km, which turned out to be a lap short, with Mike Dunion outstanding on the cinder track, and Shirley Wood took third in the women's 3km with Nadine Mogis an outstanding winner. Certainly the best race walking yet seen in Holland and greatly appreciated by the crowd.

Steve Gower shows good recovery to win Lambeth '5' on June 10th. Although just over two days from his gruelling race in Rotterdam where he retired in the last quarter of a hot weather 20km, Steve Gower had recovered enough to win over a good class field in this popular

mid-week annual classic. Held over paths in a park with the testing climbs taking their usual toll, Gower was left a clear winner over Carl Lawton and Amos Seddon with Dave Stevens an excellent fourth. Derek Johnson and John Hall both had very satisfactory races while Bob Tanner also recovered well from a hectic weekend in Rotterdam. Olly Caviglioli continued to improve in his 'comeback' while John Bromley just got home as first Veteran with the irrepressible Bryan Hawkins not far away. Colin Pope led home a Steyning onslaught in the Youths race. 1, S. Gower (Ilf) 36:40; 2, C. Lawton (Bel) 37:05; 3, A. Seddon (Enf) 37:15; 4, D. Stevens (Stey) 37:33; 5, P. Selby (Sy) 39:03; 6, D. Five under 4:20 in Mexican 50km Championship as Gonzales wins in 4:07:17.6, April 5th. Only eight, including two Juniors who were not contesting the full distance, started in the event which commenced at 7 am. Raul Gonzales, weathering a rough time between 20 and 25km, put in a great second half to record a sensational time considering the altitude. Domingo Colin, regarded as a 20km specialist, showed surprising strength to hold second from the consistent Aroche. Bautista had his usual 50km of fits and starts while youngsters, Vera and Flores, showed their potential though the latter did have a gruelling last 10km. 1, R. Gonzales 4:07:17.6 (10km: 49:10/20km:97:44/25km:2:03:38/40km:3:14:55); 2, D. Colin 4:13:15.6 (49:37/98:58/2:03:33/3:20:33); 3, P. Aroche 4:15:05.6 (49:37/98:58/2:03:33/3:21:09); 4, D. Bautista 4:18:39.0 (49:10/98:40/

2:03:33/3:25:15); 5, E. Vera 4:19:19.0 (50:08/100:00/2:05:26/3:22:55); 6, A. Flores 4:32:55.6 (50:10/101:14/2:06:48/3:28:06). Weather: 18° at start, 26°C at finish.

Mexican clean sweep in both 10 and 20km at Tortono, May 25th. Before starting their European tour, the Mexican squad visited Toronto for a match against the Canadians. Events were held on a flat course consisting of 1,250m out and back. Only the No 1 Canadian, Marcel Jobin, stayed anywhere near the visitors although both young Neville Conway and super Vet, Alec Oakley (46) recorded very satisfactory performances. Enrique Vera had an excellent 10km to beat specialist, Angel Flores, while Raul Gonzales showed his usual superb race judgement to overcome by a large margin those top world class performers, Aroche and Colin. With only two to be selected for the Pan American 20km it is going to a hard job for Coach, Jerzy Hausleber, to select from Daniel Bautista, Gonzales, Aroche or Colin. **(10km)** D. Bautista (Mex) 42:34 (2½km:10:24/5km:21:03/7½km:31:36); 2, E. Vera (Mex) 42:48 (10:24/21:01/31:50); 3, A. Flores (Mex) 43:54.8 (10:38/21:36/32:39); 4, N. Conway (Can) 48:00; 5, P. Leblanc (Can) 49:23; 6, L. Menard (Can) 50:04. **(20km):** 1, R. Gonzales (Mex) 87:50.6 (22:00/44:12/66:02); 2, P. Aroche (Mex) 90:06.6 (22:01/43:47/66:16); 3, D. Colin (Mex) 91:07.6 (22:30/44:51/67:40); 4, M. Jobin (Can) 93:40.4 (22:42/46:05/69:47); 5, A. Oakley (Can) 98:08.6 (23:30/48:04/73:03); 6, P. Farrelly (Can) 99:06.4 (23:53/48:37/73:47).

