OFFICIAL ORGAN OF ATHLETICS IN GREAT BRITAIN

September 16th, 1967

FROM THE OTHER SIDE

WITH cross-country running not so very far away again, it may be of interest to c.c. enthusiasts to learn from reader Peter Betts of Christchurch, that when the province of Canterbury (New Zealand) adopted "prepared country" courses instead of "testing country over undulating ground", there was an outcry from athletes who felt that this was not *real* cross-country. Eddie Gray, the current Scottish champion, won the Canterbury Championship in 37.58 over a 7½ mile course which included 40 hurdles and 4 water-jumps. The New Zealand Championship was held over 6.6 miles of the same course and was won by Mike Ryan, with Evan Macguire 2nd and Eddie Gray 3rd. But apparently the New Zealanders dislike prepared, continental type courses as much as many of our athletes do at home.

AMONGST several other letters from overseas readers recently was one from the former physiotherapist to the British team, Cliff Bould, who emigrated to Australia in 1962. Cliff asks "How is this for a record?" In 1933 at the age of 17 he won a novice 13 miles road race in the Wakefield district in a time of 99min. 38sec. Now, 34 years later at the age of 51, he ran in the Western Australian 15 miles road championship and finished in 92min. 58sec. "How about that," says Cliff, "two miles further and nearly seven minutes faster!" It's nice to know that he's keeping fit, anyway.

NOWADAYS we hear much criticism of many things and it is nice to hear such comments as those from J. M. Large of Newcastle, Staffs., who writes to praise the Stretford Track and Field League for providing good competition at all levels, efficient organisation and officiating, and a good track. More power to your elbow, secretary Colson!

John (The Ghost) Tarrant also writes with

further praise of Merthyr Mawr. So many have written likewise and we have published several letters on the subject, so I merely mention it in passing. Those responsible in Wales for all the work which went into making Merthyr Mawr possible will be gratified to know that so many athletes really appreciate the centre.

NEW Post Office regulations which came into force last week have made us alter our press time and printing schedule. Any printed papers received after midday are put on one side and go with second class mail instead of with the letters. From experience I know that this can mean anything from two days to a week for delivery, so we must ensure that all our copies—for subscribers, wholesalers or clubs—are with the Post Office before noon on Wednesday and Thursday each week. This means that we cannot include anything in "A.W."—except on the inside covers—received after the Monday second post (about 11.30 a.m.). Any copy for inclusion should therefore be with us on Monday morning certain.

SOME time ago a number of athletes wrote to ask where they could obtain live culture for making their own yoghurt. At the time I could not help them, but I hope they noted the advertisement last week for the Home and Cookery Centre. Another appears in this issue and would appear to be the answer to their problem.

TODAY'S events include the Surrey A.C. "Banstead Coaches" Trophy Meeting; Hammersmith Borough Sports; Jim Peters Trophy at Barking; Birchfield Floodlit Meeting; Kent Relays and Decathlon at Ladywell Park; Warrington Trophy Meeting; Lincs. Open Decathlon and Pentathlon; St. Albans C.C. Relay; Ronson Road Relays at Ewell; Blackheath H. Road Relay; and the Hull & Yorks. "20". On Sunday the Bernie Hames Half-Marathon will be held.

METRIC MARKS

Dear Sir,

I was very interested to see ranking lists for field events giving metric distances only in this week's "A.W." However, I feel that this method, while undeniably tidier, should not be used while we are using linear measurement in this country.

Your editorial states that "before too long we shall be going over to metric anyway." I would welcome such a change, but as far as I am aware the Government has given no indication that it is being considered. There was some press speculation about the possibilities of going metric when the decimal currency decisions were made, but one has only to look to the United States to see that decimal currency and metric measurement do not necessarily go hand in hand.

If I may enter the realms of speculation myself, I would say that there is little possibility of metric measurements being adopted in this country for at least five years, and then only if we join the Common Market.

You have for some time been publishing metric distances alongside linear ones in European results. Despite reading these regularly my brain "skips" the metric figures and they make no impression on me at all. I feel that this probably happens to most people and that the metric figures are just a waste of space. However, in the event of us going over to the metric system, I am confident that everybody could adjust to the new figures very quickly. Until such time as all results are shown in metres, I think that you should stick entirely to feet and inches; you provide a vast amount of information and there seems little point in making us practice our mental arithmetic while trying to take it all in.

Yours sincerely,

R. A. Young,
Tonbridge.

We cannot stick entirely to feet and inches as we have a large number of overseas readers, most of whom are more used to metric measurements. We shall continue with both English and metric until further notice.

SITUATION IN IRELAND

Dear Mr. Editor,

Over these last few months many erroneous newspaper reports have appeared on "Irish" athletics and I am disappointed to notice that your fine magazine has fallen down in the issue of September 2nd. Perhaps the reason is that few in England are aware of the farcical situation in Ireland.

I would like to explain what has happened

since last winter. A new athletic board has been formed in Southern Ireland and they have refused to allow Northern Ireland athletes to compete in the south, and they have not allowed those southern athletes who have been invited to Belfast meetings, to travel and take part. How then can you report that Jim McNamara won the Irish 3 mile championship.

I have been the Irish 3 mile champion since 1964 and I have defended the title successfully in both 1965 and 1966 in races which were open to all Irishmen whether from north or south of the border. Unless and until further championships are held for all Irishmen I will remain the holder of the Irish title!

Furthermore, despite what has been printed in Republic of Ireland newspapers, I remain the Irish native record-holder over 2 and 3 miles and the metric equivalents until such times as another Irishman runs faster!

Yours in sport,

D. A. Graham,
Belfast.

Our report of the race in question stated that it was the B.L.E. Championship. Unfortunately a caption supplied and used with a photograph by Fionnbar Callanan mentioned the "Irish 3 Miles Championship" and our apologies are due to Derek Graham, whose sentiments we agree with entirely on this score.

In our May 6th issue I did give details of the position in Ireland, where it was hoped that the formation of the new Irish Athletics Board would lead to an amicable settlement with the N.I.A.A.A. Unfortunately this does not appear to have been the case, and the new Southern Irish Board have apparently stopped Southern athletes competing in the North and vice versa. Irish correspondent Brendan Deary has frequently requested us to keep politics out of our Irish reporting and, as always, we endeavour to do this, but it is difficult to know how to do so and at the same time keep readers abreast of the confused situation in Ireland.

