JIM PEACE

The death occurred in a Birmingham hospital on the eve of the "National" of Jim Peace (69), secretary of the Midland Counties Cross-Country Association for nearly 40 years. Mr. Peace had organised more English cross-country championships (five) than any other official and he had already drawn up plans for next year's race at Sutton Coldfield. Among other appointments, he was a life member of the ECCU, Midland Counties AAA and Harborne Harriers (which club he helped form in 1924), life vice-president of the Midland Counties CCA, past president of the Birmingham Cross-Country League and past secretary, treasurer and president of the Worcester-shire AAA.

RENATA LACE

Renata Lace, the outstanding Latvian sprinter, died of cancer last week at the age of 24. She was a semi-finalist in the 100m in Tokyo and gained a bronze medal as a member of the Soviet relay team in Budapest. Last June she ran at the White City in the GB v. USSR match. Her best marks included 11.6 for 100m and 23.8 for 200m.

The Michelin C.C. Relay, due to be held this Saturday, has been postponed owing to lack of support and will probably be held in September.

INQUIRY

THE Committee of Inquiry which is "To examine the problems of development of athletics under the jurisdiction of the A.A.A. and B.A.A.B., including matters of organisation, administration, finance, coaching services and competition, and to make recommendations thereon" will be under the Chairmanship of the Rt. Hon. Lord Byers, O.B.E., with the following members:

The Rt. Hon. Sir Geoffrey de Freitas, K.C.M.G., P.C., M.P., His Honour Judge (Ralph) Kilner Brown, Mr. C. E. M. Adams, Mr. David N. Bacon, Mr. T. P. E. Curry, Q.C., Mr. P. B. Lucas, D.S.O., D.F.C., Mr. A. R. Malcolm, Mr. W. C. Ramsay, C.B.E., and Mr. A. E. Marrington, C.B.E. (Secretary).

Anyone who is able to contribute constructively by the submission of views and suggestions should do so, enclosing any written evidence, to The Secretary, Committee of Enquiry, Room 317, 26 Park Crescent, London, W.1.

Let us hope that this will result in an entirely fresh approach to problems which have become more difficult and more involved year by year since the last war. One of the main difficulties is to differentiate between athletics as a recreation and the dedication necessary to realise one's potential in almost any class of competition. Is it necessary to differentiate between the two? Far too many young athletes have become too dedicated too early and then, after a few years, have felt it just wasn't worth the effort, time and expense involved, and have been lost to the sport. There is the problem of tracks and facilities being provided and hardly used, while in other areas athletes are crying out in vain for badly needed facilities. Then we have young pole vaulters finding the expense of their poles, expense and difficulty of transporting them, and lack of facilities for practice proving too much of an obstacle to their undoubted enthusiasm.

These and many more problems besetting the sport and its legislators will be examined and thrashed out. We shall await the results of this inquiry with interest and hope it will not be too long before the Committee arrives at its conclusions and publishes its findings and recommendations.

I HEAR from Denis Watts that the "Big Men" competition in conjunction with T.V. (B.B.C. North) is progressing well. An excellent entry has led to them being sorted into three groups:—

(a) Those falling short of the physical requirements who have been directed to the nearest National Coach—perhaps the javelin or some other event may suit them better;

(b) The twenty best on paper (6'1" or more and 13 to 18 stone). The best are being tested and the B.B.C. will film this for showing on March 17th;

(c) Another twenty who are a little short of the physical requirements but may be very strong—several are weight lifters. These are also being tested and some may prove good prospects.

This is the best thing to happen in athletics for years and I really expect the initiative and enterprise of Denis Watts, Wilf Paish and the B.B.C. (North) to pay off handsomely. Time will show.