Alan Buchanan under 47min to win Sussex 10km Track Championship at Brighton, June 3rd. Leading throughout, Alan Buchanan chalked up a further solid effort to his already impressive list over this distance this year. Dave Stevens, after dogging Buchanan for halfway, suffered a disqualification, a similar fate befalling Dave Boxall early on. Personal bests for Stuart Elms (a massive improvement) and Derek Johnson. Bryan Hawkins (47), fifth at the distance in the 1954 European, was a commendable fifth on scant training. 1, A. Buchanan (B&H) 46:45.0; 2, S. Elms (B&H) 47:15.0; 3, D. Johnson (B&H)

BETTER NEWS FROM MONTREAL

Latest reports from Montreal state that construction of the Olympic Stadium is now proceeding on time and that work on the Olympic Village is three weeks ahead of schedule.

The correct figures for J. Minnott of Selsonia in the Surrey Intermediate Pentathlon Championships held on May 3rd were: 4.77, 28.7, 15.1, 8.65, 1.40 —which give a total of 2762 points and thus make the winner S. Dalgoutte (Mit) 2802 and J. Minnott now takes second place.

Avon Co 3km Champs at Whitchurch, June 1st. 1, T. Moore (Bris) 14:13; 2, T. Chorley (Bris) 15:07; 3, M. Parker (Bris) 16:29. (Youths): D. Pym (Bris) 16:53.

Brilliant effort by Mike Dunion in Essex 3km in finishing a close second to Don Cox at Chelmsford, June 6th. Following a 1:42 first lap, Geoff Hunwicks briefly took the lead only to be replaced by Bob Dobson. In the penultimate lap, young Mike Dunion, walking his finest race yet, took the lead only to be outkicked by the local favourite, Don Cox. In a tight battle for third Amos Seddon edged ahead of Dobson with 300m left. Tremendous standard and remember the 'big three' of Flynn, Marlow and Mills were missing. 1, D. Cox (S'end) 12:56.2; 2, M. Dunion (Ex Pol-J) 12:58.0; 3, A. Seddon (Enf) 13:02.8; 4, R. Dobson (S'end) 13:03.4; 5, S. Gower (If) 13:44.8; 6, A. Banyard (S'end) 13:47.0; 7, D. Reimann wins hot weather 20km at Bucharest on May 25th as both Kannenberg and Frenkel retire. A very high class field contested the race held on a 2½km out and back circuit. Ten men were within a second of leader Sandor Florian (22:31.0) at 5km. By halfway Hans-Goerg Reimann (44:57) shared the lead with Maxim then a gap to Florian (45:06), Stanescu (formerly Gasitu) (45:09), Brandt (45:20), Juganoru (45:37), Enache (45:39), Antal (45:40), Galusic and Ornoch (45:44) . . . Adams (46:45). The warm conditions took their toll and amongst the retirements were Olympic Champions, Frenkel and Kannenberg, the latter never passing the British pair throughout the race. Reimann (67:59.8) had a clear lead by 15km followed by Stanescu (68:06), Florian (68:15), Ornoch (68:40), Brandt (68:45), Juganoru, a non-finisher (68:52), Galusic (68:58), Enache (69:10), Maxim (69:17) and young Vala finishing powerfully (69:17.6). Stanescu troubled the leader right up to the finish while Ornoch, Galusic and Vala improved their placings in the latter stages. Brian Adams had an excellent race beating the famed Ivchenko, the Swedish youth star, Simonsson, and the surprising Morikawa. Roger Mills, having a 'rough one', stuck to it well and had many top men behind him. 1, H-G. Reimann (GDR) 91:15.4; 2, I. Stanescu (Rum) 91:27.2; 3, J. Ornoch (Pol) 91:52.0; 4, F. Sandor (Hun) 92:14.0; 5, V. Galusic (Yug) 92:38.0; 6, M. Vala (Cz) 92:41.2; 7, T. Brandt (Rum) 93:14.6; 8, N. Maxim (Rum) 94:05.6; 9, J. Patev (Pol) 94:12.8;

John Warhurst easy winner of Bradford 50km, May 26th. Less than 24 hours after his sterling 45:11 track 10km, John Warhurst was untroubled in winning over this tough Yorkshire course. In second place, Peter Selby made a satisfactory debut in the event beating out local clubman, Mel McGann, at present serving in the RAF in West Germany: 1, J. Warhurst (Sheff) 4:31:40; 2, P. Selby (Sy) 4:44:10; 3, M. McGann (Yks) 4:45:54.