Ed.

THANKS

Dear Sir,

Through your columns, may I express my heartfelt thanks to all the officials who have given their time and services to make our two Trophy Meetings (Alpha-Beta and Enfield Borough) such a success this year. In all, about a hundred helped in one capacity or another.

Officials are often criticised and abused, but, without a great number of them it would be impossible to offer athletes the competition they need.

Yours sincerely,

Isabel E. Armitage (Mrs.)
Borough of Enfield H.

DERBY BEAT COURSE RECORD IN LEICESTER-NORTHAMPTON RELAY

September 2nd

A WELL-BALANCED Derby team beat their own course record by 16 seconds in winning the Leicester to Northampton road relay. This was a commendable achievement in view of the strong cross wind which resulted in only two stage records being broken. Derby never lost the lead after taking it on the second stage, but Tipton and Leicester were fighting for second place until the last mile. Godiva, without the Taylors, Adcocks, Hammond and Kilby, eventually finished fifth.

Stage 1: (3.9M) 100 yards covered the first five teams as D. White brought in Halesowen first. Fastest times: White 18.31, J. Offord (LCAT) 18.36, J. Bygott (Tip) 18.39, P. Calladine (Dby) 18.42, A. Grant (Cov) 18.45.

Stage 2: (3.4M) John Simmons beat club-mate Guilford's record by 41 seconds in taking Derby from fourth to first, 42 seconds ahead of Tipton, with Leicester a further 53 seconds behind. Fastest times: Simmons 16.18, R. Griffin (Tip) 17.03, L. Hutchinson (Hales. "B") 17.49, P. Lem (LCAT) 18.01.

Stage 3: (5.0M) Ron Grove clipped seven seconds off Dick Taylor's record in taking Leicester to within 300 yards of Derby. Cox pulled Grimsby up seven places to eighth. Fastest times: R. Grove (LCAT) 24.17, J. Edwards (Tip) 24.48, A. Leeming (Dby) 25.03, D. Cox (Grims) 25.32.

Stage 4: (3.3M) Richards brought Tipton to 60 yards of Derby, while Leicester lost some ground. Fastest times: A. Richards (Tip) 16.00, E. Guilford (Dby) 16.18, R. Child (LCAT) 16.37, A. Haines (Warley) 17.06.

Stage 5: (3.7M) Deakin opened up Derby's lead to 75 seconds, while LCAT finished only 100 yards behind Tipton. Fastest times: M. Deakin (Dby) 18.03, P. Bourne (LCAT) 18.24, S. Lynch (Rugby) 18.55, R. Williams (Tip. "B") 19.06.

Stage 6: (4.0M) Eccles extended Derby's lead by another thirty seconds while Burkitt and Leake almost dead-heated for second place. Fastest times: D. Eccles (Dby) 18.50, P. Leake (LCAT) 19.04, A. Birkett (Tip) 19.20, B. Harbach (Tip "B") 19.47.

Stage 7: (3.0M) Derby finished the stage 110 seconds ahead of Tipton, but Leicester would have been second if their "B" runner had been in the "A" team. Fastest times: J.

Eley (Dby) 14.17, R. Toon (LCAT "B") 14.18, A. Whittle (Tip) 14.22, J. Mulligan (LCAT "A") 14.39.

Stage 8: (5.8M) Mike Bullivant, who lives in Northampton, ran along familiar roads to bring Derby home in a new course record. A good run by Jim Wright enabled Tipton to beat Leicester in the fight for second place. Fastest times: J. Wright (Tip) 28.44, M. Bullivant (Dby) 28.48, E. Lynch (Rugby) 29.16, W. Bent (LCAT) 29.21.

1, Derby & County 2:36.19; 2, Tipton 2:38.05; 3, Leicester CAT 2:38.59; 4, AEI Rugby 2:45.46; 5, Coventry Godiva 2:49.23; 6, Halesowen 2:49.45; 7, Tipton "B" 2:50.25; 8, LCAT "B" 2:51.16; 9, Kettering Town 2:52.27; 10, Grimsby 2:52.40; 11, Derby "B" 2:53.29; 12, Warlet 2:54.52; 13, Northampton 2:57.22; 14, Midland Police 2:57.48; 15, Halesowen "B" 2:59.10; 16, Nuneaton 3:01.10.

Bob Ellis (TVH), now living in Batley, is having a very successful time in the North. He is seen here well clear of the field in the Warley Road and Fell Race which he won easily. Eric North

Gloucester Girls On Record Trail

SADLY, the Athletics World did not grind to a halt just because this writer was on holiday. Consequently this week's column must be devoted to making up lost ground, so, in chronological order . . . A now rather dated mark, but nonetheless praiseworthy, is Shirley Swift's 2:27.2 at RAF Innsworth on July 15th. Shirley's time is the fastest on record by a British 12 or 13-year-old.

At Swansea seven days later another 12-year-old from Gloucester AC set British age records. This time it was Dawn Nasralla, who ran 11.5 and 17.2 for 100 and 150 respectively. Assuming the absence of any assisting winds, the former is an inaugural British best while the latter clips eight-tenths from the record shared by Kathy Nelson and Yvonne Gibbons.

Back at Innsworth on August 19th, both Dawn and Shirley bettered their recently set records. Shirley, who had by now attained her 13th birthday, ran 2:26.8 after a 74.8 first lap. Dawn (6.11.1954) clocked 17.1, but there was no wind-gauge present and the track referee ruled the race wind-assisted. Obvi-

ously then, it cannot stand as a record, but Gloucester AC secretary, Terry Haines, maintains the wind changed direction in the course of the afternoon and was blowing across the track at the time of the 150. Shara Spragg completed a field day for Gloucester AC with a javelin throw of 147'0", the best-ever by a British 16-year-old, bettering the 142'10" set by Sue Platt in 1957. The other five throws in Shara's series were all no throws for, although each reached around 140 feet, none made a mark. The ground was sloping slightly but the effort came at just the right time for Shara, who seems to have been a little disappointed at her progress this year. When featured in "Spotlight" last winter note was made of her lack of height and the disadvantages thereof. Since that time she has gained two inches and is now up to 5'4".

Age record by NUTS member?