TODAY'S events include the Junior & Youth Inter-County races at Derby; Inter-Area Indoor Match at Cosford; Culham College Road Relay; Andover Boys' & Youths' C.C. Relays; Tonbridge "10"; Gloucester Road Races; Scottish Schools Champs., at Fernieside; N. Wales League race at Shrewsbury; and the Southern Women's Road Walk. On Sunday, Harlow A.C. hold their Open Field Events Meeting (11 a.m.), and there is the Southampton to Bournemouth Relay with 54 teams entered (1.15 p.m.).

JUNIORS AND THE 880

Dear Sir,

At the recent A.G.M. of the Women's Amateur Athletic Association, a new rule was passed to enable Juniors to compete at a distance of 800 m/880 yds.

With the recent introduction of cross-country racing, I am sure that the number of youngsters lost to the sport has decreased because those who found they had stamina but insufficient speed to keep up with the main sprinting group were introduced to an event at which they could compete with more success. This, however, left nothing for them to channel their interest into during the track season. By allowing juniors to compete at a half-mile distance on the track a demand has been fulfilled for this group of athletes.

The importance of good counselling before entering a junior in this race cannot be over-emphasized. Considerable background work is necessary before undertaking this event and it is sincerely hoped that unfit and untrained athletes will not be allowed to experience the resulting physical and mental effects of having been encouraged to run, or persuaded to take part, to gain more points for her club. This would be detrimental to the athlete and damaging to the name of the governing body. A race consisting of obviously unsuitable girls will abuse the reason for which the race has been introduced. We all know that it is very often necessary for a team manager to ask a girl to compete in an event at which she does not excel, to fulfil a programme, but any young girl is basically fit enough to run up to 150 yards, to jump, or to throw. I feel that the half-mile should be treated with a certain amount of caution, at least for the coming season or two, until the event has settled naturally into the programme and juniors realise what half-miling is all about.

The responsibility for ensuring that the rule is not abused lies with Coaches, Team Managers and well informed parents, if we are to expect these young athletes to progress to the senior ranks.

I am sure that many clubs will run these races under close supervision in an experimental form, before placing the event on a general programme, and I would be very interested to know the findings after a few observations have been made.

Yours faithfully,

Jennifer S-Anderson,
W.A.A.A. Hon. Coach.

It is hoped to include an article on all these points and training for the 880 in a few weeks time.

Dear Editor,

Three cheers for the W.A.A.A., who have now made legal track races up to 880 yards for girls under 16 years of age.

But what ridiculous comments are alleged to have been uttered by Dorothy Tyler and Vera Searle—"If you want girls to compete in half-miles, you want your brains tested" and "I'm terrified we shall get girls finishing in a distressed condition."—*Daily Mirror* 20.2.67.

All this season I have been very closely associated with some of the finest Junior girl cross-country runners in the country, and have seen many more compete. I have never heard such pathetic utterances in all my life. Of course girls will finish in a distressed condition—but for how long will it last, and what better evidence that an athlete has given of his/her best in a competition?

Do these ladies for one minute consider that men or boys never finish in a distressed condition? The sight of Brightwell splayed out on the Tokyo track after the 4x400m final is surely no justification for not having races over this distance?

Athletics in this country has been in the doldrums too long for these women to feel complacent. We must look forward, and find new and better ways of coaching and encouraging our young athletes. We must not be over-guarded and restrictive in the range of events which we "allow". Before people condemn progress, they should make a thorough investigation themselves of the evidence available, and see the obvious popularity that longer races for young girls is enjoying.

Yours faithfully,

David Golding

NO INSIDE LANES

Dear Mr. Editor,

For the past five months the two inside lanes of Parliament Hill track, Hampstead, have been cordoned off from usage. On complaining to the ground staff about this, we were informed that an official from a local club had written to the authorities and requested that the two inside lanes be barred from athletes so that the track would be kept in good shape for the summer!

No club has a monopoly of a public track. Athletes pay to use the track, ALL OF IT. It is gross impertinence and selfishness to ask for inside lanes to be barred to other athletes. It is also highly questionable that regular winter use of a track has any detrimental effects on its summer weathering. Alperton track is used three times a week during the

winter and in the summer good track times are recorded.