BRITAIN OVERWHELMED IN DRESDEN

THE British men's team plunged to their heaviest defeat in history (72 points) at the hands of the GDR, and the women's side lost both to the GDR (by 47 pts) and Rumania (5 pts), in Dresden last weekend. There were only three British winners: Nick Rose in the 5000 (13:41.4), Alan Pascoe in the 400 hurdles (49.90) and the women's 4 x 400 squad who brought off the shock result of the meet by narrowly beating the East Germans in a magnificent national record of 3:27.8. Approx splits were 53.2 for Liz Barnes, 51.3 (!) for Gladys Taylor, 51.5 for Verona Elder and 51.5 for Donna Murray.

In spite of the severity of the defeats, British athletes produced numerous fine performances including ten personal bests. New Olympic qualifiers were Roy Mitchell whose 7.90/25'11" leap ranks him 3rd on the UK all-time list; Liz Barnes who ran 53.31 in a non-scoring 400; and Joan Allison (4:11.2 1500). John Hillier was credited with 60.78/199'5" but it is believed a mistake was made and the throw in question was of about 57-58m.

DAVID JENKINS—US CHAMPION

Running "the best race of my life", David Jenkins scored a brilliant victory in the American AAU 400m championship at Eugene last weekend. He clocked 44.93 to break his UK record of 45.18, and miss Julius Sang's Commonwealth mark by one-hundredth, and finished ahead of Fred Newhouse (45.22), Stan Vinson (45.24), Robert Taylor (45.26) and Maurice Peoples (45.26). He ran 45.42 in his heat. Jenkins is the 26th man in history to break 45sec.

His run can be seen on ITV's World of Sport today (Saturday) when highlights of the Championships will be shown.

Spotlight on Hazel Oakes**By Dave Cocksedge****A GIRL OF MANY TALENTS**

"I wanted to beat the European Junior qualifying standard (3,800 points) and I wanted to make sure of it by beating it with a good margin, but I really didn't expect to improve as much as I did and get third place," says Hazel Oakes of the WAAA pentathlon championship at Crystal Palace on May 25th, where she startled nearly everyone by piling up a 4,049 point total to bump Pat McNab out of third place and add over 200 points to her previous best. "The hurdles were a bit disappointing. I was off slowly and I never really felt as if I was flowing over them as smoothly as I'd like to: I ran 14.78. The shot was quite pleasing as I did a personal best of 9.57/31'4" on my third throw. My high jump was 1.66/5'5½" and I failed at 1.68/5'6½" and I might have jumped better except that it went on for ages and we all got cold hanging about.

"The long jump amazed me because it's only recently that I've been putting it together right and it doesn't always work out. Tom says I long jump like a 12-year-old messing about in a sand pit! I made 5.70 odd on my first jump, and then the big one at 5.94/19'6" (windy) on the second. My last one was just over 5.80, and that was pleasing especially as it confirmed that my 5.90 jump in the Kent Championships wasn't a fluke. Then in the 200 I knew I had

only to beat 27 seconds to get over 3,800 points and I felt reasonably certain of running quite a bit faster than that. When we came off the turn, I didn't see anybody and just kept striding out as hard as I could. I think I ran better in the Kent, when Liz Barnes beat me (24.2 to 24.4), but the conditions in the pentathlon were much better. There was no headwind, and I won in 24.14 which gave me 4,045 points (4,049 when scored off the electrical times).

It was a pretty impressive performance by an 18-year-old who only took up the five event test last winter as "a bit of fun as I was getting bored from just running all the time. Halfway through last year I had raced so much that I was physically and mentally stale, so I took a rest and decided to try something else. In 1973 I won the English Schools Intermediate 200m title, but in 1974 I didn't seem to be improving as well as I'd expected. Now I'm hoping to make the team for Athens in the pentathlon, which I'll stick with this year as I'm enjoying it so much, and then see what happens. Some people think I'd be best at 400 and 800, but I feel there's plenty of time yet before I try anything like that seriously."