August 22nd saw NUTS member, Malcolm Warburton (a 1:57.1 half-miler) run a 1000 metres race at Stretford. "From the start I followed Martin Knowles, who was behind Dave Murfin, Mo Jefferson and Paul Kelly. The first three ran through 440 in 57, Martin and I in 58. With 350 yards to go I passed Knowles and chased Kelly. Result: 1, Murfin 2:25.1; 2, Jefferson 2:25.9; 3, Kelly 2:27.0; 4, me (i.e., Mal Warburton) 2:29.3; 5, Knowles 2:33.6. The time appears to be the season's fastest by a UK 19-year-old (equal to a 1:56 half or 4:18 mile). Laugh for 10 minutes, think about it for 15 and then try writing something sensible." I wonder what the best 317 yard hurdles is by a 21-year-old?

At Fry's Bristol, the same evening, Swindon's John Bednarski ran 13:46.8 for three miles, a time that would have been a British 18-year-old best before Ian Stewart got to work this summer.

Also at the Fry's Open Meeting 13-year-old Carole Stinchcombe (21.12.1953), who comes from Chipping Sodbury Grammar School, ran the first 440 of her life. Her time of 63.3 qualifies as the inaugural best for the distance by a British 13-year-old.

Capes, Rule, Scott shake Seniors

Gordon Rule's recent vaulting feats have already been reported in various parts of the magazine but in a disjointed manner, so they bear repeating. Before August 25th Gordon's best vault was 14'3½". Then at Dunoon, Scotland, he cleared 14'7" (5th on the UK Senior all-time list). The next day Gordon hoisted himself over 14'6" in steady rain, again at Dunoon. Two days later he vaulted 14'6½" at

Dave Williams leading from John Bednarski in the Southern junior 2 miles.

Ron Linstead

the White City. His 14'9", discounted because the pole passed under the bar, would have moved to 4th on the all-time list. Incredibly Gordon is still 17 and a first-year Junior (AAA type: he is a NUTS and European Youth!) His 14'7" better his own British best by a 17 or 18-year-old.

Five days after his 18th birthday Geoff Capes reached 52'4½" at the White City International Meet, beating a number of notable elders in the process. This put was a personal best, but he also had another, ruled a foul, which looked to be over 53'.

At Liege on September 2nd/3rd, Sue Scott totalled 4,419 points in the International Pentathlon. This improves by 79 points Jana Lunday's (Canada) world record for a 15-year-old. Sue, who over the last 12 months has developed into a particularly fine competitor, set personal bests in three of the five events and had the second best long jump of her life. She started off with an 11.6 hurdles, then put the shot 31'7½", high jumped 5'2½", long jumped 19'7" and ran a 25.7 200m. Sue is only a first year Intermediate.

Boggis fails narrowly in age record bid

Dave Cocksedge writes: "Taking cold-blooded aim at Ian Stewart's British best of 9:12.8, John Boggis failed by the narrow

margin of three seconds to set a 16-year-old age best over two miles at Tooting, on August 30th. Mike Gowan led him through laps of 67, 67.4, 68.8, 70.4 (4:33.0), 71.6, 72.2, 72.0 and 67.0 for a final time of 9:15.8. John's best chance to crack Stewart's time lies in the invitation Junior event at Walton on September 20th, when the field includes Dave Williams and Gerry Vandelinde. He hopes to go about 9:05, and 29.45 over "6" at Tooting the following week."

Fine Steeplechase By Gerry Stevens

At Reading, August 28th

TOP performance of the Reading Trophies meeting was undoubtedly Gerry Stevens' 8:47.0 steeplechase, an entirely solo effort in which he lapped his only two opponents and the crowd scarcely noticed a race was in progress. Next best on the track was Keith Colburn's mile, a close win from Peter Stewart to complete a good double, while young Ian Stewart turned in another sub-14 minutes "3".

The team contest was keen all the way but Dick McWhirter's high jump and the reversal of the A.A.A. Championships 4x110 result was not enough to prevent Thames Valley from holding off Birchfield by a slender three point margin.

With The Ladies

GIBSON TROPHY

WITH a number of leading athletes on duty in Canada, Japan and the Pyrenees, the Gibson Trophy meeting at Ilford on September 2nd still produced some interesting performances. Anita Neil maintained her string of sub-11 sec sprints with a windy 10.8, but abandoned hopes of a 20ft long jump when she found the run-up in very poor condition. What power Anita packs into a frame so small that when anchoring the winning relay team she went straight under the tape without breaking it!

Gail Smith and Rosemary Morgan dominated their specialities with almost contemptuous ease, while a glum spectator was fourth-ranked javelin thrower Janet Baker. Janet has been sidelined with a serious knee injury since the WAAA championships and enters hospital this week, possibly for a cartilage operation. Virtually off the injured list now is Janet Simpson, who tells me she will be doing some serious quarter miling next season. Her acceleration in the relay and 220 (against a strong headwind) showed that she hasn't given up her international sprint place for good.

The final race of the day, the 3 x 440 relay, proved to be the most exciting with Joan Page (Camb) shadowing Margaret Fribbence (LO) round the final lap in 57.0 and pouncing in the home straight to provide a Wagnerian crescendo to the well-organised meeting.

READING TROPHIES MEETING

August 28th

Aldershot, Farnham & District put up a stout fight, with new best performances from Barbara Inkpen and Sylvia Mason, but as usual the all-round strength of London Olympiades was too much. Winning nine out of 15 events, including runaway sprint victories by Lillian Board and Janet Simpson, they took the cup for the sixth time in a row.

BOOK NOW FOR MEXICO CITY

ENQUIRIES are coming in daily for details of our Olympic Games Tour to Mexico City next year. Brochures are now available and may be obtained from us or from our agents, Pitt & Scott Ltd. When booking, make sure you ask to be included on the A.W. Party Tour and you will be sure of being amongst a happy, knowledgeable party of athletes, coaches, track nuts and enthusiasts, many of whom have not missed an Olympic Games since the last War.

I would recommend anyone going to get the book "Mexico on Five Dollars a Day" by John Wilcock. This is obtainable in London and some other cities, but can be ordered from any newsagent. It is an Arthur Frommer publication and sells at around 13/6, but is worth every penny. It gives an amazing amount of information with Mexico City divided into numbered areas, details of good but reasonably priced hotels (including Hotel Avenida, where most of our party will be staying) and lists restaurants in all areas with details of the accommodation, service, meals served and prices. The Pitt & Scott brochure lists the meal charges for the hotel, but if desired it is possible to eat much more cheaply—and well. For instance, in the same area as the Hotel Avenida is the Orfeo Catala restaurant which is open from 1 to 11 p.m. and serves enormous 6 course meals for 18 pesos (approx. 10s)—choice of martini, shrimp cocktail or fruit; rice pilaff; choice of three kinds of fish; choice of three entries; choice of six desserts; coffee or tea. So you can see that one can eat well at a very reasonable cost if you go to the right places.