Interest in indoor athletics for both men and women is growing; one of the essentials of indoor preparation is precision interval tempo and repetition running on a track during the winter.

Yours sincerely,

Margaret Moir
Frank Horwill**

A MATTER OF PRINCIPLE

Dear Sir,

In 1962 I passed—at Southern Command School of P.T.—the grade II Track and Field Judge papers with a percentage mark of over 90. I officiated at Service and civilian meetings in that grade for five seasons. Last October my name was put forward for up-grading—after much correspondence, etc., I was finally informed that an Army official was not a qualified AAA official, and last week my County Chairman told me that an arrangement agreed between the Army and AAA meant that if I officiated at civilian meetings I dropped a grade.

In other words—at Aldershot, Army v. UAU v. Berks., I was grade II, but at Reading, Berks. v. UAU v. Army I was grade III!

On a matter of principle I have resigned as judge and starter. I shall, of course, miss doing the job of referee at Bracknell Relays again.

Yours faithfully,

D. L. Busst

SUNDAY ATHLETICS

Dear Sir,

As one whose greatest pleasure is athletics, I am delighted at the increasing number of Sunday fixtures.

This country has many different religions, I know of three "Holy Days," and of two sects which have no objections to their members going to church, then to athletics.

There are many people who must work Saturdays, myself amongst them. Sunday athletics would give this country more athletic potential, certainly female, so many having to retire at fifteen because they work in shops.

I married a race walker, and my family had many happy outings with Sheffield United Harriers' walking section. The first was Easter, 1936, when our eldest child was six months old. The last, May, 1959, when my husband was allowed to defer his entry into hospital long enough for him to see our youngest win the first race run on the new track at Herringthorpe Playing Fields, Rotherham. He died that August.

Our friends from that Easter are still friends, we attend their families' weddings, and see more stable marriages amongst athletic families

than anywhere else. I would say attend athletics as a family and stay together.

It is very difficult for a housewife to do her week-end shopping and get to an athletic meeting. Sunday athletics is the answer.

This afternoon I am going to an athletic meeting. Tonight I will go to church.

Yours faithfully,

C. H. Abson (Mrs.)

Rochdale

Dear Sir,

I am one of that vast army of people who still work on Saturdays, i.e. the shop worker. Fortunately I am self-employed and manage to scrounge some Saturday afternoons for my sport, but I invariably arrive very tired and always very late for my event. Still I am not complaining, I consider myself very lucky to be able to compete at all.

Just consider the vast wealth of talent that we could find if shopworkers, etc., were allowed to take part in the sport on Sundays.

I would imagine Sunday athletics would help rather than hinder the married athlete. If he competed on Sunday he would be free to take the wife shopping on Saturday instead of dashing off to a match and leaving her to cope on her own! Then on the Sunday he could take the whole family to watch him race. After all, if reader Gardner is as dedicated as he sounds he must have a wife who is interested in the sport.

All the Sunday fixtures that I have attended have been well supported. Indeed only this afternoon I was at the Blackheath Harriers Winter track meeting which, in spite of rain and soft track, was well attended, in fact in the three miles there were over 30 starters.

Another point in favour of the Sunday fixture is that travelling would be easier, so longer distances could be travelled. Take the example of the Johnston Relay at Hornchurch where clubs come from as far as Yorkshire and Lancashire to compete.

As to the religious aspect, our Continental and Irish friends have plenty of Sunday fixtures and their church attendances compare very favourably to ours.

Yours faithfully,

J. W. Oliver

McCafferty Tries Again For Record

IAN McCafferty takes another crack at Siegfried Herrmann's world indoor 3000m best of 7:49.0 at the 2nd European Indoor Games in Prague this weekend. Against France he covered the first 1500m in 3:51.1; this time he is aiming to pass in 3:53. The opposition will probably include Lajos Mecser, Viktor Kudinskiy and Harald Norpoth, although the latter may tackle last year's winner, John Whetton, in the 1500m instead. Other members of the British team are Bob Frith (50m); Mike Bull, who will be shooting for a 15'9"/4.80 vault; Lynn Davies (Igor Ter-Ovanesyan is not competing though); Rosemary Stirling (400m or 800m) and Linda Knowles (HJ).