Coach Tom McNab, who started Hazel working for the pentathlon last autumn, waxes enthusiastically on her ability: "Hazel picks up physical skills very

HAZEL OAKES

Ed Lacey

quickly; she's intelligent and keen to learn and she's not afraid of hard work." Certainly her rapid improvement at long jump and hurdles would bear this out: she has leapt over 6 metres (19'8½") in training and in her first ever 100m hurdles race clocked 14.3. Training with her sister Judith (17), who has already put the senior shot 13.25/43'5½" this year, under the watchful eye of Mike Winch, Hazel can hope realistically for 10 metres (32'9½") or so in the shot this summer, though she admits that she still gives away far too much to many of her rivals in terms of pentathlon points.

There's not much wrong with her running, though. I remember being impressed by seeing her clock a seemingly effortless 56.9 400m on a blustery afternoon at Eltham two years ago and marking her down then as having sub 2 minute 800m potential. If you remember, Ann Packer-Brightwell (800 gold medallist in the 1964 Olympics) was an accomplished hurdler/sprinter/pentathlete too, and had a similar lithe build. Hazel races with the same relaxed, supple stride and although demure and almost excessively modest off the track, she becomes a tigress once she dons a pair of spikes. Donna Murray found this out when Hazel beat her out of the blocks and forced her to an inches win over 100m at Newham on May 7th: Miss Oakes is a fighter who is in to win.

Hazel trains on average four days per week now at Crystal Palace, where she enjoys the atmosphere and company of her training companions like Andrea Lynch, Allison Manley and Pat McNab. "On Sundays I work at hurdling and long jumping and in the afternoon we run 300's. In the winter we were running three of them at 45-46 pace, but now we usually do one hard one in 40-41 sec. Monday I do weights and

on a Tuesday night I work at shot with Mike and high jump with Ron (Murray) before finishing up with some 60m sprints on the drills that Tom does with Andrea. I might run as many as 16 working on different things: hands, arms, legs, feet, etc. On Wednesday it's hurdle and long jump training again, and I occasionally do a little high jumping or shot putting as well. Thursdays I do some more shot work with Mike and then lift weights either in the gym or in the heavy weights room. Friday is rest day and on Saturday I either compete or do some shopping."

An Elton John fan who plays classical piano and folk guitar, Hazel says she most admires "Peter Gabbett because he would still be our best decathlete if he was still competing seriously, and because he was a big help to me during the WAAA Pentathlon with his advice and encouragement," and also ultra distance runners "because I just don't know how they can run hard for hours and still look fresh at the end. Two laps is as far as I'd ever think of running." It's probably as far as Hazel Oakes will ever need to run.

SCAAA secretary Arthur Kendall underwent a prostrate gland operation last week. Well wishers can contact him at Cavell Ward, Barnet General Hospital, Barnet, Herts.

Welsh Notes

BEST WELSH WAAA CHAMPIONSHIPS YET

THE Welsh Women's Championships, held in glorious sunshine at Cwmbran on June 7th, proved to be the best yet, writes **Bernard Baldwin**. There were records galore and the presentation was of high quality. Among the most outstanding performances was Venissa Head's shot put of 14.08 (though this was below her 14.31 in the WRAC Championships a few days earlier)—with her twin sister Vivienne third, Delyth Prothero's discus throw of 42.76, Ruth Martin-Jones' 6.00 long jump and an 800/1500/3000 treble by Jean Lochhead.

The Welsh AAA Championships (all age groups) are being staged at Cwmbran this weekend (June 28th/29th), a mammoth programme with increased entries in every event—including 30 in the decathlon! The Welsh and Open marathon will be held on July 19th.

Bernard Plain will probably make another attempt to wrest the World 20 Miles record from Jack Foster (NZ) this autumn. RRC (Wales) will promote a race at Cwmbran stadium in October or November.

Gareth Edwards clocked a wind-assisted 10.5 100m at Cwmbran on May 13th. Mick Morris (18) of Cwmbran Olympiads ran an early season 2000m steeplechase in 5:54.0 in Liverpool. Martyn Jenkins (15) recently pole vaulted 12 feet.

New secretary of the Welsh Women's AAA is Mrs Margaret Elgie, 11 Cedar Road, St Athan, Barry, Glam.