This book also gives you an insight into the Mexican character and is a mine of information about Mexico generally. Menus and phrases are included at the end.

The cost of our Tour is 213 gns. which does not include meals or Games tickets (series tickets for athletics will probably be around £10 to £12 for a really good seat).

We leave on Friday, 11th. October from London, probably BOAC scheduled flight, though it is possible that a BOAC Boeing 707 may be chartered specially for our party. The hotel Avenida is centrally situated and all rooms have private bathroom, some also have a small separate sitting-room. Single room supplement is £7.

The party returns after the closing ceremony

(October 27th) and arrives back in London on Monday, 28th October.

Two optional excursions are included, one a six-hour tour to the shrine of Guadalupe, the Pyramids of the Sun and Moon, the Temple of Quetzalcoatl, and the Acolman Monastery; and the other a Night Club Tour of some five hours with visits to four popular nights clubs, the cost including a drink at each club and a full course dinner.

The Government has sanctioned a special extra allowance of £50 for Olympic visitors, which, with the basic allowance of £50, gives a very good margin, when the "V" form amount of £34 is deducted, for meals and other spending.

As places are being taken up steadily, early booking is recommended. Only £14 is required as deposit at the time of booking, a further £10 must be paid in January, 1968, and £20 in May, 1968. The final balance is due six weeks before departure.

So if you intend seeing the 1968 Olympics, fill in the form below and send to Pitt & Scott Ltd. (A.W. Tour), 1/3 St. Pauls Churchyard, London, E.C.4.

Welsh Notes

By Clive Williams

THE WELSH AAA are starting a new drive for Honorary Members. The Association point out that they have had a lot of extra expenditure in recent years with very little financial return (eg: the Merthyr Mawr Training Centre). Therefore they invite any persons, whether they be active athletes, ex-athletes, officials or just people generally interested in the sport to become Honorary Members of the Association.

Honorary Membership brings a number of benefits which include a complimentary copy of the AAA Handbook, free admission to Welsh Championship events, the right to wear the AAA tie, blazer badge and to attend General Meetings. A year's subscription costs a minimum of £1/10, and full details can be obtained from the Hon. Membership Secretary, D. J. Lewis, 18 Mardy Terrace, Merthyr Tydfil, Glamorgan.

WEST GERMANY TO WIN NARROWLY

TWO years ago, in Stuttgart, the USSR men's team won the European Cup by a single point from West Germany. This week-end, in Kiev, the tables could be turned by an equally slender margin, for despite the Russians' home advantage, the Germans seem to possess slightly the better balanced of the two teams. The outcome should be in the balance until the final event or two. France, East Germany and Poland will battle it out for third place, leaving Hungary—the nation that so narrowly knocked Britain out of the tournament—in last place.

The meeting promises to be rich in thrills and great performances. On the track the highlights could include Tummler v. Wadoux (1500m), Norpoth v. Mecser v. Makarov (5000m), Haase v. Mecser v. Khlistov (10,000m), Kudinskiy v. Joni v. Texereau v. Letzerich (3000mSC) and Poland v. West Germany (4x400m). Most of the field events will be of Olympic standard, with four 7ft. high jumpers, four 5m pole vaulters, four 26ft. long jumpers, five 54ft. triple jumpers, five 62ft. shot-putters,

three 200ft. discus throwers, three 280ft. javelin throwers and four 220ft. hammer throwers in conflict!

At the time of writing only the West German and Polish teams have been announced, but the form chart below lists the 1967 best of all the likely competitors.

News from Kenya

KIP KEINO'S mile time of 3:58.7 at Nyeri on August 20th has been ratified as a national and East African record by the Kenya AAA; his earlier 3:55.0 on the same track is unlikely to be recognised. At the August 20th meet, the Central Province Championships, Keino returned to beat Wilson Kiprugut in the half, 1:49.0 to 1:50.2, and then place third in the 3 miles! Also in great form is quarter-miler Daniel Rudisha. A mark of 46.0 at Narok on August 12th will not be ratified as a Kenyan and East African record due to insufficient time-keepers but he clocked an official 46.4 at Kapsabet two weeks later. Massive British Entry In Enschede Marathon

At Enschede, Holland, August 26th

A TOTAL of 175 athletes started in a temperature of 78 deg., including 37 Britons, eight more than contested the AAA Championship event held the same day. After ten kilometres (32.45) a group of eleven had broken away. This included the Japanese Yoshiro Mifune, Ron Hill, John Newsome, Graham Taylor and three Germans. The English boys were right up with the leading group at 15, 20 and 25 kilometres. With 30 kilometres covered (1:40.45) the leaders were Mifune, Hill, Newsome, Hubert Riesner (WG) and Klaus Bottger (EG), Graham Taylor having dropped some five seconds behind. The Cambridge Harrier eventually finished 22nd.

At the final checkpoint (35kms) the Japanese had opened up a clear gap over Hill, who had Newsome just three seconds behind him. Over the final 7000-odd metres the gap between Mifune and Hill widened considerably and Newsome succumbed to Bulgarian, Ivaylo Charankov.

Gaston Roelants In Top Form

GASTON ROELANTS has clicked into his very best form in recent weeks. Running in Oslo on August 22nd he set about becoming the first European to break 28 minutes for 10,000m. He passed 5000m in 14:09 but, with no opposition in sight, he weakened over the second half to finish in 28:26.6—best time in the world this year. In Sweden he set his sights on his steeplechase record of 8:26.4, but was thwarted in both attempts by a combination of slow tracks, bad weather and over ambitious early speed. In Stockholm on August 30th, he passed 1000m in 2:43.0 (he had clocked 2:47.4 at that stage during his world record), 1500m in 4:07.0 (as against 4:14.0) and 2000m in 5:34.0 (vis-à-vis 5:38.8) before fading to 8:28.6 . . . a world's year best. Five days later in Gothenburg he reached the halfway mark in 4:09.0 en route to 8:31.0. Roelants (30), who had been shooting for 8:23-8:24, will be making his marathon debut at Osaka, Japan, in December. He plans to run the 10,000m, steeplechase and marathon in the Olympics—and intends to continue racing until the Munich Games in 1972, by which time he will be a marathon specialist.