Here are the records to beat:—

PORTSMOUTH DOMINANT IN 'HASKELL' TROPHY C.G. RELAY

At Southampton, February 18th

PORTSMOUTH, at full strength, were able to split their teams and still record a clear double win over their nearest rivals. It was, however, Portsmouth "C" in the shape of Roy Ingleton who led the field home at the end of the first leg. Reading, through Gerry and Don Stevens, established a clear lead on laps 2 and 3, with Portsmouth "A" and "B" lying handily in second and third positions. On the fourth circuit John Cooke put Portsmouth "A" clearly in front as brother Dave narrowly failed to catch Reading's Darlow. Over the final lap Bruce Tulloh made no mistake and recorded the fastest time of the day while Tim Johnston gained a comfortable second place.

1, Portsmouth (A. Weatherall 12.46, A. Wale 12.35, C. Plumpton 11.51, J. Cooke 11.42, B. Tulloh 11.40) 60.34.

2, Portsmouth "B" (R. Meadows 12.24, G. Gough 12.39, M. Hyman 12.06, D. Cooke 11.58, T. Johnston 11.49) 60.56.

3, Reading (B. Bacon 12.32, G. Stevens 12.02, D. Stevens 12.16, K. Darlow 12.13, D. Dipper 12.52) 61.55.

4, Westbury 63.18; 5, Cheshire Regt 64.05; 6, Westbury "B" 64.15; 7, Aldershot, Farnham & Dist. 64.20; 8, Eastleigh 64.25; 9, Southampton 64.53; 10, Reading "B" 65.37; 11, Reading "C" 66.18; 12, Bournemouth 66.26; 13, Salisbury 67.04; 14, Portsmouth "C" 67.04; 15, RNAC South 67.57.

Fastest Times: Tulloh 11.40, J. Cooke 11.42, Johnston 11.49, Plumpton (all Ports) 11.51, F. Martin (E'leigh) 11.54, D. Cooke (Ports) 11.58.

Young Athletes

1, Southampton (P. Harper 12.55, I. Burgess 12.56, A. Butler 12.42) 38.33.

Race Walking

By L. W. WOODCOCK

CORRECTION: Last week, when referring to the County Championships, I mentioned that Bob Clark now walks for Cambridge Harriers. I have been reminded by John Attwood that Bob is still a first-claim member of Polytechnic Harriers and only represents Cambridge Harriers for County events. My apologies to Poly.

Glamorgan Championship: This result came in too late to be included in my notes last week. The Individual Championship was won by Ken Bobbett in 73m. 31s., but the Welsh Area Secretary, Cecil Bingham, informs me that the course, which is a new one, is around 150 yards short of ten miles. Nevertheless, Bobbett's time was a creditable one.

The 1967 "B & B": Surrey Walking Club's Open London to Brighton and Back, which is held every four years, has been arranged for Friday/Saturday, 23/24th June. The race will start from South London Harriers H.Q., Coulsdon Hall, Coulsdon at 7 p.m. Entry fee is £1, no team fee. Entry forms and details from:—Mr. S. E. Horton, 158 Amesbury Avenue, Streatham Hill, London, S.W.2. (Phone TULse Hill 2003). Entries close June 13th.