Barrie Hancock, last heard of in Wales ten years ago (he has been living in Canada), sends greetings to all who remember him.

For details of the Gwent League '201 Club' write to Gilbert Legge, 59 Carlyle Street, Abergillery, Gwent.

Standards awards officer in Wales is Mervyn Williams, Sherborne, Maindy Crescent, Ton Pentre, Rhondda Valley, Glam. There is no need for those claiming certificates or badges to write c/o the Welsh AAA secretary.

The new Five-Star Award secretary in Wales is Mrs R. B. Johnson, 5 Moorlands Road, Bridgend, mid-Glamorgan (tel: Bridgend 3413). Please send stamps (not stamped addressed envelopes) for particulars of the scheme—a plea echoed by various other secretaries.

The Welsh WAAA take part in a four-cornered match in Brussels on July 22nd, the home countries International at Middlesbrough on August 16th, and take on the South Western Counties and Scotland at Bristol on September 7th.

Dates and venues for BP Llandarcy Young Athletes League: June 29th at BP Llandarcy; July 27th Jenner Park, Barry; August 31st at Jenner Park; September 21st at Maindy Stadium, Cardiff.

New Welsh records by Gloucester's Geraint Griffiths in the high jump (2.01) and Islywn

Rees of Carmarthen Harriers (junior pole vault of 4.50) put Cardiff's team win in the shade on a sweltering afternoon in the first round of the Pye Gold Cup at Cwmbran on June 8th, writes **Clive Williams**. Griffiths bettered by 1cm the record held jointly by Peter Lance and Dick Gyles, and had a narrow failure at 2.04. Rees had cause for a double celebration, for in addition to adding 1cm to his own Welsh Junior record he beat for the first time Welsh Senior record holder Dave Lease.

Apart from Rees, two other young athletes gave indication of better things to come this season. Jeff Griffiths, another 18-year-old, with a pre-season best of 50.8, clocked an outstanding 49.6 to take the 400 and on his form he must surely get close to Allan Skirving's ancient Welsh Junior record of 48.6 set in 1962. Kevin Glastonbury (16) continues to impress. He chased 1:49.9 man Tony Dyke all the way in the 800, and was beaten by just 0.5, clocking 1:55.7 to improve a full two seconds on his best. Again, he should better Dyke's Welsh Youths record of 1:54.8 before long.

Cardiff AAC, holders of the Pye Gold Cup, go forward to the semis at Cwmbran on August 10th, along with runners-up, Swansea.

Arrangements are well in hand for the first home countries International to be staged in Wales since 1969; this is scheduled for Cwmbran on August 9th, and is being sponsored by those great benefactors of Welsh athletics, Torfaen Borough Council. Morton Evans, the Assistant Manager at Cwmbran, leaves shortly to take up the post of manager to the new Sports Centre at Bath. His departure will be a blow to Welsh athletics, but he leaves one of Wales' greatest athletes—Hywel Williams—on the staff at Cwmbran, to keep the continuity going for the August 9th International.

MONTREAL TICKETS

The distributors of the tickets for the Montreal Olympics have refused to alter their decision to offer visitors only a small number of morning and afternoon tickets instead of a complete series. Athletics Weekly pointed out to the BOA that very few people, if any, travelling for the express purpose of seeing the track and field programme would spend something like £350 (minimum) on a visit to Montreal if they could see less than half the events. In this we had the full backing of Arthur Gold, BAAB Secretary, but a small delegation from the BOA to Thomas Cook Ltd was of no avail and their original decision stands—at least for the present.

We feel the vast majority will not find this acceptable, and in any event the small number of tickets made available to the UK will mean that only those who booked early will be able to go, however many tickets they obtain. If you are not one of those, why not try for one of the few places left on the tours to the European Cup Finals in Nice in August? Details on page 16.

TWO RECORDS FOR HIGNETT IN TRIO OF DIVISION THREE WINS

BRISTOL were worthy winners of the delayed opening match of Division 3, with Stretford and Swansea fighting a torrid battle for second spot. For Luton United, so near to promotion last year, the target seems even harder in 1975.