Fellow Olympic champion Jozef Szmidt (32), in his tenth season of world class triple jumping, shows little signs of diminished prowess. He produced a leap of 55'3"/16.84 in winning the Polish title, his longest for three years. The only other man in history who has ever surpassed that is Aleksandr Zolotaryev.

Vladimir Kuts' Soviet 5000m record of

13:35.0, which was set in 1957 and stood as a world record until 1965, has tumbled at last. The man responsible is 28-year-old Anatoliy Makarov, who clocked 13:34.8 in Kiev on

Shotts Highland Games, September 2nd. As usual wind and rain marred the Shotts Highland Games, but despite this, competition was very keen in all events. In the Scottish Mile Medley Relay Championship, Hugh Barrow gave Victoria Park a six yard lead by the 880 mark. At the start of the last leg this had been cut back, but Victoria Park managed to steer clear of a clash in which Hugh Ballie (Bellahouston) got knocked over, and held on to win. 100: D. NEAL STEINHAUER: Not Content To Be Just Second Best

HE'S known as Oddjob, as Super Duck, as Namu the Second (after Seattle's captive killer whale); most of all Neal Claud Steinhauer is known as the only man who can enter a shot-putting competition against Randy Matson with at least a chance of success. To date they have clashed 18 times and Steinhauer has won on three occasions—quite a distinguished record seeing that no other man on earth has defeated Matson since the Tokyo Olympics nearly three years ago. Steinhauer's best mark of 68'11 $\frac{1}{2}$ "/21.01 may be 2 $\frac{1}{2}$ feet short of Randy's world record but it's over a foot clear of the next man on the all-time list (Dallas Long) and more than a yard ahead of Bill Nieder, the number four.

Steinhauer is a huge man, as those who were at the White City on August 12th will have noticed for themselves. He stands 6'5" tall, weighs 265lb. and his chest measures 51". But it wasn't always like that. At the age of 16 he weighed less than 150lb. although 6'2" in height. It was that year, in the spring of 1961, that shot-putting entered his life. His PE class at high school was divided into two sections for an informal athletics match and Neal was chosen to put the shot on account of his height.

Neal Steinhauer in action at the White City. Randy Matson is on the extreme right.

Fionnbar Callanan

"I threw something like 38 feet", he remembers, "but I really liked it. That summer I started lifting weights at the YMCA". The following year, by then a muscular final-year student at North Eugene High School in the state of Oregon (he was born in Eugene on August 18th 1944), he put the 12lb. ball 55'1"/16.79. Graduating to the full-size implement he reached 52'6"/16.00 in 1963—fully eight feet less than Matson, six months his junior.

The first indications that Steinhauer might prove a cut above average were provided in 1964, even though he lagged 8 $\frac{1}{2}$ feet behind Matson that season. Having transferred from Westmont College to Oregon University he was obliged to sit out the collegiate season but in spite of infrequent competition he succeeded in improving to 57'8 $\frac{3}{4}$ "/17.59 for 28th place on the U.S. year list.

It was on January 25th, 1965, that the athletics world at large first became conscious of the name Neal Steinhauer. Competing at the Portland Invitational indoor meet, he opened with 60'3 $\frac{1}{2}$ "/18.37, fouled at an estimated 63'6"/19.35 on the second and hit 61'5"/18.72 on the third. His last three puts went 61'2"/18.64, 60'7"/18.46 and 61'0 $\frac{1}{2}$ "/18.60. Suddenly he was in world class. Behind the radical improvement, though, lay many months of grinding toil—"the hardest working athlete I've ever encountered", proclaims his celebrated coach Bill Bowerman. For six days every week he would put in three to five hours of training, mostly weight lifting. The then 6'5", 252lb. graphic arts student confirmed his new form with 61'3"/18.67 the following week but slipped to 59'9"/18.21 for fourth place behind John McGrath, Jay Silvester and Vilmos Varju in his first international class competition, in Los Angeles on February 13th.

That proved to be only a temporary lapse. Outdoors he raised his best successively to 61'8"/18.79, 61'10"/18.84, 63'3"/19.28 and 63'5 $\frac{1}{2}$ "/19.34. His two big competitions were the Coliseum Relays and the National Collegiate Championships. In the first he underwent the chastening experience of putting 61'3 $\frac{1}{2}$ "/18.68 and yet finding himself over 6 $\frac{1}{2}$ feet astern of Matson (his only defeat of the season); at the NCAA he overcame the handicap of a strained right knee by dipping lower than normal and, in Matson's absence, took the title at 62'6"/19.05. He ended the season there, the world's second ranking shot-putter. It had been quite a year, but Steinhauer was not happy. It was Matson's crown that he was after.

The knee injury posed a serious problem to his future progress. Neal recalls: "The pain was still evident and doctors recommended that I never do full squats with weights again. Finally

NEAL STEINHAUER

Fionnbar Callanan

in December (1965) I decided to do full either everything or nothing. The funny thing is the pain in my knee went away, and my legs are stronger than before. Because leg power is part of my shot-put success I didn't throw over 60 feet until January (1966)—after I returned to the full squat training."

He began the 1966 season in fine style. On a rainy day in Seattle on April 9th he jumped to fourth on the world all-time list with $65'3\frac{1}{2}"$ /19.90; while in his native Eugene on May 7th he moved up another place with $66'10"$ /20.37, a performance that delighted him so much that he bounced up and down like some monstrous yo-yo. His pleasure was short-lived; six days later he was again soundly beaten by Matson at the Coliseum Relays: $69'2\frac{1}{2}"$ /21.09 to $64'6"$ /19.66. Back in Eugene on June 2nd, with the temperature a chilly 40°F , he unleashed a Matsonian series: $63'2\frac{1}{2}"$ /19.26, $66'9"$ /20.34, $64'2\frac{1}{2}"$ /19.56, $66'5"$ /20.24, $66'2"$ /20.17 and

finally $67'0\frac{1}{2}"$ /20.44. Was he ready now to take Randy? The answer was in the negative; four times they clashed and four times Steinhauer emerged the loser... by the tantalising margin of $1\frac{1}{2}$ inches on one occasion. The results were:—NCAA Championships: 1st Matson $67'1\frac{1}{2}"$ /20.46, 2nd Steinhauer $64'0\frac{1}{2}"$ /19.52. AAU Championships: 1st Matson $64'2\frac{1}{2}"$ /19.56, 2nd Steinhauer $64'0\frac{1}{2}"$ /19.52. Berkeley: 1st Matson $67'2\frac{1}{2}"$ /20.48, 2nd Steinhauer $65'3\frac{1}{2}"$ /19.89. Los Angeles: 1st Matson $66'8\frac{1}{2}"$ /20.33, 2nd Steinhauer $64'2"$ /19.56. Later, on an undefeated tour of Europe, Steinhauer reached $65'5"$ /19.94 and he finished the season with a $61'5"$ /18.72 victory in Mexico City—not having had time to warm up and allowed only four throws.