Area Championships: The Northern RWA Senior 10 Miles Road Championship at Holloway, Derbyshire was won by Empire Champion, Ron Wallwork in 75m.00s. Wallwork is having a wonderful winter season both inside his own Area and elsewhere. He also led his Club to a team victory but they were given a fright by Sheffield United Harriers who packed well to finish only four points behind them. The **Midland Counties AAA 7 Miles Track Championship** at Redditch was won by 20-year-old Bob Hughes from old International, John Edgington. Leicester's Geoff Toone had an early lead and went through the half-distance in a fast 25m. 26s. but around four miles came under the Judges' ban. The **Southern Counties AAA 7 Miles Track Championship** at Battersea Park went to Paul Nihill. For the first two miles he was closely challenged by Shaun Lightman but then drew away to win by nearly a minute. Nihill's intermediate mile times were:—7.11, 7.27, 7.16, 7.25, 7.34, 7.35, 7.42.8. The holder, John Webb, was a non-starter owing to a stomach complaint. Webb is experiencing an unlucky patch, because earlier he was forced out of competition with a hip strain.

Today's Events: RWA National Committee Meeting, Polytechnic, London, 1 p.m.; Ipswich H. Open 10M.; Stokes Bay Open 7M.; Surrey WC v. Stock Exchange AC 14M., at South Croydon (2.30 p.m.); Civil Service (N.W.) Championship, at Wythenshaw Park (3 p.m.). Wednesday (15th): RAF 20 Kms. Championship, at Odiham (2.15 p.m.). Thursday (16th):

Paul Nihill (Surrey W.C.) led from start to finish to win the Surrey County 10 Mile Road Walking Championship in 73min. 50sec. for his fifth successive victory in this event.

"National" Triumph for Dick Taylor

CONDITIONS for the National Cross-Country Championships at Norwich on March 4th were almost perfect—a glorious sunny day tempered by a slight wind, and fast and firm underfoot. The organisation by the Eastern Counties was excellent and though the course and changing accommodation were a long way apart, the fleet of buses laid on ensured a smooth transfer to and from the course.

The course, three miles in length, was very flat with a little light plough and a gradient which could hardly be called a hill, and should have suited the fast track men. Once the field had settled down after a very fast start, Rex Maddaford (New Zealand) was forcing the pace with one mile gone, with Dick Taylor, Bob Holt, Mike Turner, Jim Hogan, John Jackson and David Eccles at his heels. Then a bunch of eight emerged and started to open a gap—Jackson, Fowler, Johnston, Hogan, Stewart, Taylor, Gray and Rose (N.Z.).

After one lap it was Gray who led the bunch, then a small gap before Rushmer came through, a few more yards and then Bob Holt, Hill, North, Turner and Welsh (N.Z.) went by in a steady stream. On the second lap Bryan Rose came up to take the lead and by the time they went through two laps he had a lead of ten yards from Gray, then a gap of twelve yards before Lachie Stewart and Johnston, another gap and Taylor and Hogan together, then came Fowler, Rushmer, Holt, Jackson dropping back, then Hill, Everitt (N.Z.), Turner, Wyatt (N.Z.) and Gerry North. Tim Briault had dropped out with achilles tendon trouble.

It seemed as though the New Zealanders were going to lead our Championship field home, but Dick Taylor, despite his reported injury prior to the race, was far from done with and he closed the gap and took the lead some three-quarters of a mile from the finish to come home a popular winner. Lachie Stewart was also moving up and only "took" Rose as they came into sight not much more than 100 yards from the finish.

Jim Hogan moved up past Johnston and Gray who dropped to sixth, Bob Holt got the better of Rushmer, but Jackson dropped further back to finish 16th. Last year's blanket finishers, holder Ron Hill, suffering with a sore throat and cold, and Mike Turner were never quite on terms and runaway Southern winner Gerry North found the pace too fast from the start and trying to keep on terms brought retribution over the last couple of miles where he dropped from 15th to 48th to finish "all-in".

Portsmouth finished their great run of successes in the Hyman, Tulloh, Cooke Bros, era with a final win. I say "finished" as with the first two having their last season and Dave Cooke emigrating to Australia, they will have

to find virtually a new team to hold their own near the top. Holders North Staffs & Stone did well to finish second with Shelley being back in 221st position this year after 19th last year, and with two of their members suffering bereavements on the eve of the race, while Longwood surprised in third place without their maestro Derek Ibbotson.