Erwin Hartel provided an early eye-opener, running clear of the 800m field to clock an unpressed 1:52.3. Geoff Hignett (who was stranded in Paris 24 hours before the meeting started) showed he has sprinting talents to match his jumping with a treble victory. The 200 (21.3w from a good assortment of Welsh sprinters) and long jump (7.58w) were both division and track records.

Chris Boreham equalled his own divisional record in the vault, and Luton team-mate Tony Simmons demonstrated his fitness by running away with the 5000 from the gun. M.S.W.

TRIPLE JUMP TAKE-OFF BOARDS

Dear Sir,

Now that Britain has found itself with a world class triple jumper in the shape of young Aston Moore, I wonder if action ought now to be taken to reconsider the siting of triple jump take-off boards from the pit.

In your May 31st issue, the correspondent reporting on the British League (Div. 2) meeting at Sutton Coldfield states "Aston Moore would probably have got further but his step was landing in the pit". I assume that the take-off board is sited at 11 metres or 36ft from the pit (AAA recommendation—I believe), and this at a new track. How is a triple jumper to jump 54ft if he is restricted to a 35'6" hop, step phase? That means an 18'6" jump to finish. As Aston Moore (and most world class triple jumpers), hop, step about 37'6" it means an 18'6" final phase gives a total jump of 56ft plus. The conclusion I draw from this is that to jump 54ft from a 36ft board, one must be a 56ft performer.

One must come to the decision that 36ft take-off boards do not cater for international triple jumpers. I liken this to (a) Pole vault stands only going up to 16ft or (b) Javelins landing on the track at 240ft from the throwing arc. Situations which never happen because provision is made for the international performer. Why not make provision for the international triple-jumper?

Many times, major British competitions have been

held from 36ft take-off boards, i.e. Inter-Counties at Leicester and Warley. Even the take-off board for the 1970 Commonwealth Games was initially laid at 36 feet!

If one were to argue that few jumpers need a take-off board at a greater distance than 36ft from the pit, then this is probably true. However, instead of running the risk of the leading performers risking injury then why not lay three boards, as we have at Mayesbrook Arena, Barking: one at 28ft from the pit, one at 34ft and one at 39ft from the pit. At these distances all abilities are catered for. If the situation continues, someone will have an accident, as did the 1970 Commonwealth Champion, Phil May, who broke his foot from a 36ft take-off board.

Whilst on this topic, do long jump boards have to be sited 3-4ft away from the sand pit where both long and triple jumps take place on the same runway. With 36ft take-off boards and long jump take-off boards at 3-4ft away from the pit, the 32-33ft hop, step man just lands on this board at the end of his step, and hence runs the risk of ankle, heel and knee injury every time he is around 47-48ft.

Surely these could be sited 7-8ft from the pit so that the triple jumper clears it with his step. There really is no danger of the long jumper not making the pit, and it really would help the triple jumper.

In conclusion, I think there should be three take-off boards for the triple jump at the distances already mentioned and that when siting long jump boards every effort should be made not to place these in the region of 31-38ft from a 39ft take-off board. With the other boards recommended at 34ft and 28ft the greater majority of other jumpers using these boards

should have no trouble clearing the siting of the long jump board.

The result would be that Britain would have more triple jumpers in action at any one time because fewer would be sitting on the side-lines with injuries that could have been avoided with more fore-sight in the siting of take-off boards.

TOO FEW NORTHERN CLUBS IN AAA RELAY

Dear Sir,
The more I look at the results of the AAA Road Relay the more amazed I am that 10 Midlands clubs were invited while only 7 Northern clubs were allowed to participate.

The first six clubs in each area were reasonably well balanced: those from the North were home in the first 16 while the sixth Midlands club was 17th to arrive 26 sec later. The seventh Northern club was home 47 sec and three places after the Midland club but those clubs which finished seventh to tenth in the Midlands Championships were 25th, 26th, 28th and 30th out of 30 clubs! It is hard to believe that had more Northern clubs been invited at the expense of the Midlands they would have finished so far down in time.

The failure to extend more invitations to Northern clubs cannot be explained in terms of numbers for there are more clubs in the Northern area, and both area championships attracted the same number of finishers (23). Surely more even-handed invitations between North and Midlands are called for.