This year was just seven days old when, in San Francisco, Neal achieved his ambition of defeating Matson, though in all fairness it must be pointed out that Randy was suffering from a knee injury. Steinhauer opened with a mere $59'10"$ /18.23, the shot slipping from his fingers, but then really got into stride with $66'6\frac{1}{2}"$ /20.29 (an indoor world best), foul, $66'4\frac{1}{2}"$ /20.23, $64'4\frac{1}{2}"$ /19.62 and $66'1\frac{1}{2}"$ /20.16. Matson's reply was $64'4\frac{1}{2}"$ /19.62 and the seemingly unbeatable had succumbed at last. Steinhauer was even greater three weeks later in Portland. Sporting a jersey inscribed with the magical number 70 he reeled off $66'10\frac{1}{2}"$ /20.37 (world best), $65'0\frac{1}{2}"$ /19.82, $67'7\frac{1}{2}"$ /20.60 (world best), $65'5\frac{1}{2}"$ /19.95, $66'3\frac{1}{2}"$ /20.20 and—the final flourish— $67'10"$ /20.67 (world best).

The second clash of the two giants, on February 4th, held the centre of the stage at the San Diego indoor promotion. What a thriller it was! Matson, putting first, began with $63'10"$ /19.45 while Steinhauer fouled. Second round: only $63'3\frac{1}{2}"$ /19.29 by Matson but a beautiful effort of $66'2\frac{1}{2}"$ /20.17 by Steinhauer. How would Randy react to this new challenge to his supremacy? The capacity crowd held its breath, then came a disappointed groan... it was no more than $63'2\frac{1}{2}"$ /19.26. Steinhauer's third was a confident $65'2\frac{1}{2}"$ /19.87. Matson's fourth put was a little more like it, $65'4\frac{1}{2}"$ /19.92, but he still needed the best part of another foot. Steinhauer's reply was $64'8\frac{1}{2}"$ /19.71. Round five was abortive: Matson $60'1"$ /18.31, Steinhauer $63'2\frac{1}{2}"$ /19.26. Surely this duel wasn't just going to fizzle out. The fans willed Matson to produce something special with his final attempt—and the great man came through like the fine champion he is with $66'10\frac{1}{2}"$ /20.38. Now the ball was on the other foot. Could Steinhauer

respond to the challenge? No, it was a foul. Neal was still second best, as Matson was to underline the following week when he seized possession of the indoor record.

Steinhauer is not one to give up easily (his advice to any athlete is "never say never; desire plus work equals success") and outdoors, in Sacramento on March 25th, he demonstrated to Matson that he was closing up on him by reaching 68'11 $\frac{1}{4}$ " (21.01 for a personal best and second spot on the all-time list. That mighty effort came in the first round, and he followed with 67'6"/20.57, a foul measured at 68'11"/21.00, 65'10 $\frac{1}{2}$ "/20.08, 66'0"/20.11 and 67'5"/20.55. And, to complete an eventful afternoon, he threw the discus a personal best of 186'0"/56.69—a distance he was to improve to 187'3"/57.07 the following weekend.

It was business as usual, though, by the time of the big meets. Matson beat him, 67'9 $\frac{1}{4}$ "/20.65 to 64'2"/19.56, in the NCAA and by 66'11"/20.39 to 65'5 $\frac{1}{2}$ "/19.96 in the AAU. Neal managed to triumph, for the first time out of doors, over his Texan rival in an informal Hawaiian meet (67'5 $\frac{1}{2}$ "/20.56 to 67'3 $\frac{1}{4}$ "/20.51) but it was Matson who came out on top in the USA v. Commonwealth match (67'1"/20.44 to 63'11 $\frac{1}{4}$ "/19.49, with in fact Dave Maggard second), the Pan-American Trials (68'7 $\frac{1}{4}$ "/20.91 to 64'8 $\frac{1}{2}$ "/19.72), Pan-American Games (65'0 $\frac{1}{2}$ "/19.83 to 63'9 $\frac{3}{4}$ "/19.45), Americas v. Europe (67'1 $\frac{1}{2}$ "/20.46 to 64'4 $\frac{1}{2}$ "/19.63), Britain v. USA (66'11"/20.39 to 65'9"/20.04) and West Germany v. USA (68'1 $\frac{1}{2}$ "/20.77 to 67'1 $\frac{1}{4}$ "/20.45). In their final clash of the season, though, in the match against Italy and Spain, Steinhauer was victorious by 65'8 $\frac{1}{2}$ "/20.03 to 65'5 $\frac{1}{2}$ "/19.96.

Matson is still the world's undisputed number one but there is little doubt that Steinhauer is succeeding in narrowing the gap. He should certainly break through the 70ft. barrier next year which, in turn, should spur Matson on to still greater distances. There cannot be many Olympic medal aspiring athletes sharing Steinhauer's enviable position... for barring accidents he surely cannot finish lower than second in Mexico City! **Melvyn Watman.**

TRAINING WEEK-END

A Training Week-end will be held on the week-end of Sept. 30th, at Merthyr Mawr for the recently formed University of Wales Dragons Club (open to all Univ. of Wales past and present athletes). Anyone interested please write to W. H. Drake, Engineering Labora-tories, The University, Southampton.

SCHOOLS TRIP TO CANADA HIT BY BAD ORGANISATION

REPORTS have been received that the whole organisation of the ESAA tour was "very bad, with numerous long delays which could easily have been avoided, and the less said about the English officials the better." Brian Coker (ex-Feltham AC) writes: "To send a team to an International without a coach is amazing these days — there were seven officials of whom only the team manager had any International experience."