The New Zealanders proved a fine bunch and followed their 6 in 7 in the Scottish with some fine running here. They should do well in the International and will take a lot of beating by any team.

In the Junior race John Rix set a terrific pace over the first mile but had to give way to Mike Tagg soon after going out into the country. As they came up to one lap Tagg had opened a gap of 80 yards with David Atkin passing Rix to take second place—a little later he was to drop out with muscle trouble. Then came Colin Moxsom, Briscoe (Leigh), Absalom (Eton Manor), Milesom (Billingham), Robinson (Saltwell), Davies (Sparkhill), Stewart (Birchfield) and Simnett (Enfield).

Except for the departure of Atkin, and Bartlett (Godiva) coming through, positions changed little on lap 2. Tagg increased his lead to some 120 yards to come home an easy winner. Sale were always packing too well to be challenged for the title and had five men in before any other club could close in three.

In the Youths' race Dave Williams of Woodford Green was leading the field at the mile post but soon after this Simmons took the initiative with Ian Stewart (Birchfield), Williams and Bednarski (Swindon) on his heels. Dave Bedford, the easy Southern winner, made a very slow start and was a long way back early on. Once he started moving through the field, however, he mowed down the opposition, but though pulling through to third, gave himself far too much to do to get on terms with the Luton runner, an impressive winner.

Waterloo's well balanced team had a well deserved team victory. It was unfortunate that the inexperience of one or two of the officials on the multi-funnel system led to a funnel not being properly sealed off, with the result that discs were distributed to the wrong people and numbers recorded wrongly. After the seventh team the disc system had to be scrapped and only sterling work by Frank Read and his helpers, particularly Arthur Duthie of Epsom & Ewell H., enabled a master sheet to be produced in time to get the results worked out and in print with the other two races. It took nearly five hours hard slogging and was only finished just before the train from Norwich arrived back at Liverpool Street. The final result is based on the recorders' sheets and discs received should be ignored.

NORTH SURREY LEAGUE

At Lloyd Park, February 25th

Although the results give Bob Holt as beating Gerry North, the pair in fact staged a dead heat and at one point the latter appeared to slow up, enabling Bob to catch him. Despite having completed a six mile training stint in the morning and losing a shoe during the race Don Faircloth won the youths event by 52 seconds. Although he had won 3 of the 4 league races Faircloth was ineligible for the individual award as he had missed the fourth.

Ed Lacey

Coach :

Harold Thrussell.

How much of your success is due to coaching ?

Coaching is a must in early years. Now I largely train myself with husband Bob to assist. However it is of assistance to have a coach on hand on the odd occasion when things get on top of you.

How many days rest do you like before competition ?

One.

How often do you like to compete ?

Once a week if possible.

What is your target ?

Two minute half.

What advice would you offer the young athlete or novice ?

Place yourself in the hands of a good qualified coach as early as possible.

No. 1 or No. 2: Who Tries Harder ?

DESPITE losing in his major competition of 1966, Adrian Diffey has a strong claim to the title of top AAA youth javelin thrower of last year. Apart from hurling the 700 gm implement further than any of his rivals, he did likewise with the 800 gm. In addition he won the Sussex and Southern Youths javelin titles but his "biggest disappointment was only getting second place in the National Schools Championships", particularly as prior to his departure for Blackburn he was throwing consistently over 190' in training. "I feel that mixing the two javelins hindered my performances," he says, but now, as a first year junior, "I shall be throwing only the 800 gm and I'm sure my distances will vastly improve. Every Sunday, weather permitting, I travel to Alperston to be coached by Colin Smith. Failing that I go to Crawley where Tom Lintern is always ready to help."