I have deliberately avoided mentioning the pathetic performances put up by the Southern clubs, which makes the invitation to Portsmouth (13th in the area championship!) inexplicable as their final position shows: 27th, 6:33 down on the last Northern club home. With all but five Southern clubs behind the last Northern club home it is clear that eleven clubs from that area were far too many.

There is no reason whatsoever why the first eight in each area should not automatically go into the National Road Relay together with one Welsh and one Scottish club, leaving four places each year to be decided on the time achieved in the area championships, which should be standardised to make this task easier.

STOCKPORT NOT STRETFORD

Dear Sir,

May I refer to page 25 of 'AW' dated June 7th, in which you report the results of the Greater Manchester Women's County Championships. I note that you have designated Stretford AC as the club of Lesley Tivey, the Junior Girls 800m Champion. Lesley is, in fact, one of an increasing group of successful athletes from Stockport Harriers and AC who have, during the past two seasons, placed this fast growing club high in the competition stakes of the North West.

Those who follow athletics will certainly be hearing more of Lesley, and of the Stockport club during this and future years.

STEVE PREFONTAINE

Dear Sir,

It was with deep shock that I heard of the tragic death of Steve Prefontaine, one of the greatest athletes in modern middle and long distance running—a sub-4 min miler with the stamina to run a 27:43.6 10,000m. What he would have gone on to achieve is not known but at 24 he was the same age as Ron Clarke was when he resumed his athletics career. Steve Prefontaine is a name that will not soon be forgotten but a person who will be deeply missed by athletes, track fans and officials throughout the world.

K. B. Abraham,
Wigan, Lancs

EARLY WARNING

Dear Sir,

While browsing through some back numbers of 'AW' my eye was caught by a startling headline, and I went on to read that the "over-riding ambition" of a young Polish athlete was to become the first girl to run 400m under 50 seconds. The girl was called Irena Kirszenstein. The date of the magazine was October 23rd, 1965. No comment!

THANK YOU, THE PEOPLE OF STOKE

Dear Sir,

May I comment on the AAA Marathon at Stoke-on-Trent sponsored and organised by the Michelin Tyre Company? This was to be my first marathon, so I was a little apprehensive when I turned off the motorway late on Saturday afternoon and headed for the Michelin Sports Club House. However, from the time I set foot inside the door to the moment I left

Stoke on Sunday afternoon I was made to feel welcome. I was fortunate enough to enjoy the kind hospitality of one of the City of Stoke runners who provided me with overnight accommodation.

The pre-race organisation was excellent (route maps of the course, changing facilities etc), as was that of the race itself. All needs of the competitors, whether they were established runners or novices like myself, were cared for with enthusiasm, thought and efficiency. Above all, I—like many more of my colleagues—will not forget the encouragement and warmth of the thousands of spectators who lined the route while the race was in progress.

Surely the AAA must consider fixing their annual marathon in this city.

Thank you, people of Stoke, for an unforgettable day.

Mike Hobden,
Grimsby Harriers

Dear Sir,

The organisation of the Michelin AAA Marathon Championship was super, the course well marshalled, the feeding stations superbly organised, the police and TAVR excellent—but most of all, and I am sure all athletes will agree, a big thank you to the wonderful people of Stoke-on-Trent. They were magnificent. They never stopped clapping and despite finishing well down the field in 2:51 the cheering in the football stadium at the finish made me feel as proud as the winner.

Jonathan C. Such,
Leamington C&AC

SADDLEWORTH FELL RACE

(Cat: B/3M/950')

At Greenfield, May 25th

HARRY Walker headed the 90 runners from 15 complete teams from the start of the third annual Saddleworth Fell Race on May 25th. After a fast, first 300 yards the climb soon started to spread the field with the chasing group being led by Weeks, Styan, Ellis and Robinson. At the summit of Alderman Hill, when the field had climbed 950' in the first mile, Gaskell had moved into third place, with Waterhouse now fifth and Cooper eighth. Rawlinson, who won last year, gained slightly along the ridge and both he and Weeks pulled Walker back down the steep part of the descent from the Memorial. However, with the bit between his teeth Walker finished very strongly to the applause of a large and appreciative crowd.

Due to the slight alteration to the start/finish his time was probably half a minute inferior to Rawlinson's 20:20 last year, though a stiff breeze was against the field this year.