A number of the French were over-age on the day of the meeting and substitutes had to compete thus reducing their strength, although they would have been weaker still if the ESAA and Canadian officials had not agreed to the French vaulters competing although over-age. In addition the French and Canadian teams were **Junior** and not **Schools** squads."

Conditions in Ottawa were cold and blustery with strong following winds in the sprints and hurdles. Pole vaulter Peter Rooke, had torn some shoulder ligaments in training, and high jumper Bob Taylor had to substitute for him. All jumps were off asphalt run-ups and the discus and hammer were uphill. The highlight of the meeting was undoubtedly the high jump-

ing of Canadian Wilf Wenden, who cleared 6'9½" with a fast, strong, Brumel-type approach. Seven foot seems a definite possibility for this prospect. First-year Intermediate Denise Ramsden had a great run in the 100 to clock a windy 10.4, equalling the fastest windy time ever clocked by a British girl and surely worth no worse than 10.7 with a legal wind-reading.

Andy Todd agreed to send "AW" the results of the two meetings, but for a week prior to departure he was confined to bed with a virus infection. The temperature in Toronto, for the second meeting, was in the high 80's and after the 440 he had to be taken to hospital suffering from exhaustion and consequently was unable to obtain the full Toronto results which we are now trying to obtain from another source. Andy writes "The team wished to thank Alan Launder (on his way to take up a post at an American University) and Dave McJannet, who gave up a great deal of their time to help the team as much as was humanly possible despite their unofficial positions."

Susan Scott Star of British Team

BRITAIN'S growing strength in decathlon and pentathlon was revealed when what were, because of injury and late withdrawals, essentially "reserve" teams produced some outstanding performances at Liège, on September 2nd/3rd.

The British "star" was undoubtedly Birchfield's Susan Scott, who masked her "nerves" and gave a superb display of all-round athletics skill. Her score of 4419 ranks as an unofficial "world record" for a 15-year-old. Her best performance came in the high jump where she "scissored" 5'2½", 4" more than her personal best. Even in the shot, an event which has been the Achilles heel of many British pentathletes, she put a creditable 31'2". Amongst other excellent performances were Susan Hayward's 11.5 80m. hurdles and Dorothy Shirley's 5'5½" high jump.

Two new internationals, Peter Gabbett and Stuart Scott, produced some excellent performances to set "personal best" scores of 6572 and 6431 respectively. Gabbett began well with an 11.0 100m. and a personal best of 23'2" in the long jump. His shot was, however, a disaster; two "foul" puts were followed by a mediocre third effort. Disregarding this failure he notched up a personal best in the high jump, with a clean clearance of 6'0" and followed this with a fine 49.7 400m. run. Stuart Scott, after a steady start in the first four events, ran a scorching 400m. in 49.4, a personal best by 1.1 sec., and the second fastest ever run by a British decathlete. Jim Smith had a best-ever first day with 3476, scoring personal bests in 400m. (51.2) and shot (38'11") and a season's best in the high jump (5'10"). England's Commonwealth Games captain, Derek Clarke, hampered by illness and examination-pressures, ended a modest first day with an excellent 52.0 400m.

By the end of the first day, it was clear that the British team had no hope of taking first place ahead of an excellent Belgian side headed by Lespagnard and Herbrandt. The second day witnessed a grim battle between Scott and Smith to stay out of fourth position in the British team with Clarke, an excellent second-day competitor, closing up on both with giant strides.

Although Clarke finished second in the javelin, the Dutch jumped ahead in this event with three competitors in the first four, to put Britain in 3rd position in the overall points score. Superb efforts in the 1500m. by Clarke (4:26.4) and Scott (4:29.6) narrowed this gap only slightly.

All credit must go to the Belgians, who produced two scorers over 7000 pts., the first

time this has been achieved by any country in this competition. Credit must also be given to a fighting British team of young decathletes, headed by veteran Derek Clarke and to the team managers Mrs. Nelson-Neal and Bob Stinson who did everything possible to inspire and encourage their athletes.

DECATHLON

1, Lespagnard (B) 7277 (rec); 2, Herbrandt (B) 7050; 3, Stam (N) 6792; 4, GABBETT (GB) 6572; 5, Devries (N) 6554; 6, CLARKE (GB) 6465; 7, SMITH (GB) 6459; 8, SCOTT (GB) 6431; 9, Krijnen (N) 6405; 10, Debroux (B) 6111; 11, Vandenweld (N) 6103; 12, D'Haemers (B) 5810.

Team scores: 1, Belgium 20,438; 2, Netherlands 19,751; 3, Gt. Britain 19,496.

(We had not received the women's results at press time and these will appear next week).

SOUTHERN B.M.C. AWARDS

A new Meritorious Award consists of a gold badge with date and will be given for outstanding mile performances and records. The Southern Advisory Panel have approved the following awards to date:—

Anne Smith, for her world record of 4m.39s.; Andy Green for his A.A.A. Championship record of 4:00.6; John Rix for his British teenage record of 4:02.8; Tony Simmons for his British U/19 record of 4:02.8; Philip Banning for his 4:18.1 as a 16-year-old youth; M. Beevor for his 4:03.9 at Reading. The records of Rix and Simmons were achieved in BMC organised races, and the time of Banning was achieved in a special BMC race at Paddington.

SOLD OUT: The RWA Dinner Secretary tells me that he has a complete sell-out for the RWA Golden Jubilee Dinner at the House of Commons on February 17th. However, he is prepared to open a supplementary list from which he will fill any vacancies that may arise from withdrawals and this will be operated strictly on the principle, first-come, first served. Many past and present champions will be there, together with other distinguished guests. The Dinner Secretary is: F. Jarvis, 17 Dalmeny Avenue, Norbury, SW 16.