Originally he took up throwing because he found himself good at it and, also, through encouragement from Brighton's Alf Palmer. Now Adrian trains four days a week, winter and summer, and already he has found himself making sacrifices for the sport. He used to play rhythm guitar in a pop group but had to give this up as it left no time for athletics. Adrian also plays at basketball, football, swimming and gymnastics and hopes to qualify as a P.E. teacher.

On an all-time basis he wants to gain a full international vest and "ultimately compete in the 1972 Olympics" but this summer his aims include a win in the AAA Junior and a Schools International vest.

In contrast to Adrian, Jonathan Edgecombe won the National Schools discus title yet cannot claim to be the No. 1 youth. The reason for this is the presence in the youths' ranks of a certain Peter Tancred (see "Spotlight", Vol. 20, No. 51) who was ineligible for the National Schools contest. Jon and Peter met three times in 1966, once each in the shot, discus and javelin, but the latter came out ahead on each occasion. The discus clash was particularly galling for Jon as it came in the Southern Championships and he was "clobbered" by over 15 feet.

"I never threw the discus seriously until 1965. Then whilst training for the shot and discus last winter I found my throwing was vastly improved, so I took up the discus as an individual event." Now he trains as often as he possibly can, almost every day in summer. In winter, however, he can only throw at weekends but he does weight-training three times weekly to build up his growing strength.

ADRIAN DIFFEY

Eventually Jon hopes to represent Britain internationally and he hopes he might even make the Olympic squad. His target this year is around 180' with the junior implement. But if, as certain adverts say, being No. 2 makes you try harder, and No. 1 is only 13 inches ahead, then No. 1 had better not think about easing up.

The Capes Saga contd.: Indoors at Stanmore Park on February 25th Geoff Capes hurled the 16lb shot 49'1½", another personal best and only 8½" behind Alan Carter's best-ever by a British 17-year-old, which "record" Capes has until August to shoot down.

Tony Harper, who, last summer, at the age of 15 threw the 800gm javelin 181'2", the best-ever by a British athlete of that age, threw much further in practice recently. The 6'2", 182lb Jersey athlete is reported to have thrown 204 feet. Also, on February 4th, he hurled the 700gm spear 195'4" in Jersey, which is again believed to be the best by a British 15-year-

old. He trains seven days a week and one stint includes throwing a 6lb weight at a steel fence 100 times. Unfortunately, as a student at Victoria College, Jersey, Tony can only compete on the mainland in April and August. His strong right arm has proved useful in more than athletics, however, as he took five wickets as a fast bowler for Jersey against the M.C.C. last year!

MEXICO

We are hoping to be able to give "A.W." Club members some news regarding the trip to Mexico in 1968 next week. Replies to cables sent to Mexico are awaited before any details are published. It looks as though the restricted "package" tours do not apply to Britain and the currency requirements mentioned earlier certainly do not apply. I hope to give further details next week.

ENGLISH TEAMS FOR BARRY

After the "National" the following were selected to represent England in the International at Barry:—(Seniors) Taylor, Hogan, Johnston, Fowler, Holt, Rushmer, Hill, Turner and Tagg; (Juniors) Moxsom, Briscoe, Rix, Mileson, Bartlett.

Derek Graham set a European best of 13:26.0 in finishing 4th in the American indoor 3M championship at Oakland, Calif., last week-end. Tracy Smith won in 13:16.2 (world's best). Pam Piercy (2:15.6) was 4th in the 880y, won by Madeline Manning in 2:08.4 (eq. world best). Bob Beamon long jumped 26'11½"/8.21.

Rosemary Stirling won the 800m in a UK indoor best of 2:09.8 in East Berlin on February 26th, 15 yards ahead of Zakova (Czech). Della James (7.0) was 2nd to Heldt (E. Ger) in the 60y and Mike Varah (1:51.6) 2nd in the 800m behind E. Germany's Seidler (1:50.0).

As we go to press we learn from Willie Diverty that the third team in the Scottish Junior Championship was Springburn H. (1.6.31.68) 106pts., and not as in his report.