"Lugano Cup" News: Italy and West Germany are through to the finals. In the qualifying zone match at Dole, Italy provided the individual winners in both the 20 Kms and 50 Kms. A surprise to most English readers will be that Abdon Pamich went for the 20 Kms rather than the distance at which he is reigning Olympic Champion. West Germany are having a good season. A few weeks back they beat Sweden over 20 Kms and 35 Kms and now they have qualified to go to Potsdam next month. 20 Kms: 1, Pamich (I) 96.20; 2, Nermerich (WG) 97.27; 3, Pape (WG) 99.00; 4, Muller (WG) 101.15; 5, De Vito (I) 101.38; 6, Nigro (I) 101.54. Teams: 1, West Germany 39; 2, Italy 37; 3, France 18; 4, Switzerland 15; 5, Belgium 11. 50 Kms: 1, Visini (I) 4:33.12; 2, Magnor (WG) 4:35.00; 3, Mancini (I) 4:43.21; 4, Weidner (WG) 4:44.25; 5, Aeberhardt (S) 4:46.11; 6, Belin (F) 4:47.17. Teams: 1, Italy 38; 2, W. Germany 26; 3, France 23; 4, Switzerland 22; 5, Belgium 11. Overall points: 1, Italy 75; 2, W. Germany 65; 3, France 41; 4, Switzerland 37; 5, Belgium 22.

Another Fullager success: Peter Fullager (Basildon), now living in Switzerland as part of his altitude preparation for the Mexico Olympics, travelled to Italy for the Rome to Castelgandolfo 32 Kms last week-end. He not only recorded a convincing win but also beat by two minutes Pamich's course record. 1, Fullager (SAL Lugano) 2:24.14; 2, B. Nermerich (Frankfurt) 2:32.33; 3, S. Mancini (I) 2:33.46; 4, J. Muller (Frankfurt) 2:34.22; 5, G. Nigro (I) 2:36.46; 6, W. Sgardello (I) 2:37.14.

Northern Ireland "2": The first NIAAA 2 Miles track Championship was held on the same track as the "7" the previous Wednesday. In winning, David Smyth completed a double. David combined these Championships with a holiday and had done no training since his first success, but he was able to do just enough to avoid being caught towards the end. 1, D. Smyth (Bristol WC) 15.21; 2, J. Scott (East Antrim) 15.30; 3, J. Todd (EA) 16.04.

Today's Event: Today has been left free for the RWA Annual General Meeting at the Polytechnic, 309 Regent Street, London, W.1, at 3.00 p.m. Anyone welcome. Apart from the usual business there are two resolutions on the Agenda. One, submitted by the Midland Area, wants the upper age limit for the Championships to be raised from 55 to 60 years, and the other, submitted by the Southern Area, wants no change to be made in the Championship programme for 1968. In addition, the long awaited report by the special Sub-Committee set up last year to review the Championship programme in all its aspects, is likely to lead to a lively debate and the greatest interest is likely to be centered on the future of the 10 Miles and 20 Kms Championships. The Meeting will be asked to consider the award of Life Membership to Walter Batson, OBE, Jim Hackwood and W. J. "Bill" Harris.

Junior International 10,000 metres track walk at Amal, Sweden. 1, Dumke (E. Ger) 47.26; 2, Kroel (EG) 47.40; 3, Moen (Swe) 48.23; 4, Forstrom (Swe) 49.09; 5, Bauer (WG) 50.04; 6, Juul (Den) 50.56. Teams: 1, East Germany 20; 2, Sweden 15; 3, West Germany 8; 4, Denmark 8; 5, Norway 5.

Welsh RWA 7M. Championship and Open, at Splott, September 2nd. 1, R. Hughes (RSC) 48.25; 2, K. Bobbett (Roath) 49.30; 3, E. Taylor (Hinck. C) 50.13; 4, W. Sutherland (H'gate) 50.29; 5, D. Smyth (Bris) 50.48; 6, M. Tolley (Basil) 51.45. Handicap: T. Parsons (Splott) 14.20. (Boys 2½M) 1, K. Edwards (Broms) 23.57; 2, S. Eddy (Broms) 24.35; 3, G. Alderman (Splott) 24.49. Teams: 1, Bromsgrove and R. 10; 2, Splott WC 12; 3, Bristol 30.

Woodford Green Open 5½M., September 9th. After Shaun Lightman had held the early advantage John Webb took over and soon set up a commanding lead which he increased on each successive lap, proving he really has returned to top form. There was some shuffling among the minor places with Colin Young coming through on his hill-climbing ability. The home club took the team award from Basildon who were unfortunate enough to have Malcolm Tolley disqualified. 1, J. Webb (Basil) 39.13; 2, C. Young (EB) 40.04; 3, S. Lightman (Met. WC) 40.32; 4, W. Sutherland (H'gate) 40.53; 5, P. Nihill (Sy WC) 42.22; 6, K. Easlea (En) 42.57; 7, G. Brown (WG) 43.13; 8, R. Mills (Ilf) 43.22. Teams: 1, Woodford Green 16; 2, Basildon 27; 3, Surrey WC 35; 4, Highgate 36; 5, Belgrave 43; 6, Enfield 72.

KANGAROO CLUB NOTES

An Open L.J. competition will be held at Spikes Bridge, Carlyle Ave., Southall, at 10.30 a.m. on Sept. 24th—all age groups, men and women, non-members welcome. At approx. 12.30 p.m., in the adjacent clubhouse of Ealing and Southall A.C., the A.G.M. of the Kangaroo Club will be held.

On Sunday, October 8th, at 10.30 a.m., and at the same venue, will be held a jumps pentathlon, comprising standing HJ, standing LJ, high-long jump (twice horizontal to vertical distance to be jumped), standing TJ, and pole vault for distance. If inclement weather an indoor pentathlon will be held.

The following area representatives have been appointed:—

North East—Neil Humphries, 32 Highfield Cres., Hartburn, Stockton-on-Tees, Co. Durham.

Wales—Gwyn Williams, 33 Ty Glas Ave., Llanishen, Cardiff, S. Wales.

Ireland—Robert O'Dwyer, Eyeries, Bantry, Co. Cork.

Each has undertaken to look after the interests of horizontal jumpers in their respective areas, and they would be pleased to hear from any non-members of the Kangaroo Club who wish to join this specialist club.

An Open Hammer Competition will be held at Spikes Bridge, Southall, on Sunday, Oct. 1st, at 12.30 p.m. All age groups, no fees, no prizes—just turn up.

Pat McKenna (ex-Surrey AC), now returned to civilian life, has settled down in France and joined Boulogne AC. His new address is Rue Charles Gide, Boulogne S/M, 62 France.

Tonbridge AC would like some women's cross country fixtures in the Kent area this winter. Would anyone interested please write to M. Redhead, Fixtures Secretary, "Flores," Sandown Park, Tunbridge Wells, Kent.
